Scarlet Dawn:

Scarlet Dawn Amber Sander, 2013-04-29 Scarlet was just your average 18 year old enjoying life with a great job perfect boyfriend and awesome best friend until one day her world was turned upside down A vicious rage grew inside her causing her to seek vengeance Looked over and pushed around by women who skated through life using only their good looks infuriated her and made her determined to take away those things that made them who they were What will happen to these women Will Scarlet seek the revenge she so strongly hoped for Will she ever catch a break I wrote Scarlet Dawn because so many people both men and women get passed over because of women who are beautiful but have no qualifications I could never understand how that could happen and Im certain that there are people who will read this book and be able to in some way relate to Scarlet just as I do **Film Year Book** ,1938 **The Film Daily Year Book of Motion Pictures** ,1938
