bit about self fulfilling prophecy If an entire community and religious sect brand a girl's mother as a sinner whether justly or unjustly then surely the girl will take some of this to heart If the only world she has ever known is one when the only parent is considered ungodly blasphemous and full of sin then surely she will begin to reflect some of these ideals When the Puritans branded Hester with the Scarlet Letter they also branded her daughter metaphorically speaking of course Actually I've read this book twice the first time when I was in high school Reading it again after some thirty years I was amazed at the amount of meaning I'd missed the first time Most modern readers don't realize and certainly aren't taught in school that Hawthorne as his fiction essays and journals make clear was a strong Christian though he steadfastly refused to join a denomination and here his central subject is the central subject of the Christian gospel sin's guilt and forgiveness Unlike many moderns Hawthorne doesn't regard Hester's adultery as perfectly okay and excusable though he also doesn't regard it as an unforgivable sin But his faith was of a firmly Arminian sort and as he makes abundantly clear it's very hard for sinners mired in the opposite Calvinist tradition to lay hold of repentance and redemption when their religious beliefs tell them they may not be among the pre-chosen elect It's no accident that his setting is 17th century New England the heartland of an unadulterated unquestioned Calvinism whose hold on people's minds was far more iron-clad than it had become in his day If you aren't put off by 19th century diction this book is a wonderful read with its marvelous symbolism and masterful evocation of the atmosphere of the setting the occasional hints of the possibly supernatural add flavor to the whole like salt in a stew Highly recommended

The Scarlet Letter Nathaniel Hawthorne, 2011-03 Set in 17th century Puritan Boston during the years 1642 to 1649 The Scarlet Letter tells the story of Hester Prynne who conceives through an adulterous affair and struggles to create a new life of repentance and dignity The story begins during the summer of 1642 near Boston Massachusetts in a Puritan village A young woman Hester Prynne has been led from the town prison with her infant daughter in her arms On the breast of her gown is a rag of scarlet The Scarlet Letter cloth that assumed the shape of a letter It is the uppercase letter A The Scarlet Letter A represents the act of adultery that she has committed and it is to be a symbol of her sin a badge of shame for all to see The Scarlet Letter was published as a novel in the spring of 1850 by Ticknor Fields beginning Hawthorne's most lucrative period as a writer When he delivered the final pages to Fields in February 1850 Hawthorne said that some portions of the book are powerfully written but doubted it would be popular In fact the book was an instant best seller though over fourteen years it brought its author only 1 500 Its initial publication brought wide protest from natives of Salem who did not approve of how Hawthorne had depicted them in his introduction The Custom House A 2 500 copy second edition of The Scarlet Letter included a preface by Hawthorne dated March 30 1850 that stated he had decided to reprint his introduction without the change of a word The only remarkable features of the sketch are its frank and genuine good humor As to enmity or ill feeling of any kind personal or political he utterly disclaims such motives The Scarlet Letter was one of the first mass produced books in America Into the mid nineteenth century bookbinders of home grown

Performatively Speaking Debra J. Rosenthal, 2015-05-12 In *Performatively Speaking* Debra Rosenthal draws on speech act theory to open up the current critical conversation about antebellum American fiction and culture and to explore what happens when writers use words not just to represent action but to constitute action itself Examining moments of discursive action in a range of canonical and noncanonical works T S Arthur's temperance tales Fanny Fern's Ruth Hall Nathaniel Hawthorne's *The Scarlet Letter* Harriet Beecher Stowe's *Uncle Tom's Cabin* and Herman Melville's *Moby Dick* she shows how words act when writers no longer hold to a difference between writing and doing The author investigates for example the voluntary self-binding nature of a promise the formulaic but transformative temperance pledge the power of Ruth Hall's signature or name on legal documents the punitive hate speech of Hester Prynne's scarlet letter A the prohibitory vodun hex of Simon Legree's slave Cassy and Captain Ahab's injurious insults to second mate Stubb Through her comparative methodology and historicist and feminist readings Rosenthal asks readers to rethink the ways that speech and action intersect

American Romanticism and the Marketplace Michael T. Gilmore, 2010-02-15 This book can take its place on the shelf beside Henry Nash Smith's *Virgin Land* and Leo Marx's *The Machine in the Garden* Choice Gilmore demonstrates the profound sustained engagement with society embodied in the works of Emerson Hawthorne Thoreau and Melville In effect he relocates the American Renaissance where it properly belongs at the centre of a broad social economic and ideological movement from the Jacksonian era to the Civil War Basically Gilmore's argument concerns the writers' participation in what Thoreau called the curse of trade He details their mixed resistance to and complicity in the burgeoning literary marketplace and by extension the entire economic revolution which between 1830 and 1860 transformed the United States into a market society The result is a model of literary historical revisionism Gilmore's opening chapters on Emerson and Thoreau show that transcendental thought and language can come fully alive when understood within the material processes and ideological constraints of their time The remaining five chapters on Hawthorne and Melville contain some of the most penetrating recent commentaries on the aesthetic strategies of American Romantic fiction presented within and through some of the most astute thoughtful considerations I know of commodification and the democratic public in mid nineteenth century America Practically and methodologically *American Romanticism and the Marketplace* has a significant place in the movement towards a new American literary history It places Gilmore at the forefront of a new generation of critics who are not just reinterpreting familiar texts or discovering new texts to interpret but reshaping our ways of thinking about literature and culture Sacvan Bercovitch *Times Literary Supplement* Gilmore writes

Entanglements of Nathaniel Hawthorne Samuel Coale,2011 The process of Hawthorne s scholarly canonization and the ongoing critical and cultural discourse on his works Nathaniel Hawthorne celebrated in his own day for sketches that now seem sentimental came only gradually to be fully appreciated for what his friend Herman Melville diagnosed as the power of blackness in his fiction the complex moral grappling with sin and guilt By the 1850s Hawthorne had already been accepted into the American canon and since then his works especially *The Scarlet Letter* have remained ubiquitous in American culture Along with this has come an explosion of Hawthorne criticism from New Criticism New Historicism and Cultural Studies to queer theory feminist scholarship and transatlantic criticism that shows no signs of slowing This book charts Hawthorne s canonization and the ongoing critical discourse drawing on two senses of entanglement First the sense from quantum physics which allows us to see what were once seen as strict dualisms in Hawthorne as more complex relations where the poles of the would be dualities play off of and affect each other second the sense of critics being tangled up in caught up in Hawthorne the man and his work and in previous critics views of him Charting the course of Hawthorne criticism as well as his place in popular culture this book sheds light also on the culture in which his reception has occurred Samuel Chase Coale is Professor of American Literature and Culture at Wheaton College Norton Massachusetts
