The Book of Failures Neil Shepard, 2024-01-16 Amid the tensions of family and community and the struggles with desire and disappointment out of which art is made there is all this profusion an unstoppable spring the orange flash of a fox figs and honey in a Greek harbor town and a pianist conjuring lost love in his figured solos our ravenous lives teetering on the edge of today's sadness In his ninth poetry collection *The Book of Failures* Neil Shepard wanders urban and rural landscapes from American coastlines to foreign shores the sudden signposts deciphering what's won what's lost Though the tone is often elegiac in this prismatic book of human strivings it is woven with wit and wisdom enough to illuminate the night sky and bring unexpected levity to his many discoveries
