

## Scenario The Craft of Screenwriting (Short Cuts)

**copy link in description**

The author of Barbarella and other successful screenplays analyzes the basic structures of effective screenplays, from initial plot lines to realized scripts. All the essential building blocks are discussed in depth: the need for a strong premise the roles of protagonist and antagonist the orchestration of plot, characters and dialogue leading to a clear resolution. This book not only instructs first-time writers on how to go about their work but also serves as a valuable check-list for established authors, and for actors, directors and teachers, in their task of deconstructing and assessing the value of the material placed before them.
