Ireland, Vol. 1 N. P. Willis, 2018-02-10 Excerpt from *The Scenery and Antiquities of Ireland Vol 1 Illustrated From Drawings by W H Bartlett* As the soil is so the heart of man says Lord Byron It is indeed remarkable how closely the character and disposition of a people will be found to assimilate to the natural features of the clime they inhabit and how deeply the human mind is tinged by the bright or gloomy scenes upon which it is accustomed to dwell Pursuing this fanciful theory we imagine we can trace in the chequered character of the Irish people a reflection of the varied aspect of the country Their exuberant gaiety their deep sadness their warm affections their fierce resentment their smiles and tears their love and hatred all remind us forcibly of the light and shadows of their landscapes where frowning precipices and quiet glens wild torrents and tranquil streams lakes and woods vales and mountains sea and shore are all blended by the hand of Nature beneath a sky now smiling in sunshine now saddening in tears About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works *The Scenery and Antiquities of Ireland Volume 2* Nathaniel Parker Willis, J Stirling 1803-1868 Coyne, 2016-05-09 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant **Ireland**, 18?? *Beauties and Antiquities of Ireland* Thomas O'Neill Russell, 1897-01-01 *The Scenery and Antiquities of Ireland, Illustrated from Drawings by W.H.
