Scenes And Sins In Paradise:

The Saint John's Bible and Its Tradition Jack Baker, Jeffrey Bilbro, Daniel Train, 2018-10-08 In an age of e books and screens it may seem antiquated to create a handwritten illuminated Bible The Benedictine monks at Saint John s Abbey and University however determined to produce such a Bible for the twenty first century a Bible that would use traditional methods and materials while engaging contemporary questions and concerns In an age that largely overlooks the physical form of books The Saint John s Bible foregrounds the importance of a book s tactile and visual qualities This collection considers how The Saint John s Bible fits within the history of the Bible as a book and how its haptic qualities may be particularly important in a digital age Contributors David Lyle Jeffrey Matthew Moser Jonathan Juilfs Sue Sorensen Paul Anderson Gretchen Batcheller Jane Kelley Rodeheffer

Annunciations: Sacred Music for the Twenty-First Century George Corbett, 2019-05-01 Our contemporary culture is communicating ever increasingly through the visual through film and through music This makes it ever more urgent for theologians to explore the resources of art for enriching our understanding and experience of the Judeo Christian tradition Annunciations Sacred Music for the twenty First Century edited by George Corbett answers this need evaluating the relationship between the sacred and the composition performance and appreciation of music Through the theme of annunciations this volume interrogates how when why through and to whom God communicates in the Old and New Testaments In doing so it tackles the intimate relationship between Scriptural reflection and musical practice in the past its present condition and what the future might hold Annunciations comprises three parts Part I sets out flexible theological and compositional frameworks for a constructive relationship between the sacred and music Part II presents the reflections of theologians and composers involved in collaborating on new pieces of sacred choral music alongside the six new scores and links to the recordings Part III considers the reality of programming and performing sacred works today This volume provides an indispensable resource for scholars and artists working at the interface between theology and the arts and for those involved in sacred music However it will also be of interest to anyone concerned with the ways in which the Divine communicates through word and artistry to humanity

Adam, the Fall, and Original Sin Michael R. E. Reeves, Hans Madueme, 2014-10-28 The Christian doctrines of original sin and the historical fall of Adam have been in retreat since the rise of modernity Here leading scholars present a theological biblical and scientific case for the necessity of belief in original sin and the historicity of Adam and Eve in response to contemporary challenges Representing various Christian traditions the contributors shed light on recent debates as they present the traditional doctrine of original sin as orthodox evangelical and the most theologically mature and cogent synthesis of the biblical witness This fresh look at a heated topic in evangelical circles will appeal to professors students and readers interested in the creation evolution debate

regime faced the daunting task of educating and bringing culture to the vast and often illiterate mass of Soviet soldiers workers and peasants As part of this campaign civilian educators and political instructors in the military developed didactic theatrical fictions performed in workers and soldiers clubs in the years from 1919 to 1933 The subjects addressed included politics religion agronomy health sexuality and literature The trials were designed to permit staging by amateurs at low cost thus engaging the citizenry in their own remaking In reconstructing the history of the so called agitation trials and placing them in a rich social context Elizabeth A Wood makes a major contribution to rethinking the first decade of Soviet history Her book traces the arc by which a regime s campaign to educate the masses by entertaining and disciplining them culminated in a policy of brute shaming Over the course of the 1920s the nature of the trials changed and this process is one of the main themes of the later chapters of Wood s book Rather than humanizing difficult issues the trials increasingly made their subjects alcoholics boys who smoked truants into objects of shame and dismissal By the end of the decade and the early 1930s the trials had become weapons for enforcing social and political conformity Their texts were still fictional indeed fantastical but the actors and the verdicts were now all too real *Eastern Approaches to Byzantium* Antony

Eastmond,2017-03-02 The eastern frontier of Byzantium and the interaction of the peoples that lived along it are the themes of this book With a focus on the ninth to thirteenth centuries and dealing with both art history and history the essays provide reconsiderations of Byzantine policy on its eastern borders new interpretations and new materials on Byzantine relations with the Georgians Armenians and Seljuqs as well as studies on the writing of history among these peoples Presenting research from Russia and Georgia as well as Europe and the USA the contributors stress the interaction and interdependence of all the peoples along this frontier zone and consider the different ways in which the political and cultural power of Byzantium was appropriated They provide important comparative evidence for the relationship between local and Byzantine cultures and open up new avenues for research into the history of eastern Anatolia and the Caucasus The volume arises from the thirty third Spring Symposium of Byzantine Studies held at the University of Warwick in March 1999
