as if an ocean poured its mighty waters foaming and surging down some craggy rock bound cataract In vain I sought to grasp some substance by which to impede my rapid movement which appeared to force me downward toward the awful abyss At this moment a blue sulphurous flash disturbed the vault of nether darkness and as it disappeared all around me floated grim spectres each enveloped in the fire of unhallowed passion So sudden had been the change and so dreadful its effects upon me that no thought but that of horror and despair had entered my mind until these lurid ghosts appeared then a more fearful terror possessed me and I turned to seek refuge in the embrace of my guide and lo I found her not Alone and in this dreadful place no means are left me to express the most faint idea of the agony of that moment At first I thought I would pray but in an instant the whole scene of my life was before me Then I exclaimed O for one short hour on earth for space however brief for preparation of soul and to secure fitness for the world of spirits But my conscience as if some fiend in a voice hoarse and trembling echoed In thy day thou didst reject and

Scott, 2017-02-14 Marietta Davis was born in Berlin NY where she lived until called by death She was not of open religious habits being disinclined to religious conversation During the revival in the winter of 1847 48 her mind was religiously exercised but she could not realize what others professed so as to enable her to unite with her young friends in the ordinances of the Gospel In August following she fell into a sleep or trance from which she could not be awakened In that state she remained nine days and when she awoke she said she had been in Heaven that she had seen there many of her old friends and relations who were dead and Jesus the Redeemer From that time her hope in heaven through Jesus was strong and she rejoiced in the

prospect of a final admission into the Paradise of Peace Whether she saw and heard what she relates or imagined it is of but little importance I however unhesitatingly state it as my firm and unwavering belief that the spirit of Marietta Davis like John the Revelator while his body was in the Isle of Patmos visited scenes beyond the grave and there saw and heard what she relates However this may be if the truth can be brought to reach the mind and win the affections to the Christian Religion all is gained that should be desired Stephen Deuel Scenes Beyond the Grave Marietta Davis, 1878 Marietta Davis fell into a trance at age twenty five that lasted nine days She experienced a vision that made her a legend When she finally regained consciousness she described with extraordinary graphic detail scenes of how angels had conducted her spirit to heaven and hell Marietta made it clear that her vision was given for her to tell the world so people could prepare for the afterlife
