A Harlot's Progress, Vol. 1 (Classic Reprint) Honoré De Balzac,2015-07-15 Excerpt from Scenes From a Courtesan s Life And the Government Clerks On the whole I should put this book a little below Balzac s very best but in the forefront of his average work Some I know have rated it very highly but such a slightly glorified Alphonse as Rubempre is too disgusting a hero to be tolerated without even greater power that Balzac has here put forth even though Esther to no small extent redeems him About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books Find more at www.forgottenbooks.com This book is a reproduction of an important historical work Forgotten Books uses state of the art technology to digitally reconstruct the work preserving the original format whilst repairing imperfections present in the aged copy In rare cases an imperfection in the original such as a blemish or missing page may be replicated in our edition We do however repair the vast majority of imperfections successfully any imperfections that remain are intentionally left to preserve the state of such historical works Scenes from a Courtesan's Life Honoré de Balzac,2013-12 In 1824 at the last opera ball of the season several masks were struck by the beauty of a youth who was wandering about the passages and greenroom with the air of a man in search of a woman kept at home by unexpected circumstances The secret of this behavior now dilatory and again hurried is known only to old women and to certain experienced loungers In this immense assembly the crowd does not trouble itself much to watch the crowd each one s interest is impassioned and even idlers are preoccupied The young dandy was so much absorbed in his anxious quest that he did not observe his own success he did not hear he did not see the ironical exclamations of admiration the genuine appreciation the biting gibes the soft invitations of some of the masks Though he was so handsome as to rank among those exceptional persons who come to an opera ball in search of an adventure and who expect it as confidently as men looked for a lucky coup at roulette in Frascati s day he seemed quite philosophically sure of his evening he must be the hero of one of those mysteries with three actors which constitute an opera ball and are known only to those who play a part in them for to young wives who come merely to say I have seen it to country people to inexperienced youths and to foreigners the opera house must on those nights be the palace of fatigue and dulness

To these that black swarm slow and serried coming going winding turning returning mounting descending comparable only to ants on a pile of wood is no more intelligible than the Bourse to a Breton peasant who has never heard of the Grand livre
