**The Historical Present** Walter Kudrycz, 2011-01-13 Medievalism has become a central concern for those studying and teaching medieval history It can be distinguished from traditional medieval history because it is not directly concerned with the study of the Middle Ages themselves but rather it looks at how ideas about the medieval era operate in modern culture This volume breaks new ground by moving beyond the arena of contemporary popular culture by interpreting modern academic attitudes towards the Middle Ages as themselves forms of medievalism What is presented as refined historical truth is no more than a construction of truth derived from the larger philosophical and cultural trends of our own day This volume argues that modernity's sense of the medieval past is the product of the dominant intellectual movements of the nineteenth century Romanticism and Idealism and that nineteenth century attitudes have continued to inform current understandings of the Middle Ages This is a narrative that combines the main themes of modern scholarship on the medieval age with a subtly portrayed picture of the philosophical culture which produced them

**Peter Comestor's Lectures on the Glossed Gospel of John** Peter Comestor, 2023-10-27 This monograph encompasses the first critical edition translation and historical study of a series of lectures from the cathedral school of Notre Dame Peter Comestor's Glosses on the Glossed Gospel of John Delivered in Paris in the mid 1150s Comestor's expansive lecture course on the Glossa ordinaria on the Gospel of John has survived in no fewer than seventeen manuscript witnesses being preserved in the form of continuous transcripts taken in shorthand by a student reporter reportationes The editor has selected the fifteen best witnesses to produce a critical edition and translation of the first chapter of Comestor's lectures on the Gospel of John In addition to the text of the original lectures the edition includes appendices containing accretions to the lecture materials added by Comestor and his students as well as the corresponding text of the Glossa ordinaria from which Comestor lectured The Latin text and translation of Peter Comestor's lectures are preceded by a wide ranging critical study of the historical and intellectual context of Peter Comestor's biblical teaching This study begins with an outline of Comestor's scholastic career and known works with a detailed introduction to his Gospel lectures and the relevant

historiography Subsequently a survey is made of the intellectual landscape of Comestor's lectures namely the tradition of biblical teaching originating at the School of Laon preserved in the Glossa ordinaria and developed in the classroom by Peter Lombard and a succession of Parisian masters notably Comestor himself The following section examines the portion of the lectures presented in this book encompassing an overview of its contents and structure a description of Comestor's teaching method and scholastic setting a study of the text's sources and a consideration of Comestor's participation and reception in the scholastic tradition The final chapters contain a careful description of the manuscripts and editorial principles adopted in the Latin edition and translation     Introduction to Medieval Europe 300-1500 Wim Blockmans, Peter

**How the Light Gets In** Graham Ward, 2016-02-25 How the Light Gets In Ethical Life I presents a systematic account of the teachings of the Christian faith to offer a vision from a human created and limited perspective of the ways all things might be understood from the divine perspective It explores how Christian doctrine is lived and the way in which beliefs are not simply cognitive sets of ideas but embodied cultural practices Christians learn how to understand the contents of their faith learn the language of the faith through engagements that are simultaneously somatic affective imaginative and intellectual In the first of four volumes Graham Ward examines the complex levels of these engagements through three historical developments in the systematic organization of doctrine the Creeds the Summa and Protestant dogmatics He outlines a methodology for exploring and practicing systematic theology that captures how the faith is lived in cultural social and embodied engagements Ward then unpicks several fundamental theological concepts and how they are to be understood from the point of view of an engaged systematics truth revelation judgement discernment proclamation faith seeking understanding and believing as it relates to and grounds the possibilities for faith This groundbreaking work offers an interdisciplinary investigation through poetry art film the Bible and theological discourse analysing the human condition and theology as the deep dream for salvation The final part relates theology as a lived and ongoing pedagogy concerned with individual and corporate formation to biological life social life and life in Christ Here an approach to living theologically is sketched that is the primary focus for all four volumes ethical life

**Ordering Chaos** Bridget K. Balint, 2009 From c 1100 until c 1170 Latin prosimetrical texts characterized by dialogue allegory and philosophical speculation enjoyed a notable popularity within the cultural ambit of the French cathedral schools Inspired by Boethius's *Consolation of Philosophy* the prosimetrum writers applied his literary techniques to the ethical and anthropological concerns of their own era producing texts of great artistry in the process This book investigates the rise of the Boethian impulse in Latin the innovations of the twelfth century writers the difficulties that arose when they attempted to recapture the certainty that characterized the *Consolation* and the survival of aspects of this literary mode in later Latin and vernacular literature

**The Unity of the Proslogion** John Bayer, 2021-09-20 Interpretations of Anselm's *Proslogion* range between the extremes of rationalism and fideism because of the challenge of unifying its philosophical and devotional aspects In this book Bayer argues that a monastic interpretation or an interpretation that takes seriously the intellectual significance

of our existential commitments offers a powerful compromise Through an extensive study of Anselm s spirituality especially as it is manifested in his letters and homiletic works coupled with a profound study of Anselm s philosophy of language in the De grammatico and Monologion Bayer aims to reveal the Anselmian unity of life and thought and thereby also the harmony between faith and reason In this way he defends the Proslogion as a unified and probative argument      **Natural and Divine Law** Jean Porter,1999 Though the concept of natural law took center stage during the Middle Ages the theological aspects of this august intellectual tradition have been largely forgotten by the modern church In this book ethicist Jean Porter shows the continuing significance of the natural law tradition for Christian ethics Based on a careful analysis of natural law as it emerged in the medieval period Porter s work explores several important scholastic theologians and canonists whose writings are not only worthy of study in their own right but also make important contributions to moral reflection today
