The One-on-One Reading and Writing Conference Jennifer C. Berne, Sophie C. Degener, 2015 Personal interactions are the single most effective way for teachers to understand and evaluate their student as learners Responding specifically to new Common Core State Standards in reading and writing this book introduces pre and inservice teachers to a method of one on one interaction the authors refer to as the stretch conference This book provides detailed practical advice on the logistics of implementing these conferences during the busy school day including tips on how and when to schedule conferences and how to successfully manage the classroom during conference time The authors argue that rather than using valuable conference time for word level concerns and editing teachers should focus on more ambitious goals that will deepen or stretch students skills in comprehension and writing This resource suggests where conferences fit in with other important pieces of literacy instruction introduces a variety of high quality cues to use during conferences and shows how conferences can function as formative assessment for reading and writing skills This book was written by two veteran teacher educators who conduct frequent workshops and professional development with teachers helps teachers adjust their instruction for the demands of Common Core Standards and includes many detailed examples of effective conferences taken from real classrooms

Strategic Reading Groups Jennifer Berne, Sophie C. Degener, 2012-03-02 Differentiated reading instruction An effective model for the middle grades Strategic grouping can transform reading instruction in the middle grades from a hit or miss learning experience to a targeted responsive one This book features a practical and field tested model for small group differentiated reading instruction in Grades 4-8 The authors offer a clear detailed discussion of how to position this instruction inside middle school language arts or reading classrooms and simple effective strategies for classroom management groupings and assessment This text explains how to Balance brief strategic reading lessons with whole class work Structure and guide reading groups consistently Assess students before and during reading groups Cue students and gauge understanding as they read
