**Resources in Education**, 2001 **The School Portfolio** Victoria. L Bernhardt, 2014-05-22 A school portfolio is the most effective way to ensure your school's success at systemic reform Extensively tested it is a non-threatening self-assessment tool which exhibits a school's goals achievements and vision for improvement This book will show you how to develop a school portfolio tailored to your particular school and vision **The State of the System** Paul W. Bennett, 2020-09-23 Over the last fifty years Canada's public schools have been absorbed into a modern education system that functions much like Max Weber's infamous iron cage Crying out for democratic school level reform the system is now a centralized bureaucratic fortress that every year becomes softer on standards for students less accessible to parents further out of touch with communities and surprisingly unresponsive to classroom teachers Exploring the nature of the Canadian education order in all its dimensions The State of the System explains how public schools came to be so bureaucratic confronts the critical issues facing kindergarten to grade 12 public schools in all ten provinces and addresses the need for systemic reform Going beyond a diagnosis of the stresses strains and ills present in the system Paul Bennett proposes a bold plan to re-engineer schools on a more human scale as the first step in truly reforming public education In place of school consolidation and managerialism one size fits all uniformity limited school choice and the success for all curriculum Bennett advocates for a new set of priorities decentralize school governance deprogram education ministries and school districts listen to parents and teachers and revitalize local education democracy Tackling the thorny issues besetting contemporary school systems in Canada The State of the System issues a clarion call for more responsive engaged and accountable public schools **Jsl Vol 4-N3** JOURNAL OF SCHOOL LEADERSHIP, 1994-05-01 The Journal of School Leadership is broadening

International Handbook of Leadership for Learning Tony Townsend, John MacBeath, 2011-07-10 The International Handbook of Leadership for Learning brings together chapters by distinguished authors from thirty one countries in nine different regions of the world The handbook contains nine sections that provide regional overviews a consideration of theoretical and contextual aspects system and policy approaches that promote leadership for learning with a focus on educating school leaders for learning and the role of the leader in supporting learning It also considers the challenge of educating current leaders for this new perspective and how leaders themselves can develop leadership for learning in others and in their organisations especially in diverse contexts and situations The final chapter considers what we now know about leadership for learning and looks at ways this might be further improved in the future The book provides the reader with an understanding of the rich contextual nature of learning in schools and the role of school leaders and leadership development in promoting this It concludes that the preposition for between the two readily known and understood terms of leadership and learning changes everything as it foregrounds learning and complexifies rather than simplifies what that word may mean Whereas common terms such as instructional leadership reduce learning to outcomes leadership for learning embraces a much wider developmental view of learning

This guide presents useful research findings and best practice information about developing parent and family involvement programs. The first chapter focuses on reporting research findings on parent involvement and highlights pertinent findings on how parent involvement benefits students, parents, teachers, school quality, and program designs. Chapters 2 through 7 each focus on a specific program standard for establishing quality parent and family involvement programs. These are 1 communicating, 2 parenting, 3 student learning, 4 volunteering, 5 school decision making and advocacy, and 6 collaborating with the community. Chapter 8 focuses on important issues to consider when developing parent involvement programs, including overcoming barriers and knowing how to reach out to key players. Chapter 9 examines three important activities for program development, and chapter 10 summarizes the main ideas in the guide. Four appendixes contain a National PTA position statement on parent and family involvement, parent and faculty survey responses, forms, and worksheets for program implementation, and a list of resources. Contains 60 references.
