School Choice And Social Justice:

School Choice and Social Justice Harry Brighouse, 2000-02-17 School choice the leading educational reform proposal in the English speaking world today evokes extreme responses its defenders present it as the saviour its opponents as the death knell of a fair educational system Disagreement and vagueness about what constitutes social justice in education muddies the debate The author provides a new theory of justice for education arguing that justice requires that all children have a real opportunity to become autonomous persons and that the state use a criterion of educational equality for deploying educational resources Through systematic presentation of empirical evidence the author argues that existing schemes do not fare well against the criterion of social justice yet this need not impugn school choice Brighouse offers a school choice proposal that could implement social justice and explains why other essential educational reforms can be compatible with choice

School Choice and Social Justice Harry Brighouse, 2000 School Choice and Social Justice develops a liberal egalitarian theory of social justice in education Looking at the most recent empirical evidence it evaluates the justice of existing choice schemes and proposes a series of reforms *School Choice and Social Justice* Harry Brighouse, 2003 School choice the leading educational reform proposal in the English speaking world today evokes extreme responses its defenders present it as the saviour its opponents as the death knell of a fair educational system Disagreement and vagueness about what constitutes social justice in education muddies the debate The author provides a new theory of justice for education arguing that justice requires that all children have a real opportunity to become autonomous persons and that the state use a criterion of educational equality for deploying educational resources Through systematic presentation of empirical evidence the author argues that existing schemes do not fare well against the criterion of social justice yet this need not impugn school choice Brighouse offers a school choice proposal that could implement social justice and explains why other essential educational reforms can be compatible with choice [School Choice and Social Justice \[electronic Resource.\]](#)

Harry Brighouse, 2002 [School Choice and Social Controversy](#) Stephen D. Sugarman, Frank R.

Kemerer, 2011-12-01 In this important new volume distinguished legal and public policy scholars address issues that are critical to the successful drafting and implementation of school choice programs yet are usually overlooked in the choice debate They explore whether school choice is a threat or an opportunity to the many children who are largely deprived of choice today and they offer a variety of perspectives with some authors enthusiastic others more skeptical The book begins with a discussion of the types and extent of school choice what is known about its consequences and how politics has influenced its development It then focuses on three important public policy issues how school choice can revolutionize the way schools are financed what policy interventions are necessary to increase the supply of choice schools and how choice programs can be held accountable to parents and the state without undermining institutional autonomy The book addresses legal issues including whether public and private choice schools will be required to observe student and teacher rights

generally recognized in traditional public schools how the religion and speech clauses of the First Amendment may affect the participation of religious schools in school choice programs whether school choice will enhance or aggravate opportunities for racial justice what the implications of school choice are for teacher unions and collective bargaining and whether children with disabilities will be accommodated in school choice programs under federal disability law Throughout the book the authors offer recommendations for public policy development The contributors are Jeffrey Henig Robert Bulman and David L Kirp Paul T Hill Robert M O Neil Jesse H Choper Betsy Levin William G Buss and Laura F Rothstein Stephen D Sugarman is Agnes Roddy Robb Professor of Law at the University of California Berkeley Frank R Kemerer is Regents Professor and director of the Center for

Key Issues in Education and Social Justice Emma Smith, 2018-06-14 This highly accessible book weaves together discussion of recent research findings policy developments and theoretical perspectives It provides a thought provoking and at times contentious introduction that will challenge students and teachers to look beyond the easy and glib rhetoric helping them understand the complexities of educating for a more equal world Shereen Benjamin Senior Lecturer in Primary Education University of Edinburgh This book is an introduction to issues of inequality and social justice how they relate to education systems and how education can be a force for positive societal change Drawing upon research policy and contemporary thinking in the field this second edition examines educational inequalities that exist today what lies behind them and what effects they have across society New to this edition Wider coverage on social inequalities in relation to income and wealth New chapters on childhood inequalities international issues in education and social justice and education inequalities in the USA A broader focus on how young people experience social justice that includes the experiences of young offenders This is essential reading for students on undergraduate education studies courses and related degree programmes that explore the relationship between education and society

Education and Social Justice Stephen Gorard, 2000 A comprehensive appraisal of the quality of education in Britain comprising a study of the far reaching implications of the changing composition of schools on the educational system in the context of social justice and opportunities based on original research and detailed analysis

Clashing Views on Social Issues Kurt Finsterbusch, 2007-04 This EXPANDED Fourteenth Edition of TAKING SIDES SOCIAL ISSUES provides two additional current controversial issues All of the issues are presented in a debate style format designed to stimulate student interest and develop critical thinking skills Each issue is thoughtfully framed with an issue summary an issue introduction and a postscript An instructor s manual with testing material is available for each volume USING TAKING SIDES IN THE CLASSROOM is also an excellent instructor resource with practical suggestions on incorporating this effective approach in the classroom Each TAKING SIDES reader features an annotated listing of selected World Wide Web sites and is supported by our student website www.mhcls.com online

The Case for Parental Choice John E. Coons, 2023-03-15 This work makes a richly humanitarian case for parental school choice seeking to advance social justice

and respect the dignity of parents especially those on the margins For decades arguments in favor of school choice have largely been advanced on the basis of utility or outcome rather than social justice and human dignity The Case for Parental Choice God Family and Educational Liberty offers a compelling and humanitarian alternative This volume contains an edited collection of essays by John E Coons a visionary legal scholar and ardent supporter of what is perhaps best described as a social justice case for parental school choice Few have written more prodigiously or prophetically about the need to give parents particularly poor parents power over their children s schooling Coons has been an advocate of school choice for over sixty years and indeed remains one of the most articulate proponents of a case for school choice that promotes both low income parents and civic engagement as opposed to mere efficiency or achievement His is a distinctively Catholic voice that brings powerful normative arguments to debates that far too often get bogged down in disputes about cost savings and test scores The essays collected herein treat a wide variety of topics including the relationship between school choice and individual autonomy the implications of American educational policy for social justice equality and community the impact of public schooling on low income families and the religious implications of school choice Together these pieces make for a wide ranging and morally compelling case for parental choice in children s schooling School Choice and Social Controversy Stephen D. Sugarman, Frank R. Kemerer, 1999 In this important new volume distinguished legal and public policy scholars address issues that are critical to the successful drafting and implementation of school choice programs yet are usually overlooked in the choice debate They explore whether school choice is a threat or an opportunity to the many children who are largely deprived of choice today and they offer a variety of perspectives with some authors enthusiastic others more skeptical The book begins with a discussion of the types and extent of school choice what is known about its consequences and how politics has influenced its development It then focuses on three important public policy issues how school choice can revolutionize the way schools are financed what policy interventions are necessary to increase the supply of choice schools and how choice programs can be held accountable to parents and the state without undermining institutional autonomy The book addresses legal issues including whether public and private choice schools will be required to observe student and teacher rights generally recognized in traditional public schools how the religion and speech clauses of the First Amendment may affect the participation of religious schools in school choice programs whether school choice will enhance or aggravate opportunities for racial justice what the implications of school choice are for teacher unions and collective bargaining and whether children with disabilities will be accommodated in school choice programs under federal disability law Throughout the book the authors offer recommendations for public policy development The contributors are Jeffrey Henig Robert Bulman and David L Kirp Paul T Hill Robert M O Neil Jesse H Choper Betsy Levin William G Buss and Laura F Rothstein Stephen D Sugarman is Agnes Roddy Robb Professor of Law at the University of California Berkeley Frank R Kemerer is Regents Professor and director of the Center for the Study of Education Reform at the University of North Texas **The Politics of**

School Choice Hubert Morken, Jo Renee Formicola, 1999-09-08 The Politics of School Choice is the first comprehensive examination of diverse efforts to promote tax credits public vouchers private scholarships and charter schools Morken and Formicola provide the most current national report on the burgeoning American school choice movement They analyze the strategies and tactics being used by a wide variety of individuals and organizations to leverage change pass laws win court cases and mobilize community support to build successful winning school choice coalitions Based largely on extensive interviews documentary research and surveys this book covers the spectrum of school choice options and shows how they are being promoted in the United States today It explains who the players are what types of programs they endorse and the various rationales behind them The authors report the views of the entrepreneurs religious leaders heads of think tanks and foundations public litigators scholars activists minority leaders and politicians who are in the forefront of providing parents with resources for educational alternatives Finally Morken and Formicola cover the strengths and weaknesses of the school choice issue concluding that the movement has a wide ranging membership that is uneven in its implementation and that it is taking different forms in various regions of the country As the pace of change accelerates and new school choice programs proliferate this study is a critical resource for all those concerned about the present and future status of American education

Re-framing Educational Politics for Social Justice Catherine Marshall, Cynthia I. Gerstl-Pepin, 2005 The new Benjamin January novel from the best selling author Abishag Shaw is seeking vengeance for his brother's murder and Benjamin January is seeking money after his bank crashes Far beyond the frontier in the depths of the Rocky Mountains both are to be found at the great Rendezvous of the Mountain Men a month long orgy of cheap booze shooting matches tall tales and cut throat trading But at the rendezvous the discovery of a corpse opens the door to hints of a greater plot of madness and wholesale murder **Choice**, 2008 **Florida Law Review**, 2001 Social Theory and Practice, 2007

Market-driven Education Reform and Curriculum Commodification Youl-Kwan Sung, 2004 **Leadership for Social Justice** Catherine Marshall, Maricela Oliva, 2006 This reader on key issues in Social Justice is written by well known experts in the area and edited by the leading authorities in the field The book is divided into 3 distinct parts Re defining Leadership for Social Justice Preparing Social Justice Leaders and Next Steps to mobilize to action as well as to make information accessible and useful This book challenges leaders educators and researchers to be effective advocates for social justice It demonstrates how the current realities in educational leadership training and in school practices re create inequities It provides an array of ways of understanding the effects of exclusionary practices as well as constructive exercises and materials for those who will lead students and staffs to create equitable practices **Environment and Planning**, 2001 *Environment & Planning*, 2001

Embracing the Tune of Term: An Psychological Symphony within **School Choice And Social Justice**

In a global used by screens and the ceaseless chatter of fast interaction, the melodic splendor and mental symphony developed by the published word often fade in to the backdrop, eclipsed by the constant sound and disturbances that permeate our lives.
