Sons and Daughters. A guide to parents in the choice of educational institutions preparatory to professional or other occupation of their children, etc** Robert Kemp Philp,1872      *School Choice* David Harmer,1994 What school choice will mean and how we get it      **School Choice** Brown Center on Education Policy,2011-07-01 In going about its work the commission reviewed the possible effects of school choice in light of the core value of public education that all children should be thoroughly educated so that they may pursue their own dreams and contribute to a democratic egalitarian and prosperous American society Drawing from that premise the commission explored choice in terms of four key issues benefits to children whose parents choose new schools benefits to children whose families do not exercise choice effects on the national commitment to equal opportunity and school desegregation and advancement of social cohesion and common democratic values      **Rethinking School Choice** Jeffrey R. Henig,1995-07-24 Advocates of school vouchers and other choice proposals couch their arguments in the fashionable language of economic theory Choice initiatives at all levels of government have succeeded it is claimed because they shift responsibility for education reform from government to market forces This timely book disputes the appropriateness of the market metaphor as a guide to education policy      **Regional Strategy Meetings on Choice in Education** ,1989      The Economics of School Choice Caroline M. Hoxby,2007-11-01

Now that the U S Supreme Court has declared school voucher programs constitutional the many unanswered questions concerning the potential effects of school choice will become especially pressing Contributors to this volume draw on state of the art economic methods to answer some of these questions investigating the ways in which school choice affects a wide range of issues Combining the results of empirical research with analyses of the basic economic forces underlying local education markets *The Economics of School Choice* presents evidence concerning the impact of school choice on student achievement school productivity teachers and special education It also tackles difficult questions such as whether school choice affects where people decide to live and how choice can be integrated into a system of school financing that gives children from different backgrounds equal access to resources Contributors discuss the latest findings on Florida s school choice program as well as voucher programs and charter schools in several other states The resulting volume not only reveals the promise of school choice but examines its pitfalls as well showing how programs can be designed that exploit the idea s potential but avoid its worst effects With school choice programs gradually becoming both more possible and more popular this book stands out as an essential exploration of the effects such programs will have and a necessary resource for anyone interested in the idea of school choice *Learning from School Choice* Paul E. Peterson, Bryan C. Hassel, 1998-07-01 While educators parents and policymakers are still debating the pros and cons of school choice it is now possible to learn from choice experiments in public private and charter schools across the country This book examines the evidence from these early school choice programs and looks at the larger implications of choice and competition in education Paul Peterson makes a strong case for school choice in central cities and coeditor Bryan Hassel offers the case for charter schools John E Brandl offers his vision of school governance in the next century The book s other contributors economists political scientists and education specialists provide case studies of the experience with voucher programs in Indianapolis San Antonio Cleveland and Milwaukee survey charter schools analyze public school choice discuss constitutional issues and study the effects of private education on democratic values Contributors include David J Armor George Mason University Chester E Finn Jr and Bruno V Manno Hudson Institute Caroline M Hoxby Harvard University Brett M Peiser Partnerships in Learning and Joseph P Viteritti New York University *Public School Choice* Frank J.
