Pseudonyms are used throughout his story, but he is real, and so are the people, events, and locations herein. Why Ed Noyce? Ed was identified by an expert panel as an effective school superintendent. Asked for his comments, the real Ed Noyce wrote: "I am also grateful to those staff members, school board members, and others who agreed to participate. It can be quite threatening to have an unknown observer attending meetings at which private feelings and opinions are being shared. Yet, to the best of my recollection, no one showed even the slightest hesitation having an unknown observer recording their every move. The researcher deserves much credit for the way he managed to put others at ease." ABOUT THE ETHNOLOGY Naturalistic observations were collected, digested, collated, and curated to provide a cultural portrait. The purpose was to better understand superintendent leadership.
