University High School Journal, 1929 *1970 Census of Population and Housing* United States. Bureau of the Census, 1971 Interaction Effects in Multiple Regression James Jaccard, Robert Turrissi, 2003-03-05 Interaction Effects in Multiple Regression has provided students and researchers with a readable and practical introduction to conducting analyses of interaction effects in the context of multiple regression The new addition will expand the coverage on the analysis of three way interactions in multiple regression analysis *A Decade of Research on School Principals* Helene Årlestig, Christopher Day, Olof Johansson, 2015-11-13 This book provides a unique map of the focus and directions of contemporary research on school leadership since 2000 in 24 countries Each of these directions has its own particular cultural educational and policy history Taken together the various chapters in the volume provide a rich and varied mosaic of what is currently known and what is yet to be discovered about the roles and practices of principals and their contributions to the improvement of teaching and the learning and achievement of students The particular foci and methodological emphases of the research reported illustrate the different phases in the development of educational policies and provision in each country This collection is an important addition to existing international research that has shown beyond any reasonable doubt that the influence of school principals is second only to that of teachers in their capacity to impact students progress and achievement and to promote equity and social justice *School & Society* James McKeen Cattell, Will Carson Ryan, Raymond Walters, 1921 *School and Society ...*, 1921 *School & Society*, 1921 **Shipboard Electronics Material Officer** Earl F.
