**Sex with Kings** Eleanor Herman, 2009-03-17 Throughout the centuries royal mistresses have been worshiped feared envied and reviled They set the fashions encouraged the arts and in some cases ruled nations Eleanor Herman's Sex with Kings takes us into the throne rooms and bedrooms of Europe's most powerful monarchs Alive with flamboyant characters outrageous humor and stirring poignancy this glittering tale of passion and politics chronicles five hundred years of scintillating women and the kings who loved them Curiously the main function of a royal mistress was not to provide the king with sex but with companionship Forced to marry repulsive foreign princesses kings sought solace with women of their own choice And what women they were From Madame de Pompadour the famous mistress of Louis XV who kept her position for nineteen years despite her frigidity to modern day Camilla Parker Bowles who usurped none other than the glamorous Diana Princess of Wales The successful royal mistress made herself irreplaceable She was ready to converse gaily with him when she was tired make love until all hours when she was ill and cater to his every whim Wearing a mask of beaming delight over any and all discomforts she was never to be exhausted complaining or grief stricken True financial rewards for services rendered were of royal proportions some royal mistresses earned up to 200 million in titles pensions jewels and palaces Some kings allowed their mistresses to exercise unlimited political power But for all its grandeur a royal court was a scorpion s nest of insatiable greed unquenchable lust and vicious ambition Hundreds of beautiful women vied to unseat the royal mistress Many would suffer the slings and arrows of negative public opinion some met with tragic ends and were pensioned off to make room for younger women But the royal mistress often had the last laugh as she lived well and richly off the fruits of her sins From the dawn of time power has been a mighty aphrodisiac With diaries personal letters and diplomatic dispatches Eleanor Herman's trailblazing research reveals the dynamics of sex and power rivalry and revenge at the most brilliant courts of Europe Wickedly witty and endlessly entertaining Sex with Kings is a chapter of women s history that has remained unwritten until now Royal Romances Leslie Carroll, 2012-11-06 More breathtaking than any fairy tale here are seven scandalous seductive centuries of all for love royal desire Elegant palaces dazzling power plays shimmering jewels and the grandest of all or nothing gambles nothing can top real life love among the royalty Louis XIV defied God and law permitting his married mistress Madame de Montespan to usurp the role of Queen of France then secretly wed her successor Madame de Maintenon Grigory Potemkin was a worthy equal in Catherine the Great's bed as well as in Russia's political arena Dashing Count Axel von Fersen risked everything to save Marie Antoinette s life more than once and may have returned her passion The unshakable devotion of the beloved late Queen Mum helped King George VI triumph over his and England's darkest hours And the unpretentious timelessly glamorous even relatable union of Prince William and the former Kate Middleton continues to enthrall the world Full of marvelous tales unforgettable scandals and bedazzled nobles who refused to rule their hearts this delightfully insightful book is what the sweetest royal dreams are made of Night Owl

Reviews Magazine, Issue 9, Agnes Lake Hickok Carolyn M. Bowers, Linda A. Fisher, 2012-11-19 The first woman in America to own and operate a circus Agnes Lake spent thirty years under the Big Top before becoming the wife of Wild Bill Hickok a mere five months before he was killed Although books abound on the famous lawman Agnes s life has remained obscured by circus myth and legend Linda A Fisher and Carrie Bowers have written the first biography of this colorful but little known circus performer Agnes originally found fame as a slack wire walker and horseback rider and later as an animal trainer Her circus career spanned more than four decades Following the murder of her first husband Bill Lake she was the sole manager of the Hippo Olympiad and Mammoth Circus While taking her show to Abilene she met town marshal Hickok and five years later she married him After Hickok s death Agnes traveled with P T Barnum and Buffalo Bill Cody and managed her daughter Emma Lake s successful equestrian career This account of a remarkable life cuts through fictions about Agnes s life including her own embellishments to uncover her true story Numerous illustrations including rare photographs and circus memorabilia bring Agnes s world to life The Creation of the French Royal Mistress Tracy Adams, Christine Adams, 2020-03-16 Kings throughout medieval and early modern Europe had extraconjugal sexual partners Only in France however did the royal mistress become a guasi institutionalized political position. This study explores the emergence and development of the position of French royal mistress through detailed portraits of nine of its most significant incumbents Agn s Sorel Anne de Pisseleu d Heilly Diane de Poitiers Gabrielle d Estr es Fran oise Louise de La Baume Le Blanc Fran oise Ath na s de Rochechouart de Mortemart Fran oise d'Aubign Jeanne Antoinette Poisson and Jeanne B cu Beginning in the fifteenth century key structures converged to create a space at court for the royal mistress The first was an idea of gender already in place that while women were legally inferior to men they were men s equals in competence Because of their legal subordinacy queens were considered to be the safest regents for their husbands and subsequently the royal mistress was the surest counterpoint to the royal favorite Second the Renaissance was a period during which people began to experience space as theatrical This shift to a theatrical world opened up new ways of imagining political guile which came to be positively associated with the royal mistress Still the role had to be activated by an intelligent charismatic woman associated with a king who sought women as advisors The fascinating particulars of each case are covered in the chapters of this book Thoroughly researched and compellingly narrated this important study explains why the tradition of a politically powerful royal mistress materialized at the French court but nowhere else in Europe It will appeal to anyone interested in the The Writers Directory, 2013 history of the French monarchy women and royalty and gender studies Talking Book Cassette Books Library of Congress.
