Sexual Behavior In The 1970s:

Contemporary Sexual Behavior American Psychopathological Association. Meeting, 1976 **Sexual Behavior in the Human Female** Alfred C. Kinsey, Institute for Sex Research, 1998-05-22 On female sexuality *Sexual Behavior in the 1970s* Morton M. Hunt, 1974 **Contemporary Sexual Behavior** American Psychopathological Association, American Psychopathological Association Staff, John Money, Joseph Zubin, 1973 **Handbook of Human Sexuality** Benjamin B. Wolman, 1993 Presents a survey of what is known about sexual disorders and their treatment It covers all the therapeutic approaches to sexual dysfunction psychoanalytic behavioural Masters and Johnson s Helen Kaplan s and the holistic *Adolescent Sexual Behavior and Childbearing* Laurie Schwab Zabin, Sarah C. Hayward, 1993 The topic of adolescent pregnancy and childbearing encompasses issues related to sexual activity development and parenting each with its own consequences This volume integrates these issues by examining research from diverse perspectives the authors discuss the biological sociocultural and interpersonal forces that impinge on adolescents The volume focuses on patterns of sexual activity contraceptive use abortion single parenthood adolescent relationships prenatal care and interventions to prevent unwanted adolescent pregnancies *Sexual Behavior* Nathaniel McConaghy, 2013-11-21 Many issues remain unresolved in sexuality In some cases this is because the information is not available to resolve them In others it is but the available conclusions the information supports block its acceptance because they conflict with the positions of dominant groups in the politics of sexuality Possibly the most obvious example is the determination of many theorists to ignore the evidence that while men rarely report being sexually assaulted when questioned in community surveys they make up a third of the victims and a quarter of the perpetrators of sexual assault are women These findings are incompatible with the feminist theory that sexual assault is not a sexual act but normal male behavior motivated politically to maintain men s dominance of women Most research supporting the theory investigated women only as victims and men only as aggressors Some feminists have dismissed the need for any research to support their beliefs on the ground that such research is busy work establishing what women already know One belief considered not to require research is that heterosexual pornography made for a male audience increases the prevalence of rape by encouraging rape supportive attitudes of male aggression and female submission No criticism has been directed at the soft core pornography of Mills and Boon stories written for women that promote similar attitudes *Lou Sullivan Diaries (1970-1980) and Theories of Sexual Embodiment* Lanei M. Rodemeyer, 2017-09-05 This book highlights the intersection between theory and lived experience academic description and the personal narrative of Lou Sullivan Sullivan puzzled in his diaries over the conundrum of his desire to transition from female to male in order to be a gay man The reader will follow Sullivan as he struggles with his feelings of maleness in his troubled relationship with his lover Tom through his many sexual escapades and finally as he begins taking hormones Alongside the diaries is an engagement with body and gender theories accessible to the introductory reader yet also taking

up current debates especially in transgender studies **AIDS, Sexual Behavior, and Intravenous Drug Use** National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Committee on AIDS Research and the Behavioral, Social, and Statistical Sciences, 1989-02-01 The AIDS virus is spread by human behaviors enacted in a variety of social situations In order to prevent further infection we need to know more about these behaviors This volume explores what is known about the number of people infected risk associated behaviors facilitation of behavioral change and barriers to more effective prevention efforts **Youth and Sexuality in the Twentieth-Century United States** John C. Spurlock, 2015-07-16 When did the sexual revolution happen Most Americans would probably say the 1960s In reality young couples were changing the rules of public and private life for decades before By the early years of the twentieth century teenagers were increasingly free of adult supervision and taking control of their sexuality in many ways Dating going steady necking petting and cohabiting all provoked adult hand wringing and advice most of it ignored By the time the media began announcing the arrival of a sexual revolution it had been going on for half a century Youth and Sexuality in the Twentieth Century United States tells this story with fascinating revelations from both personal writings and scientific sex research John C Spurlock follows the major changes in the sex lives of American youth across the entire century considering how dramatic revolutions in the culture of sex affected not only heterosexual relationships but also gay and lesbian youth and same sex friendships The dark side of sex is also covered with discussion of the painful realities of sexual violence and coercion in the lives of many young people Full of details from first person accounts this lively and accessible history is essential for anyone interested in American youth and sexuality *Issues in Sexuality and Sexual Behavior Research: 2013 Edition* , 2013-05-01 Issues in Sexuality and Sexual Behavior Research 2013 Edition is a ScholarlyEditions book that delivers timely authoritative and comprehensive information about Sexuality The editors have built Issues in Sexuality and Sexual Behavior Research 2013 Edition on the vast information databases of ScholarlyNews You can expect the information about Sexuality in this book to be deeper than what you can access anywhere else as well as consistently reliable authoritative informed and relevant The content of Issues in Sexuality and Sexual Behavior Research 2013 Edition has been produced by the world s leading scientists engineers analysts research institutions and companies All of the content is from peer reviewed sources and all of it is written assembled and edited by the editors at ScholarlyEditions and available exclusively from us You now have a source you can cite with authority confidence and credibility More information is available at <http://www.ScholarlyEditions.com> *An Insider's View of Sexual Science Since Kinsey* Ira L. Reiss, 2006-03-27 Ira Reiss presents to those interested in the work of sexual science a view of this field The text provides a personal account of the author s experiences in sexual science that helps the reader understand many of the major issues that confront those in sexual science *Sexuality in Close Relationships* Kathleen McKinney, Susan Sprecher, 2014-05-22 This is one of the first volumes to examine the interface between research undertaken in sexuality and

that in close relationships from a social psychological perspective Experts from several different disciplines offer chapters that contain theory extant literature and their own original research on such topics as jealousy extradyadic sexuality communication love and sexual coercion Aimed at a fairly wide audience this book will be of interest to students faculty and other professionals in social psychology sociology communication and family and women s studies It is also a valuable source of information for teachers researchers and clinicians working in the areas of human sexuality and or close relationships

Intimate Matters John D'Emilio, Estelle B. Freedman, 1997 The first full length study of the history of sexuality in America Intimate Matters offers trenchant insights into the sexual behavior of Americans from colonial times to today D Emilio and Freedman give us a deeper understanding of how sexuality has dramatically influenced politics and culture throughout our history The book John D Emilio co wrote with Estelle B Freedman Intimate Matters was cited by Supreme Court Justice Anthony Kennedy when writing for a majority of court on July 26 he and his colleagues struck down a Texas law criminalizing sodomy The decision was widely hailed as a victory for gay rights and it derived in part according to Kennedy s written comments from the information he gleaned from D Emilio s book which traces the history of American perspectives on sexual relationships from the nation s founding through the present day The justice mentioned Intimate Matters specifically in the court s decision Julia Keller Chicago Tribune

Fascinating D Emilio and Freedman marshal their material to chart a gradual but decisive shift in the way Americans have understood sex and its meaning in their lives Barbara Ehrenreich New York Times Book Review With comprehensiveness and care D Emilio and Freedman have surveyed the sexual patterns for an entire nation across four centuries Martin Bauml Duberman Nation Intimate Matters is comprehensive meticulous and intelligent Jonathan Yardley Washington Post Book World This book is remarkable Intimate Matters is bound to become the definitive survey of American sexual history for years to come Roy Porter Journal of the History of the Behavioral Sciences Sexual Deviance and Sexual Deviants Erich Goode, Richard R. Knobil and Neill's Physiology of Reproduction Tony M. Plant, Anthony J. Zelen, 2014-11-15 The Fourth Edition of Knobil and Neill continues to serve as a reference aid for research to provide the historical context to current research and most importantly as an aid for graduate teaching on a broad range of topics in human and comparative reproduction In the decade since the publication of the last edition the study of reproductive physiology has undergone monumental changes Chief among these advances are in the areas of stem cell development signaling pathways the role of inflammation in the regulatory processes in the various tissues and the integration of new animal models which have led to a greater understanding of human disease The new edition synthesizes all of this new information at the molecular cellular and organismal levels of organization and present modern physiology a more understandable and comparative context The Fourth Edition has been extensively revised reflecting new fundamental advancements in this rapidly advancing field Provides a common language for researchers across the fields of physiology endocrinology and biology to discuss their understanding of reproduction Saves academic researchers time in quickly accessing the very latest details on reproductive physiology as opposed to searching through thousands of journal articles *The 1970s* Thomas Borstelmann, 2013-02-24 A compelling framework for understanding the importance of the 1970s for America and the world The 1970s looks at an iconic decade when the cultural left and economic right came to the fore in American society and the world at large While many have seen the 1970s as simply a period of failures epitomized by Watergate inflation the oil crisis global unrest and disillusionment with military efforts in Vietnam Thomas Borstelmann creates a new framework for understanding the period and its legacy He demonstrates how the 1970s increased social inclusiveness and at the same time encouraged commitments to the free market and wariness of government As a result American culture and much of the rest of the world became more and less equal Borstelmann explores how the 1970s forged the contours of contemporary America Military political and economic crises undercut citizens confidence in government Free market enthusiasm led to lower taxes a volunteer army individual 401 k retirement plans free agency in sports deregulated airlines and expansions in gambling and pornography At the same time the movement for civil rights grew promoting changes for women gays immigrants and the disabled And developments were not limited to the United States Many countries gave up colonial and racial hierarchies to develop a new

formal commitment to human rights while economic deregulation spread to other parts of the world from Chile and the United Kingdom to China Placing a tempestuous political culture within a global perspective The 1970s shows that the decade wrought irrevocable transformations upon American society and the broader world that continue to resonate today
