

Sexual Expression

Peter F Buckley

Sexual Expression:

Encyclopedia of Sex and Sexuality Heather L. Armstrong, 2021-03-01 Providing a comprehensive framework for the broad subject of human sexuality this two volume set offers a context of historical development scientific discovery and sociopolitical and sociocultural movements The broad topic of sex encompassing subjects as varied as sexuality sexual and gender identity abortion and such crimes as sexual assault is one of the most controversial in American society today This two volume encyclopedic set provides readers with more than 450 entries on the subject offering a comprehensive overview of major sexuality issues in American and global culture Themes that run throughout the volumes include sexual health and reproduction sexual identity and orientation sexual behaviors and expression the history of sex and sexology and sex and society Entries cover a breadth of subjects such as the major contributors to the field of sexology the biological psychological and cultural dimensions of sex and sexuality and how the modern day political climate and the government play a major role in determining attitudes and beliefs about sex Written in clear jargon free language this set is ideal for students as well as general readers

Sensuality and Sexuality Across the Divide of Shame Joseph D. Lichtenberg, 2011-02-25 Placed in a historical context sexuality was once so prominent in psychoanalytic writing that sexual drive and psychoanalysis were synonymous The exciting discovery of childhood sexuality filled the literature Then other discoveries came to the fore until sexuality slipped far in the background This book evokes the excitement of the original discoveries of childhood sexual experience while linking childhood sensuality and sexuality to adult attachment romantic and lustful love This revised perspective offers the general reader insight into contemporary psychoanalytic thought and presents clinicians with a perspective for exploring their patients sensuality and sexuality with renewed interest and knowledge

Love, Heterosexuality and Society Paul Johnson, 2007-04-11 Heterosexuality is a largely silent set of practices and identities it is assumed to be everywhere and yet often remains unnamed and unexplored Despite recent changes in the theoretical understanding and representation of sexuality heterosexuality continues to be socially normative Forging a new agenda for the study of heterosexuality this in depth volume the first research monograph to focus on heterosexuality and society presents an empirical study of the construction negotiation and enactment of heterosexual sexuality Using detailed interview data it investigates how heterosexuality as both an identity and a set of practices is accomplished through love relationships Rather than assuming that romantic love is an outcome or expression of a pre defined sexuality Johnson explores how sexuality is brought to life through love Situated in the ongoing theoretical debates concerning the relationship between gender and sexuality Paul Johnson s book shows how ways of loving are interwoven with the construction practice regulation and government of heterosexuality Excellently written this important book also looks at gender in society and explores such areas as heterosexual subjectivities and the borders of desire As such the research it contains will be valuable for all students of sociology and gender studies

Foundations of Mental Health Care - E-Book Michelle Morrison-Valfre, 2012-10-01

The Sage Encyclopedia of Multicultural Counseling, Social Justice, and Advocacy Shannon B. Dermer, Jahaan R. Abdullah, 2023-11-21 Since the late 1970s there has been an increase in the study of diversity inclusion race and ethnicity within the field of counseling The SAGE Encyclopedia of Multicultural Counseling Social Justice and Advocacy will comprehensively synthesize a wide range of terms concepts ideologies groups and organizations through a diverse lens This encyclopedia will include entries on a wide range of topics relative to multicultural counseling social justice and advocacy and the experiences of diverse groups The encyclopedia will consist of approximately 600 signed entries arranged alphabetically within four volumes

Christianity and the Laws of Conscience Jeffrey B. Hammond, Helen M. Alvare, 2021-06-24 This book explores the Christian theological legal constitutional historical and philosophical meanings of conscience for both scholarly and educated general audiences

Sexuality and the Sacred James B. Nelson, Sandra P. Longfellow, 1994-01-01 This volume is rooted in two convictions first sexuality is far more comprehensive and more fundamental to our existence than simply genital sex and second sexuality is intended by God to be neither incidental nor

detrimental to our spirituality but a fully integrated and basic dimension of that spirituality The authors address what our sexual experience reveals about God the ways we understand the gospel and the ways we read scripture and tradition and attempt to live faithfully *Sexuality and Aging* Jennifer Hillman,2012-03-27 Despite continuing ageist beliefs that sexuality is a privilege designed only for the young and physically healthy research continues to indicate that the majority of older adults maintain interest in sexuality and may engage in fulfilling sexual behavior well into their last decade of life Unfortunately many professionals remain unaware of general knowledge of elderly sexuality including the expected and normal physiological changes that can occur within the context of both male and female aging The presence of chronic illness and other medical problems certainly can influence the expression of an aging adult s sexuality and emergent research suggests that there are effective ways to cope with menopause heart disease arthritis incontinence diabetes sleep disorders breast cancer prostate cancer and erectile dysfunction ED among others Dramatic changes have taken place within the last decade alone in terms of non surgical treatment for incontinence and ED with forms of sex therapy biofeedback and PDE 5 inhibitors Regrettably many aging adults and their care providers remain unaware of their increased risk factors for STDs including HIV infection via lack of knowledge changes in the vaginal lining and typical declines in immune function Estimates suggest that by the year 2020 more than half of all individuals living with HIV will be over the age of 50 Although some high quality professional books are available for clinicians they tend to be disjointed research bibliographies edited volumes on a narrowly focused aspect of elderly sexuality or texts that are more than 10 years old With the extent of new information available regarding sexuality and aging an up to date empirically based text is necessary *Sexuality and Serious Mental Illness* Peter F Buckley,2013-05-13 Reflecting current understanding of the complexities of sexual activity among persons with chronic mental illness the text draws upon the collective wisdom and experience of experts from a variety of settings Clinicians advocates consumers researchers legal experts and administrators all contribute to document the concerns about sexual behavior and the consequent health risks for this at risk population The research presented here is particularly timely in view of recent emphases on patient choice recovery and advocacy and can be used to provide guidance to clinicians mental health administrators policymakers advocates and researchers **Midwifery and Sexuality** Sam Geuens,Ana Polona Mivšek,Woet.L. Gianotten,2023-03-09 This first open access book on midwifery and sexuality integrates sexual health into the care for the pregnant and postpartum couple It addresses sexuality and intimacy from an education and prevention perspective instead of just focusing on treating problems aiming to foster the development of sexual well being and happy couplehood Sexuality and intimacy are essential elements in the bonding of the couple and the parents to be That process can be seriously hampered by sexual problems due to mutual misunderstanding fear and sexual troubles especially when the natural processes of conceiving pregnancy and delivery are disturbed In this phase of life disruption of intimacy sexuality and sexual relationship is a significant risk factor for developing couple and family problems The need for such a book stems from

the very limited attention given to this health area in the daily practice of most midwives and related healthcare professionals In building a close relationship with the couple through frequent intense longstanding contact the midwife acquires a perfect position to address sexuality and intimacy With 36 authors from 14 countries the book comprises five modules 1 Sexuality 2 Sexual aspects of the various phases of reproduction when things develop without complications 3 Sexual aspects when those same phases deviate from physiology 4 Special topics on sexuality relevant to daily midwifery practice 5 Teaching learning skills and competencies with regard to sexuality This new practical textbook guides healthcare professionals such as midwives obstetricians gynaecologists nurses general practitioners pelvic floor therapists etc by offering both basic knowledge and skills on sexual health and wellbeing combined with modern sexological knowledge like the entirely new topic of sexual aspects of preconception care

Nucleus©TM Power Women Lead from the Core Abha Maryada

Banerjee,2015-02-03 Womens Leadership is a VISION THOUGHT to be embraced claimed and internalized by women Just like slight seismic shifts cause Earthquakes minor thought shifts are capable of causing life changing MIND QUAKES As we orchestrate thoughts cause minor and major mind quakes we drive the shifts and build women to become Leaders Each diminutive anti growth thought will dissipate and all potential drain on our growth will banish as we bounce out of mental blocks and dive into the mental emotional state of ZERO LIMITATION Get ready to learn pathbreaking Power Concepts like the Action Inaction dynamic the Thinking Feeling Chamber the Neutrality Zone The Fork and Crown Approach For the first time is there a need for Corporate Womens Responsibility From Status Quo we move forward to define the Status Nuo

The Nurse's Role in Promoting Optimal Health of Older Adults Jean W Lange,2011-09-02 Awarded a 2012 AJN

Book of the Year Award Why focus on the negative aspects of growing old while most older adults are leading positive fulfilling and active lives even while dealing with the changes associated with aging and chronic illnesses Promote healthy aging learn what it means to age successfully and develop the tools and resources that can optimize well being during the later years in life with the guidance you ll find inside The author a nationally recognized expert in the field of gerontology addresses the physical psychosocial and spiritual needs of older adults based on a holistic mid range nursing theory of successful aging Contributions from healthcare professionals in exercise physiology nutrition pharmacy and elder law help you understand how these disciplines work together to benefit patients

Creativity and Sexuality Mordechai

Rotenberg,2018-02-06 Judaism openly recognizes as an integral part of human nature the enigmatic relationship between yetzer or physical desire and yetzirah or spiritual creativity Creativity and Sexuality written as a fictional dialogue clearly delineates the psychic interdependence of these two drives as well as the integration of the concepts as they are defined by both Jewish mysticism and modern psychology Mordechai Rotenberg is interested in the impact of religion on the psychology of everyday life He was prompted to write Creativity and Sexuality by the popularity of writings that explore Jewish texts on the subject of sexuality from a historical or literary point of view but that do not hesitate to include psychological evaluations

based on popular secondary psychological concepts This work seeks to provide an accurate psychological analysis of sexuality and spirituality from a Jewish mystical perspective As such it both reconstructs the interdisciplinary bridge between Judaism and psychology and deconstructs some exegetical traditions The goal is to present new paradigmatic options which may help modern society struggle more efficiently with its sexuality Ultimately the author sees physical desire and spiritual creativity as a regulative continuum People learn how to spend the tremendous power of energy that the sexual yetzer produces not only on physical sex but on the spiritual yetzirah In an introduction written especially for this new edition the author explains the continuing relevance of Creativity and Sexuality and the ongoing relationship between sexual desire and a healthy spiritual self fulfillment This volume will be of interest to students of Judaism psychology mysticism and sexuality

Unpaid Work in Nursing Homes Pat Armstrong, 2023-07-18 EPDF and EPUB available Open Access under CC BY NC ND licence The COVID 19 pandemic has made unpaid care more visible through its absence while also increasing the need for it Drawing on a range of research projects covering Canada Germany Norway Sweden the UK and the US this book documents a broad spectrum of unpaid work performed by residents relatives volunteers and staff in nursing homes It demonstrates how boundaries between paid and unpaid work are flexible varying considerably with conditions time place and intersectional populations By examining the complex labour process within nursing homes this book provides insight and understanding which will be critical in planning for nursing home care post pandemic

Textbook of Palliative Nursing Department of Nursing Education and Research City of Hope National Medical Center Betty R. Ferrell Research Scientist, Supportive Care Program Nessa Coyle Director, Pain & Palliative Service Department of Neurology Memorial Sloan-Kettering Cancer Center, 2005-11-10 Originally published in 2001 the *Textbook of Palliative Nursing* has become the standard text for the field of hospice and palliative care nursing In this new edition the authors and editors have updated each chapter to ensure that the content is evidence based and current references are included They also have retained the important focus on case studies throughout the text and practical clinically relevant tables figures and other resources Like the previous edition this text has an introductory section of the general principles of palliative care followed by a comprehensive section on symptom assessment and management encompassing twenty one different symptoms Other key sections include psychosocial support and spiritual care providing holistic perspective on care of patients facing advanced disease The text also includes an innovative section on special populations addressing those most in need of palliative care The textbook is a useful resource for all nurses with the excellent section on end of life care across settings In this new edition the pediatric palliative care section has been greatly expanded and includes seven separate chapters on pediatric care It includes a section on special issues addressing topics such as ethical considerations nursing research and public policy perspectives and concludes with a section presenting models of excellence including six international models This edition also offers a narrative on dying based on a spouse s perspective The text includes an appendix with an extensive list of resources for nurses in the field **The**

SAGE Encyclopedia of LGBTQ Studies Abbie E. Goldberg, 2016-05-10 This far reaching and contemporary new Encyclopedia examines and explores the lives and experiences of Lesbian Gay Bisexual Transgender and Queer LGBTQ individuals focusing on the contexts and forces that shape their lives The work focuses on LGBTQ issues and identity primarily through the lenses of psychology human development and sociology emphasizing queer feminist and ecological perspectives on the topic and addresses questions such as What are the key theories used to understand variations in sexual orientation and gender identity How do Gay Straight Alliances GSA affect LGBTQ youth How do LGBTQ people experience the transition to parenthood How does sexual orientation intersect with other key social locations such as race to shape experience and identity What are the effects of marriage equality on sexual minority individuals and couples Top researchers and clinicians contribute to the 400 signed entries from fields such as Psychology Human Development Gender Queer Studies Sexuality Studies Social Work Sociology The SAGE Encyclopedia of LGBTQ Studies is an essential resource for researchers interested in an interdisciplinary perspective on LGBTQ lives and issues Social Aspects of Care Nessa Coyle, 2016 Social Aspects of Care provides an overview of financial and mental stress illness places not just on the patient but on the family as well This volume contains information on how to support families in palliative care cultural considerations important in end of life care sexuality and the impact of illness planning for the actual death and bereavement

Gerontology Nursing Case Studies, Second Edition Donna J. Bowles, 2015-04-08 Praise for the first edition This is an excellent teaching guide and resource manual for instructors gerontological nursing students and practicing nurses and social workers who wish to learn more about geriatric concerns and care It will be kept by nursing students long after they graduate as a guide to resources that will be valuable throughout their nursing careers As a home care nurse working mainly with the geriatric community I found the resources helpful in my practice As an instructor I found the book to be a very useful guide for teaching geriatrics Score 90 4 Stars Doody's Medical Reviews This is a unique volume that effectively addresses the lack of gerontology case studies for use with undergraduate nursing students Case studies are a pedagogically powerful approach to active learning that offer opportunities to apply content to clinical practice The Gerontologist The case narrative approach of this book promotes active learning that is more meaningful to students and practicing nurses and more likely to increase the transfer of evidence into practice An excellent resource for faculty staff educators to facilitate critical learning skills Liz Capezuti PhD RN FAAN Dr John W Rowe Professor in Successful Aging Co Director Hartford Institute for Geriatric Nursing New York University College of Nursing Vivid case examples help guide nurses in developing appropriate interventions that include complementary and alternative health therapies and provide a basis for evaluating outcomes Exercises interspersed throughout each case study include numerous open ended and multiple choice questions to facilitate learning and critical thinking The text is unique in that some of the presented cases focus on psychosocial issues such as gambling addiction hoarding behavior emergency preparedness and long distance caregiving Cases also depict geriatric

clients who are living healthy productive lives to counter myths and negative attitudes about older adults Scenarios demonstrating ethical dilemmas prepare students to appropriately respond to gray area situations The text is geared for AACN and NLN accreditation and is organized according to the needs of actual clinical settings With cases that take place in the home and community or within primary acute and long term care facilities this book will be useful for courses specific to gerontology nursing or across any nursing curriculum New to the Second Edition A completely new section of Aging Issues Affecting the Family New cases addressing health care disparities aging in place and prevention of catheter associated urinary tract infection Additional contemporary case studies The addition of Quality for Safety in Nursing Education QSEN initiatives A greater focus on prioritization and delegation of client s needs infused throughout exercises **The**

Bloomsbury Handbook of Sex and Sexuality in Game Studies Matthew Wysocki, Steffi Shook, 2025-01-09 The Bloomsbury Handbook of Sex and Sexuality in Game Studies consists of a comprehensive collection of essays that review and supplement current work focusing on sex and sexuality in games The chapters provide insight into sexual content in games representation of various sexualities and player experience Together they contribute to a growing field of work concerning two difficult to define phenomena the borders of sex and sexuality and video games As we frequently see debates and discussions over who gets to love whom and who gets to exist in their true self this handbook plays a part in outlining the parameters of crucial issues within the games that we play *Stroke Recovery and Rehabilitation, 2nd Edition* Richard D. Zorowitz, 2014-09-18 The definitive core text in its field Stroke Recovery and Rehabilitation is a comprehensive reference covering all aspects of stroke rehabilitation from neurophysiology of stroke through the latest treatments and interventions for functional recovery and restoration of mobility This second edition is completely updated to reflect recent advances in scientific understanding of neural recovery and growing evidence for new clinical therapies The second edition which includes free e book access with every print purchase continues to provide in depth information on the assessment and management of all acute and long term stroke related impairments and complications including cognitive dysfunctions musculoskeletal pain and psychological issues It examines risk factors epidemiology prevention and neurophysiology as well as complementary and alternative therapies functional assessments care systems ethical issues and community and psychosocial reintegration With contributions from over 100 acknowledged leaders from every branch of the stroke recovery field this edition features expanded coverage of key issues such as the role of robotics and virtual reality in rehabilitation New chapters have been incorporated to cover fields of recent exploration including transcranial magnetic stimulation biomarkers and genetics of recovery as well as essentials like the use of medication and the survivor s perspective The up to date presentation of scientific underpinnings and multi specialty clinical perspectives from physical medicine and rehabilitation neurology physical therapy occupational therapy speech and language pathology and nursing ensures that Stroke Recovery and Rehabilitation will continue to serve as an invaluable reference for every health care professional

working to restore function and help stroke survivors achieve their maximum potential New to Stroke Recovery and Rehabilitation Second Edition All chapters are thoroughly revised and updated to reflect advances in scientific understanding of neural recovery and clinical progress Five completely new chapters and expanded coverage of key issues that drive the field forward New contributions from leading stroke specialists from all involved disciplines Includes access to the fully searchable downloadable ebook
