**Sexual Harassment in Organizational Culture** Debbie S. Dougherty, 2022-10-15 Sexual Harassment in Organizational Culture A Transformative Approach is centered on a long running problem that has vexed organizations across time Why can t we

prevent sexual harassment that has damaged individuals organizational terms organizations and their larger constituents In an effort to create the type of change necessary to prevent such harassment author Debbie S Dougherty not only describes what sexual harassment is but also walks readers through a model of organizational culture to better understand how sexual harassment is woven into organizational culture through communication This transformational model focuses on how organizational cultures are created and how those cultures can be changed through careful and thoughtful communication The book presents organizational problems and then provides theories and research to better understand each problem Readers learn about theoretical approaches to organizational communication how to identify hidden problems in organizational culture strategies for the transformation of culture and more Sexual Harassment in Organizational Culture is written for current and aspiring change agents who are serious about addressing sexual harassment It is an exceptional text for courses in organizational communication behavior and management

**The Effects of Persuasive Communication on Knowledge and Attitudinal Outcomes of a Sexual Harassment Training Program** Corinne Marjorie Anton, 2014 Sexual harassment has been recognized as a prevalent issue leading to multiple negative consequences for victims and perpetrators Efforts to reduce its occurrence and increase awareness are important The majority of sexual harassment prevention programs evaluated have used knowledge enhancing techniques in order to combat sexual harassment however results have not yielded a decrease in sexual harassment supportive attitudes This study examined the effects of a sexual harassment training program that incorporated aspects of the elaboration likelihood model Petty Cacioppo 1986 via manipulation of argument strength and source expertise A pretest established participants sexual harassment policy knowledge and attitudes One hundred and fifty four participants were randomly assigned to view one of four training videos where the strength of the arguments weak strong and source expertise non expert expert were manipulated Participants then completed a posttest of sexual harassment policy knowledge and attitudes Participants also listed arguments against sexual harassment recalled from the training video and indicated their level of motivation to attend to the video ability to understand the information presented in the video and their favorable thoughts regarding the video s content Results suggest that all participants evidenced an increase in knowledge of university sexual harassment policies from pretest to posttest but changes in attitude were not significant Participants who viewed weak arguments from a non expert source evidenced greater recall of arguments presented in training videos compared to all other training videos Women evidenced less supportive attitudes towards sexual harassment and more motivation to attend to and process the information presented in the videos compared to men This study provided data on the applicability of the elaboration likelihood model to sexual harassment training programs supporting previous research findings that training can enhance sexual harassment knowledge and immediate recall of information learned The sexual harassment training program implemented in this study successfully enhanced sexual harassment policy knowledge in men and women using experts and non expert sources conveying general and

detailed information on the policies However the training program was not successful at changing participants attitudes towards sexual harassment Interpretations and implications of the results as well as future directions and limitations are discussed     *Sexual Harassment as Interaction* Shari A.
