No More Violence: All You Need To Do Is Speak Up Dr. Sanya Khan,2022-11-04 Domestic violence against women is a prevalent issue However determining its full extent is difficult It could be far higher than stated because many cases of domestic violence against women are not reported During the COVID 19 lockdown our country saw a significant surge in incidences of domestic violence A woman frequently believes that the abuse she experiences is her fault and that she has made a mistake This conclusion is incorrect abuse is the fault of the abuser not the victim Estimates of violence in our country are higher than official records Women may fail to report family violence for a variety of reasons Because they don't know how to deal with domestic abuse or whom to approach and what are the laws and schemes for their empowerment In contrast to this point of view the current book which is based on research in Doda contrasts this point of view by shedding light on the types signs and causes of domestic violence as well as its effects on women's mental health Additionally it brought to light the violence committed by parents against their daughters and the various women focused schemes run by the Ministry of Women and Child Development that assist women in coping with domestic violence and gaining independence so that they are not dependent on anyone

No More Headaches Juli Slattery,2011-09-09 Both husbands and wives can be extremely frustrated by the differences in sexual needs and expectations between them This frustration manifests itself as fighting resentment feelings of either guilt or rejection and general marital strife There are few safe and appropriate places to ask the questions about sex that frustrate and confuse

women most In *No More Headaches* Juli Slattery provides that place with honest answers that target women's specific needs. Her warm and compassionate style comes through as she examines the underlying issues that prevent couples from having a satisfying sex life. Helping husbands and wives understand and address the sexual relationship with their spouse will improve the marriage by reducing stress and frustration in that area, which will reduce stress in other areas of marriage as well. Each chapter contains questions for reflection and questions for couples to discuss. Juli Slattery has extensive experience speaking to women about marriage, parenting and family issues at retreats and conferences as well as on television and radio. *Jane Doe No More* M. William Phelps, Donna Palomba, 2012-09-06 In 1993 Donna Palomba was raped by a masked assailant in her own home. Yet her story is more than a victim's tale of physical and emotional recovery. It is a story of one woman's hunt for justice while fending off attacks by institutions designed to defend and protect her: the police department, the local government and a community clinging to an outrageous claim that Donna had invented the crime to cover up a sexual affair. From the night of the attack, the botched crime scene investigation and the abuse as authorities attempted to close the case by discrediting her, Donna was left as a victim with no name and no identity. Meanwhile there was one courageous detective later to become chief of police who broke a cops code of silence in the name of justice. As they fought on, a legal battle ensued after the Waterbury Police Department, now with media support, refused to let go of its allegations against her and admit wrongdoing. Finally after eleven years of struggle, Donna learned the identity of her attacker from the chief of police who explained that the DNA from the rape kit taken a decade ago had turned up a shocking match. In 2007 Donna Palomba was the subject of a special two-hour Dateline episode about her case. Suddenly she was Jane Doe no more, launching the Jane Doe No More organization and becoming a promoter of the rights of women and victims of sexual assault. With the help of crime investigator and author M. William Phelps, this is her story. *Silent No More* Aaron Fisher, Michael Gillum, Dawn Daniels, 2012-10-23 Victim 1, at fourteen years of age, spoke up against Jerry Sandusky in the Penn State scandal and now for the first time tells his story. Aaron Fisher was an eager and spirited eleven-year-old when legendary Penn State football coach Jerry Sandusky recruited him into his Second Mile children's charity. Offering support at a critical time in Aaron's life, Sandusky gave him gifts and attention, winning the boy's trust even as he isolated him from his family and peers. Before long Sandusky's attention escalated into sexual assault. When Aaron summoned the courage to speak up, he found himself ostracized and harassed by the very people who were supposed to protect him. The investigation set off by his coming forward would drag on for three years and would launch the biggest scandal in the history of sports. In *Silent No More* Aaron Fisher recounts his harrowing quest to bring Sandusky's crimes to light from the intense feelings of guilt that kept him from speaking up earlier and the fear he felt at accusing a man who was a pillar of the community and a hero to the largest alumni network in the world. He catalogs the infuriating delays in the arrest and conviction of his abuser. He catalogs the devastating personal toll the case took on him: the shattered relationships, panic attacks and betrayal of trust that continued to haunt him even

after the charges went public in the fall of 2011 But he also speaks of his mother s desperate efforts to get him out of harm s way the invaluable help of psychologist Michael Gillum and the vindication he felt at inspiring numerous other victims to step forward and at knowing that thanks to him there would be no future victims of Jerry Sandusky In the end Aaron Fisher won his fight to expose the truth achieving some measure of closure Told in the honest and unforgettable voices of Aaron his mother Dawn and his psychologist Mike this inspiring book completes Aaron s transformation from a nameless casualty into a resounding voice for change
