Mosgofian, George W. Ohlschlager, 1995 **Restore Such a One** Lance M. Bacon, 2024-08-01 Widespread deficiencies in spiritual formation see an increasing number of ministers buckle under the significant burdens common to the task There are seasons when a powerful triad of the flesh the world and the devil converge Eph 2 2 3 cf Jas 3 15 and 1 John 2 16 Misdirected attempts to fulfill emptiness find worth or heal longstanding wounds ensue Widespread instances of sexual immorality result Sound exegesis and analysis of theological doctrine presents an allowance in certain cases for ministerial restoration However this necessitates an intimate and intricate approach that differs significantly from the varied solutions churches and denominations offer Few restoration programs bring a biblical response to bear Remarkably rare are restoration programs that look to correct causal factors and commit to congregational care This program orients itself on an understanding of brokenness and the need for holistic re formation The latter requires fallen ministers to progress beyond biblical confession and repentance to partner with the Holy Spirit and key authorities such as an overseer mentors Christian mental health professionals and a designated congregation The unitive goal is a sanctifying psychopathology that properly diagnoses spiritual and emotional health eradicates the adverse influences of emotional cultural and spiritual factors and redirects self oriented patterns of thought and behavior **Law for the Christian Counselor** George W. Arnold,1993-01-01 This excellent book offers help to pastors and other caring Christians who must act as triage officers on the front lines of congregational and community life and who believe in and want to explore the importance of sexual issues in ministry William Arnold believes that our sexuality is a defining element for understanding who we are and who God is For a pastor to work with people in a helpful and redemptive manner this powerful force must be faced with courage and care However the pastor must be aware that attempts to care can be damaging if there is not an openness to learning more about the multiple forces at work in our sexuality The pastor's awareness must be physiological psychological and theological William Arnold stresses self awareness as the key to dealing with sexual issues and advises the pastor not to rely strictly on intellectual information *Interventions to Address Victims of Clergy Sexual Misconduct* Dr. Karen D. the topic of clergy sexual misconduct and abuse another hideous sex scandal of an alleged religious cult leader was exposed on social media by gospel recording artist Vicki Yohe While it is untrue that the president has returned Jesus to the White House thankfully God is revealing his truth about the narcissistic men who are master manipulators of evil deeds that destroy lives specifically women s As a matter of fact I feel that this perverted spirit is invading society from the White House Trump to the church house Taylor to the world RKelly How can I help in the destruction of these works of iniquity How can I become another voice to sound the alarm in these vile violent acts of sexual misconduct and abuse As I prayed and inquired to God while agonizing over the magnitude of this calamity my doctoral dissertation became the birthing process of this book This is a good place to publicly thank the cofounder vice president CEO of the Hope of Survivors Samantha Nelson for being a very active participant during my research plan When she immediately agreed to write the foreword for this book I was confident that the timing was right A couple of days later as budgeting was my next concern my spiritual mother unexpectedly wrote the Twin Ministries a check that was enough to cover half of the cost of funding the publishing expense I instantly interrupted the flow of working on other forthcoming projects to obey the leading of the Holy Spirit Hence I pray that this book will have a profound impact on the body of Christ by bringing pastoral accountability to its leaders public awareness to the community and personal amendments to victims and their families To say the least the church must not only deal with salvation and deliverance as a community we must perpetuate prevention and intervention No more silence of the lamb Thus if you are part of the remnant of believers whom God is raising to be a new example of irreproachable transparency and integrity in business ministry and marriage please share share and share *Counsel With Confidence* Joel James,2018-10-01 When you were learning to ride a bicycle the hardest part was the first few pedal strokes those wobbly seconds before you built up enough momentum to maintain your balance A generous push from your dad was just what you needed to avoid ending up in a heap of elbows knees handlebars and spokes Counseling is similar Sometimes you need something to give you some momentum something to give you the confidence that you re on the right track If you ve ever felt like that this book is for you *Counsel With Confidence* is a book to guide counselors and church leaders in being well informed and to help them bring about heart based change in the lives of the people they counsel through the right application of Scripture
