Sexual Strands Understanding And Treating Sexual Anomalies In Men

Robert M. Wettstein

Sexual Strands Understanding And Treating Sexual Anomalies In Men:

Sexual Strands Ron Langevin, 1983 First Published in 1982 Routledge is an imprint of Taylor Francis an informal company

Sexual Strands Ron Langevin, 2013-10-31 Homosexuality transsexualism bisexuality pedophilia sexual aggression and rape fetishism physical abnormalities and sexual dysfunction are among the sexual anomalies discussed in this timely and comprehensive review The origins and treatment of unusual sexual behaviors are analyzed from the perspective of orgasmic preference and are illustrated with clinical case examples drawn from the author's many years of work in research and treatment of sexual anomalies

Forensic Management of Sexual Offenders Robert Alan Prentky, Ann Wolbert Burgess, 2000-07-31 This text reviews the major advances that have taken place over the past 20 years in the management of human sexual aggression This work is intended to reflect what is known and what is not known about the most effective management practices and strategies for sexual offenders It includes complete discussions of classification assessment and prediction In addition major controversies in the field are addressed with the goal of separating supposition from fact and myth from reality By employing an empirical litmus test throughout the authors are able to identify what is known what are sound yet empirically based hunches what is speculation and what lies strictly in the realm of mythology Written by a forensic psychologist and a forensic nurse the book offers a unique dual perspective With over 1400 references this represents an important source of every facet of the management and disposition of known sex offenders

Treating Sexual Offenders William L. Marshall, Liam E. Marshall, Geris A. Serran, Yolanda M. Fernandez, 2013-05-13 Through extensive consideration of current research theory and practice Treating Sexual Offenders provides a guide to the assessment treatment and evaluation of a number of different disorders Provides therapists with the means to have a continued positive impact on the sex offender from assessment to post treatment evaluation and follow up Includes fetishisms transvestic fetishisms exhibitionism frottage pedophilia sexual sadism sexual masochism telephone scatologia voyeurism rape child molestation and incest The Therapist Rating Scale used and referenced throughout the text is available for download below Therapist Rating Scale pdf file

Treating Incest Terry S Trepper, Mary Jo Barrett, 2014-02-04 This timely book provides for the therapist working with cases of intrafamily child sexual abuse both a theoretical background and practical information for the treatment of incest and gives new insight into the complex problems associated with incest With the enactment of more stringent child abuse reporting laws nationwide and increased public education about the problem there has been a dramatic increase in the need for incest related psychotherapy Treating Incest is an important source of information about the assessment and treatment of the family that will enable clinicians to provide appropriate crisis intervention for families and make informed judgments about referrals if necessary The book's central theme is that effective treatment of incest requires a systemic approach because incestuous activity is the product of a problematic family rather than the cause The book is divided into two helpful sections assessment issues and treatment issues and techniques

Understanding Child Abuse and Neglect National Research Council, Division of Behavioral and Social Sciences and Education, Commission on Behavioral and Social Sciences and Education, Panel on Research on Child Abuse and Neglect, 1993-02-01 The tragedy of child abuse and neglect is in the forefront of public attention Yet without a conceptual framework research in this area has been highly fragmented Understanding the broad dimensions of this crisis has suffered as a result This new volume provides a comprehensive integrated child oriented research agenda for the nation The committee presents an overview of three major areas Definitions and scope exploring standardized classifications analysis of incidence and prevalence trends and more Etiology consequences treatment and prevention analyzing relationships between cause and effect reviewing prevention research with a unique systems approach looking at short and long term consequences of abuse and evaluating interventions Infrastructure and ethics including a review of current research efforts ways to strengthen human resources and research tools and guidance on sensitive ethical and legal issues This volume will be useful to organizations involved in research social service agencies child advocacy groups and researchers

Practice Issues in Sexuality and Learning Disabilities Ann Craft, 2004-08-02 Practice Issues in Sexuality and Learning Disabilities explores the sexual behaviour of people with learning difficulties and addresses issues of concern such as sexual abuse HIV and AIDS service provision for those from ethnic minorities the development of policy guidelines and the implementation of such guidelines in this intensely personal area Ann Craft draws upon professional expertise from a broad range of backgrounds including social work psychology and medicine She offers practical ideas and suggestions for service responses which acknowledge and respect the right of people with learning disabilities to express their sexuality in ways that are valued by other members of their society Practice Issues in Sexuality and Learning Disabilities will be of interest to all whose work or relationship brings them into contact with people with learning disabilities professionals carers parents advocates It will be invaluable to social workers practitioners in social work and health trainees training officers and voluntary organizations

Adult Behavior Therapy Casebook Michel Hersen, Cynthia G. Last, 2013-11-11 Several year ago we edited a casebook on behavior therapy with children The book appeared to fill a gap in the existing child literature and was quite well received A similar gap appears to exist in the behavioral literature for adult cases in that there are very few adult case books currently available The present book was developed in order to devote an entire casebook to both standard and more innovative clinical applications of behavioral treatments to adult problems The book containing 19 chapters is divided into two parts In the first part in a chapter entitled Clinical Considerations we discuss a variety of clinical issues that are of importance to designing and executing behaviorally based interventions with adults The bulk of the book the remaining 18 chapters contains a variety of cases presented by our experts Each of the treatment cases is presented using the same format in order to increase consistency and comparability across chapters Specific sections for each chapter are as follows 1 Description of the Disorder 2 Case Identification 3 Presenting Complaints 4 History 5 Assessment 6 Selection of Treatment 7 Course of

Treatment 8 Termination 9 Follow up and 10 Overall Evaluation Thanks are extended to our many expert contributors without whom this book would not be possible We also wish to acknowledge the technical support of Mrs Kim Sterner Finally we thank our editor at Plenum Eliot Werner for his support and forbearance in the face of the inevitable delays The Sexual Abuse of Children William T. O'Donohue, James H. Geer, 2013-12-16 The sexual abuse of children is now seen as an enormous problem first because there is an increasing awareness that it is more prevalent than previously thought and second because it gives rise to so many complex questions How is sexual abuse to be defined What are the effects of abuse How can the victim be helped How can abuse be prevented These two comprehensive volumes cover a wide spectrum of basic and applied issues Expert contributors including physicians attorneys psychologists philosophers social workers and engineers address such relevant topics as epidemiology animal models legal reforms feminist scholarship child pornography medical assessment and diverse models of psychotherapeutic intention *Sexual Minorities* Michael K. Sullivan, 2013-10-31 Explore the crucial issues facing the GLBT population in their struggle for acceptance in contemporary America Sexual Minorities Discrimination Challenges and Development in America examines the stumbling blocks that prevent gays lesbians bisexuals and transgenders from living wholesome healthy lives This book concentrates on the effects of outside influences on the homosexual psyche from adolescence to mid life and programs and services that need to be developed to improve quality of life While some outside influences can make positive changes such as Internet based outreach to educate men in chat rooms about HIV sexual minority groups face negativity from society in the forms of homophobia and heterosexism Sexual Minorities uses statistics charts graphs and surveys to reveal a remarkable trend correlating how contemporary American society treats sexual minorities and how it affects their psychological and psychosocial health This book also reveals how when internalized this hurtful discrimination can cause self hatred and depression Each chapter focuses on a different aspect of the GLBT population including the history of homophobia and intolerance toward homosexuals with its basis in cultural religious and sociological views an in depth survey utilizing Erikson s psychosocial model to determine the lifespan development of seven out gay males who discuss their coming out period their roles in society their legacies and later life issues the lack of federal legislation protecting GLBT employees in the workplace and recommendations for creating a sense of security for these employees a case study revealing the high incidence rate of heterosexism amongst social workers and the repercussions this could have among homosexual clientele surveys and statistics investigating the rate of abusive behavior in lesbian relationships three chapters involving specific issues of gay lesbian and bisexual adolescents such as coming out risk and protective factors and being homosexual in a rural environment as opposed to a city Sexual Minorities is an important tool for everyone in today s society from students and practitioners of social work health care human sexuality psychology and sociology to legislators lawyers activists and business owners This book is also vital for every parent relative or friend of a man or woman labeled as a sexual minority *Forensic and Medico-legal Aspects of Sexual Crimes and*

Unusual Sexual Practices Anil Aggrawal, 2008-12-22 From sexual abuse and fetishism to necrophilia and sadomasochism this unique volume identifies fourteen classifications of unusual sexual pathologies Emphasizing the physical and psychological aspects of sexuality itself the book presents detailed comparisons of legal and medical definitions historical aspects current incidence and geographic

Variant Sexuality (Routledge Revivals) Glenn Wilson, 2014-06-17 First published in 1987 this book presents contributions from international authorities reviewing major themes in variant sexuality Genetic and evolutionary arguments are presented for the preponderance of paraphilia in males whilst Freudian and psychoanalytic theories are shown to have limited scientific basis These and other topics are reviewed in an interesting book which will be of particular value to students of the psychology of sexuality evolutionary biology and psychiatry as well as those with a more general interest in the social behavioural and biological aspects of sexuality

Erotic Preference, Gender Identity, and Aggression in Men Ron Langevin, 2014-02-04 A fresh and challenging re evaluation of the interrelationship between sexual and gender behavior and aggression Drawing on a series of previously unpublished controlled research studies on rapists pedophiles incest offenders voyeurs transsexuals and homosexuals among others the book offers startling new findings e g crossdressing and feminine gender identity in rapists believed to be ultra masculine aggressiveness in pedophiles believed to be shy and passive This book brings a new perspective to understanding sexual anomalies and to the conceptual foundations on which clinical research and treatment of these behaviors rests

Treatment of Offenders with Mental Disorders Robert M. Wettstein, 2000-02-15 This volume presents current treatment approaches for offenders with mental disorders in a variety of settings After reviewing administrative and legal issues in the provision of care the volume addresses therapeutic work with inpatients outpatients and incarcerated persons Separate chapters cover special issues in treatment of sexual offenders offenders with mental retardation and juvenile offenders Throughout the approaches featured are interdisciplinary and eclectic incorporating biological and psychological perspectives This volume will be of use to mental health practitioners as well as legal professionals in criminal justice and mental health law

Behavioral Approaches to Crime and Delinquency Edward K. Morris, Curtis J. Braukmann, 2012-12-06 The systematic application of behavioral psychology to crime and delinquency was begun only 20 years ago yet it has already contributed significantly to our practical knowledge about prevention and correction and to our general understanding of a pressing social problem In this handbook we review and evaluate what has been accomplished to date as well as what is currently at the leading edge of the field We do so in order to present a clear comprehensive and systematic view of the field and to promote and encourage still more effective action and social policy reform in the future The chapters in this text have been written by professionals who were among the original innovators in applying behavioral psychology to crime and delinquency and who continue to make critical contributions to the field's progress and by a new generation of energetic young professionals who are taking the field in important and innovative directions The contributors have attempted to review and evaluate their areas with critical

dispassion to provide thorough but not overly specialized discussion of their material and to draw implications for how research application and social policy might be improved in the future For our part as editors we have tried to foster integration across the chapters and to provide background and conceptual material of our own

Surviving Sexual Violence Liz Kelly, 2013-04-26 Women's awareness of the threat and reality of sexual violence is now perhaps more than ever publicly acknowledged Yet this fact continues to be almost wholly ignored This new study based on in depth interviews with 60 women is the first to cover the experience of a range of forms of sexual violence over women's lifetimes Drawing on feminist theory developing a critique of male research and quoting extensively from the women interviewed it develops feminist thought in several key areas the similarities and differences between forms of sexual violence the ways women define their experiences and the strategies women use in resisting coping with and surviving sexual violence The author stresses the importance for all women of recognizing the incidents of sexual violence in their lives and seeing themselves and other women as survivors rather than victims In highlighting the ways in which the media the criminal justice system and even the helping professions contribute to the trivialization of sexual violence she demonstrates the necessity of women organizing collectively to end this suffering

Pedophilia Jay R. Feierman, 2012-12-06 The Reason for this Volume If we were to judge the seriousness of a psychosocial problem by the attention that the popular media give to it we would have to conclude that the modern world is in the midst of an epidemic of pedophilic child sexual abuse One can scarcely go more than a few weeks in any large metropolitan area without reading about one of the community's upstanding citizens discovered to have been sexually involved with children or adolescents The attention that the popular media give this topic is paralleled by the attention that it receives in the social sciences where literally dozens of books and more than a thousand articles have been published on it in the past few years In fact child sexual abuse along with co dependency and dysfunctional family have become the avant garde psychological clichés of the decade However most of the lay and professional literature although voluminous reflect a narrow anthropo ethno and chronocentrism that precludes any real understanding of the topic with anything more than the preconceptions of our times

The Essential Handbook of Offender Assessment and

Treatment Clive R. Hollin, 2005-01-21 This Essential Handbook provides the critical elements from its companion volume the successful Handbook of Offender Assessment and Treatment A comprehensive review of assessment and treatment it covers the major offender groups sex offenders violent offenders offenders with mental and personality disorders and property offenders A range of treatment approaches are also included incorporating behavioural cognitive skills based anger management school programs and family based approaches Whilst retaining its international high quality appeal The Essential Handbook of Offender Assessment and Treatment is a concise portable edition for all clinicians academics and researchers working with offenders across a range of settings

Pornography Dolf Zillmann, Jennings Bryant, 2012-10-12 provides good coverage of the empirical literature Journal of Communication well written and presents a wide diversity of

approaches to pornography CHOICE Reparative Therapy of Male Homosexuality Joseph Nicolosi, 1997 1 non gay homosexuals who are they 2 the politics of diagnosis 3 the failure of the mental health profession 4 The importance of the father son relationship 5 formation of the father son bond 6 failure of the father son relationship 7 problems emerging in childhood 8 other factors mother and family relations 9 physiogenetic factors 10 associate features of the homosexual personality 11 homosexual love relationships 12 gay sexuality 13 the refusal to acknowledge pathological elements 14 the treatment 15 the therapeutic relationship 16 therapeutic issues 17 group psychotherapy 18 the initial interview 19 the issues of individual psychotherapy 20 the process of group therapy

Authors Website Occasionally, authors provide excerpts or short stories for free on their websites. While this might not be the Sexual Strands Understanding And Treating Sexual Anomalies In Men full book, it can give you a taste of the authors writing style. Subscription Services Platforms like Kindle Unlimited or Scribd offer subscription-based access to a wide range of Sexual Strands Understanding And Treating Sexual Anomalies In Men eBooks, including some popular titles.

FAQs About Sexual Strands Understanding And Treating Sexual Anomalies In Men Books

What is a Sexual Strands Understanding And Treating Sexual Anomalies In Men PDF? A PDF (Portable Document Format) is a file format developed by Adobe that preserves the layout and formatting of a document, regardless of the software, hardware, or operating system used to view or print it. **How do I create a Sexual Strands Understanding And Treating Sexual Anomalies In Men PDF?** There are several ways to create a PDF: Use software like Adobe Acrobat, Microsoft Word, or Google Docs, which often have built-in PDF creation tools. Print to PDF: Many applications and operating systems have a "Print to PDF" option that allows you to save a document as a PDF file instead of printing it on paper. Online converters: There are various online tools that can convert different file types to PDF. **How do I edit a Sexual Strands Understanding And Treating Sexual Anomalies In Men PDF?** Editing a PDF can be done with software like Adobe Acrobat, which allows direct editing of text, images, and other elements within the PDF. Some free tools, like PDFescape or Smallpdf, also offer basic editing capabilities. **How do I convert a Sexual Strands Understanding And Treating Sexual Anomalies In Men PDF to another file format?** There are multiple ways to convert a PDF to another format: Use online converters like Smallpdf, Zamzar, or Adobe Acrobats export feature to convert PDFs to formats like Word, Excel, JPEG, etc. Software like Adobe Acrobat, Microsoft Word, or other PDF editors may have options to export or save PDFs in different formats. **How do I password-protect a Sexual Strands Understanding And Treating Sexual Anomalies In Men PDF?** Most PDF editing software allows you to add password protection. In Adobe Acrobat, for instance, you can go to "File" -> "Properties" -> "Security" to set a password to restrict access or editing capabilities. Are there any free alternatives to Adobe

Acrobat for working with PDFs? Yes, there are many free alternatives for working with PDFs, such as: LibreOffice: Offers PDF editing features. PDFsam: Allows splitting, merging, and editing PDFs. Foxit Reader: Provides basic PDF viewing and editing capabilities. How do I compress a PDF file? You can use online tools like Smallpdf, ILovePDF, or desktop software like Adobe Acrobat to compress PDF files without significant quality loss. Compression reduces the file size, making it easier to share and download. Can I fill out forms in a PDF file? Yes, most PDF viewers/editors like Adobe Acrobat, Preview (on Mac), or various online tools allow you to fill out forms in PDF files by selecting text fields and entering information. Are there any restrictions when working with PDFs? Some PDFs might have restrictions set by their creator, such as password protection, editing restrictions, or print restrictions. Breaking these restrictions might require specific software or tools, which may or may not be legal depending on the circumstances and local laws.
