*Sexuality and Being in the Poststructuralist Universe of Clarice Lispector* Earl E. Fitz, 2001-08-15 The protagonists of the novels and stories of Clarice Lispector exemplify and humanise many of the issues central to poststructuralist thought This work demonstrates that poststructuralism offers insights into all aspects of Lispector's writing [Sexuality and Being in the Poststructuralist Universe of Clarice Lispector](#) Earl E. Fitz, 2010-06-28 Driven by an unfulfilled desire for the unattainable ultimately indefinable Other the protagonists of the novels and stories of acclaimed Brazilian writer Clarice Lispector exemplify and humanize many of the issues central to poststructuralist thought from the nature of language truth and meaning to the unstable relationships between language being and reality In this book Earl Fitz demonstrates that in turn poststructuralism offers important and revealing insights into all aspects of Lispector's writing including her style sense of structure characters themes and socio political conscience Fitz draws on Lispector's entire oeuvre novels stories crônicas and children's literature to argue that her writing consistently reflects the basic tenets of poststructuralist theory He shows how Lispector's characters struggle over and humanize poststructuralist dilemmas and how their essential sense of being is deeply dependent on a shifting and typically transgressive sense of desire and sexuality [Clarice Lispector](#) Earl E.

Fitz, 2024-04-15 *Clarice Lispector From Brazil to the World* explains why the Brazilian master was so transformative of modern Brazilian literature and why she has become such a celebrity in the world literature arena This book also shows why Lispector is not one writer as many think but many writers By offering close readings of her novels stories and nonfiction pieces Earl E Fitz shows the diverse sides of her literary world Chapters cover Lispector's devotion to language and its connection to identity her political engagement and her humor eroticism and struggle with the concept of God The last chapter seeks to explain why this most singular of modern Brazilian writers commands such a passionate global following

[What Is Zoopoetics?](#) Kári Driscoll, Eva Hoffmann, 2018-03-21 This book brings together essays dealing with the question of zoopoetics both as an object of study i e texts from various traditions and periods that reflect explicitly or implicitly on the relationship between animality language and representation and as a methodological problem for animal studies and indeed for literary studies more generally What can literary animal studies tell us about literature that conventional literary studies might be blind to

How can literary studies resist the tendency to press animals into symbolic service as metaphors and allegories for the human whilst also avoiding a naïve literalism with respect to the literary animal The volume is divided into three sections Texts which focuses on the linguistic and metaphorical dimensions of zoopoetics Bodies which is primarily concerned with mimesis and questions of embodiment performance and lived experience and Entanglement which focuses on interspecies encounters and the complex interplay between word and world that emerges from them The volume will appeal to scholars and students in the fields of animal studies area studies and comparative literature gender studies environmental humanities ecocriticism and the broader field of posthumanism

**Remembering Maternal Bodies** B. Trigo, 2006-01-21 Remembering Maternal Bodies is a collection of essays about the writings of several Latina and Latin American women writers who remember their mothers and or challenge our commonly held beliefs about motherhood and maternity in an effort to stop depression and melancholy It suggests that the widespread violent depression and sometimes suicidal melancholy that haunts our culture and society is the result of a terrible fantasy about the way we become ourselves This fantasy has a matricide at its core and this matricide will continue to have its depressing effect on us as long as it remains in place and invisible The authors showcased in this book make visible this fantasy and change it in their works in an effort to bring us out of our depression and melancholy

Linking the Americas Lesley Feracho, 2012-02-01 What links women of the Americas How do they redefine their identities Lesley Feracho answers these questions through a comparative look at texts by four women writers from across the Americas Zora Neale Hurston Julieta Campos Carolina Maria de Jesus and Clarice Lispector She explores how their writing reformulates identity as an intricate connection of the historical sociocultural and discursive and also reveals new understandings of feminine writing as a hybrid discourse in and of itself

Gender for the Warfare State Robin Truth Goodman, 2016-10-14 Gender for the Warfare State is the first scholarly investigation into the written works of U S women combat veterans in twenty first century wars Most recent studies quantify military participation showing how many women participate in armed services and what their experiences are in a traditionally male institution Many of these treatments regard women as victims solely of enemy fire even as they are also often victims of their own military apparatus and of their own involvement in global aggression By applying literary analysis to a sociological question Gender for the Warfare State views women s experiences through story and literary traditions that carry meaning into present practices Goodman shows that women in combat are not just entering and being victimized in male institutions but are also actively changing the story of gender and thus the structure of power that is constructed through gender Moreover this book unveils a new narrative of care that affects economic relations more broadly and the contemporary politics of the liberal social contract Women s participation in combat is not just a U S event but global and therefore has a deeper historical range than current sociological accounts imply The book compares the political contexts of women s entry into war now with their prior twentieth century contributions to wars in other cultural settings and then uses this comparison to show

a variety of meanings at play in the gender of war
