## **Sexuality And Gender In The Classical World:**

*Sexuality and Gender in the Classical World* Laura K. McClure,2008-04-15 This volume provides essays that represent a range of perspectives on women gender and sexuality in the ancient world tracing the debates from the late 1960s to the late 1990s

**Sexuality and Gender in the Classical World** Laura K. McClure,2002-09-27 This volume provides essays that represent a range of perspectives on women gender and sexuality in the ancient world tracing the debates from the late 1960s to the late 1990s

**Sexuality and Gender in the Classical World** Laura K. McClure,2002-09-27 This volume provides essays that represent a range of perspectives on women gender and sexuality in the ancient world tracing the debates from the late 1960s to the late 1990s

*Sexuality in Greek and Roman Culture* Marilyn B. Skinner,2013-07-23 This agenda setting text has been fully revised in its second edition with coverage extended into the Christian era It remains the most comprehensive and engaging introduction to the sexual cultures of ancient Greece and Rome Covers a wide range of subjects including Greek pederasty and the symposium ancient prostitution representations of women in Greece and Rome and the public regulation of sexual behavior Expanded coverage extends to the advent of Christianity includes added illustrations and offers student friendly pedagogical features Text boxes supply intriguing information about tangential topics Gives a thorough overview of current literature while encouraging further reading and discussion Conveys the complexity of ancient attitudes towards sexuality and gender and the modern debates they have engendered

God, Sex, and Gender Adrian Thatcher,2011-05-02 Engagingly and clearly written by a highly respected theologian God Sex and Gender is the first comprehensive introduction to a theology of both sexuality and gender available in a single volume Makes a theological contribution to understanding the unprecedented changes in sexual and gender relationships of the last fifty years Discusses many topics including sexual difference sexual equality gender and power the nature of desire the future of marriage in Christian sexual ethics homosexuality and same sex unions the problems of sexual minorities contraception in a time of HIV AIDS the separation of sexual experience from marriage and offers new arguments for marriage and for chastity Offers a consistent and engaging introduction at the cutting edge of theological inquiry which is contemporary undogmatic questioning and relevant to readers experience interests and needs Written lucidly and engagingly by an established and respected academic who has published widely in this area

*Sex in Antiquity* Mark Masterson,Nancy Sorkin

Rabinowitz,James Robson,2018-02-05 Looking at sex and sexuality from a variety of historical sociological and theoretical perspectives as represented in a variety of media Sex in Antiquity represents a vibrant picture of the discipline of ancient gender and sexuality studies showcasing the work of leading international scholars as well as that of emerging talents and new voices Sexuality and gender in the ancient world is an area of research that has grown quickly with often sudden shifts in focus and theoretical standpoints This volume contextualises these shifts while putting in place new ideas and avenues of exploration that further develop this lively field or set of disciplines This broad study also includes studies of gender and

sexuality in the Ancient Near East which not only provide rich consideration of those areas but also provide a comparative perspective not often found in such collections Sex in Antiquity is a major contribution to the field of ancient gender and sexuality studies

**In Bed with the Ancient Greeks** Paul Chrystal,2016-05-15 From the Spartans to Alexander the Great Paul Chrystal brings the murky world of sex with the Ancient Greeks to life

**Studying Gender in Classical Antiquity** Lin Foxhall,2013-05-09 This book investigates how varying practices of gender shaped people s lives and experiences across the societies of ancient Greece and Rome Exploring how gender was linked with other socio political characteristics such as wealth status age and life stage as well as with individual choices in the very different world of classical antiquity is fascinating in its own right But later perceptions of ancient literature and art have profoundly influenced the development of gendered ideologies and hierarchies in the West and influenced the study of gender itself Questioning how best to untangle and interpret difficult sources is a key aim This book exploits a wide range of archaeological material cultural visual spatial demographic epigraphical and literary evidence to consider households families life cycles and the engendering of time legal and political institutions beliefs about bodies sex and sexuality gender and space the economic implications of engendered practices and gender in religion and magic

**Handbook of Gender in Archaeology** Sarah Milledge Nelson,2006-07-13 The pursuit of gender in the archaeological record is explored in this exciting new collection of essays by renowned archaeologists and gender theorists These essays place gender in the context of the past by approaching the data in light of the previous decades of gender research Issues such as tool making hunting and evolution take on new meaning as the contributors examine the impact of gender worldwide They do so in terms of the theories methods and ways of teaching and learning amassed through archaeological data These essays provide insight into the study of gender in archaeology and will prove valuable to the scholarship of gender based theory

The Routledge Companion to the Reception of Ancient Greek and Roman Gender and Sexuality K. Moore,2022-08-22 This Companion covers a range of receptions of ancient Greek and Roman gender and sexuality It explores ancient representations of these concepts as we define them today as well as recent perspectives that have been projected back onto antiquity Beginning in antiquity the chapters examine how the ancient Greeks and Romans regarded concepts of what we would today call gender and sexuality based on the evidence available to us and chart the varied interpretations and receptions of these concepts across time to the present day In exploring how different cultures have received the classical past the volume investigates these cultures different interpretations of Greek and Roman sexualities and what these interpretations can reveal about their own attitudes Through the contributions in this book the reader gains a deeper understanding of this essential part of human existence derived from influential sources From ancient to modern and postmodern perspectives from cinematic productions to TikTok videos receptions of ancient gender and sexuality abound This volume is of interest to students and scholars of ancient history gender and sexuality in the ancient world and ancient societies as well as those working on popular culture and gender studies more broadly

Sex and the

Ancient City Andreas Serafim, George Kazantzidis, Kyriakos Demetriou, 2022-05-09 This volume aims to revisit further explore and tease out the textual but also non textual sources in an attempt to reconstruct a clearer picture of a particular aspect of sexuality i e sexual practices in Greco Roman antiquity Sexual practices refers to a part of the overarching notion of sexuality specifically the acts of sexual intercourse the erogenous capacities and genital functions of male and female body and any other physical or biological actions that define one s sexual identity or orientation This volume aims to approach not simply the acts of sexual intercourse themselves but also their legal social political religious medical cultural moral and interdisciplinary e g emotional performative perspectives as manifested in a range of both textual and non textual evidence i e architecture iconography epigraphy etc The insights taken from the contributions to this volume would enable researchers across a range of disciplines e g sex gender studies comparative literature psychology and cognitive neuroscience to use theoretical perspectives methodologies and conceptual tools to frame the sprawling examination of aspects of sexuality in broad terms or sexual practices in particular

**The Oxford Handbook of New Testament, Gender, and Sexuality** Benjamin H. Dunning, 2019-10-10 Over several decades scholarship in New Testament and early Christianity has drawn attention both to the ways in which ancient Mediterranean conceptions of embodiment sexual difference and desire were fundamentally different from modern ones and also to important lines of genealogical connection between the past and the present The result is that the study of gender and sexuality in early Christianity has become an increasingly complex undertaking This is a complexity produced not only by the intricacies of conflicting historical data but also by historicizing approaches that query the very terms of analysis whereby we inquire into these questions in the first place Yet at the same time recent work on these topics has produced a rich and nuanced body of scholarly literature that has contributed substantially to our understanding of early Christian history and also proved relevant to ongoing theological and social debates The Oxford Handbook of Gender and Sexuality in the New Testament provides a roadmap to this lively scholarly landscape introducing both students and other scholars to the relevant problems debates and issues Leading scholars in the field offer original contributions by way of synthesis critical interrogation and proposals for future questions hypotheses and research trajectories

**A Companion to Greek and Roman Sexualities** Thomas K. Hubbard, 2013-11-21 A Companion to Greek and Roman Sexualities presents a comprehensive collection of original essays relating to aspects of gender and sexuality in the classical world Views the various practices and discursive contexts of sexuality systematically and holistically Discusses Greece and Rome in each chapter with sensitivity to the continuities and differences between the two classical civilizations Addresses the classical influence on the understanding of later ages and religion Covers artistic and literary genres various social environments of sexual conduct and the technical disciplines of medicine magic physiognomy and dream interpretation Features contributions from more than 40 top international scholars

**Constructing Femininity in the Book of Jubilees** Chontel Syfox, 2025-07-24 A striking feature of the book of Jubilees is the visibility it gives to women in

comparison to Genesis with the matriarchs especially seeming to play an outsized role in the rewriting Utilising approaches drawn from the fields of gender and feminist studies Constructing Femininity in the Book of Jubilees interrogates the motives and priorities that guided the rewriter in his re presentation of the matriarchs asking to what extent the treatment of these characters was unique to this text and its author s attitude towards women or typical of the then literary Zeitgeist

**Redeeming Gender** Adrian Thatcher, 2016-06-30 Redeeming Gender argues that the problems about sexuality which continue to sap the churches energies are really about gender The dominant understanding of women s bodies in the Christian West has been that they are inferior versions of the superior male body This one sex model of the human body was replaced during the Enlightenment with a model of two opposite sexes However both models are inadequate for a theological or a secular understanding of the sexed body In this innovative work Adrian Thatcher envisages relations between women and men no longer blighted by long term patriarchy androcentrism and sexism in church and world but redeemed from these structural sins by the grace of Jesus Christ Dissected into two parts Part One explains the legacy of both the one sex and two sex theories It uncovers the one sex theory and its assumptions and indicates its presence in early Christian thought It then describes what happened in our social intellectual and theological history which leaves us thinking that there are two sexes In Part Two Thatcher contributes to an emerging theology of gender in which women and men are fully and equally valued and in which sexual difference insofar as it exists at all is capable of transformation into joyful communion reflecting the very life of God the Holy Trinity He exposes the reliance of much Church and theological teaching about sex and gender either on biblical proof texts or upon the language and nomenclature of late modernity rather than upon considerations of Theology and Christology Thatcher also indicates how Theology and Christology in the area of gender envisions the redemption of human relationships *Subversion, Sexuality and the Virtual Self* J. Elund, 2015-05-28 The text analyses identities within virtual on screen environments Investigating regions in Second Life it explores topical issues of the body in virtual space nature and mythology in virtual environments and the key arguments surrounding normative and subversive representations of gender sexuality and subversion in screen based environments *Revisiting Rape in Antiquity* Susan Deacy, José Malheiro Magalhães, Jean Zacharski Menzies, 2023-06-01 How did the Greeks and Romans perceive rape How seriously was it taken and who were seen as its main victims These are two central questions that Rape in Antiquity Sexual Violence in the Greek and Roman Worlds 1997 edited by Susan Deacy and Karen F Pierce aimed to approach in twelve chapters Setting out to understand if the ancients had a concept of rape and how it was understood through different angles including legal social cultural and historiographical Rape in Antiquity made an invaluable contribution to the scholarship on sexual violence in the ancient world impacting upon the development of new approaches in the decades that followed its publication Revisiting Rape in Antiquity Sexualised Violence in Greek and Roman Worlds maps out the influence of Rape in Antiquity while exploring how far cultural changes since the 1990s have reshaped the scholarly landscape This collection comprising

chapters by established scholars and early career researchers from many countries provides a new window into sexual and sexualized violence Covering a long chronology this book journeys from Homer to Byzantium to modern receptions to the analysis of wartime rape ancient Greek tragedy classical myth how stories involving rape are retold for children ancient law and rhetoric classical art Ovid Late Antiquity modern literature comic books and cinema This book is the culmination of a rich scholarly inheritance setting out new perspectives that will hopefully inspire researchers for decades to come

**Gender** Brooke Holmes, 2012-05-31 Gender has now become a pervasive topic in the humanities and social sciences Yet despite its familiarity within universities and colleges some have argued that the radical debates which first characterized gender studies have become ghettoized or marginalized so that gender no longer makes the impact on creative thinking and ideas that it once did Brooke Holmes here rescues ancient ideas about sex and gender in order precisely to reinvigorate contemporary debate She argues that much writing on gender in the classical age fails to place those ancient ideas within their proper historical contexts As a result the full transformational force of that thinking is often overlooked In this short lively book the author offers a sophisticated and historically rounded reading of gender in antiquity in order to map out the future of contemporary gender studies By re-examining ancient notions of sexual difference bodies culture and identity Holmes shows that Plato Aristotle the Stoics Epicureans and others force us to reassess what is at stake in present day discussions about gender The ancient world thus offers a vital resource for modern gender theory Liminalities of Gender and Sexuality in Nineteenth-Century Iranian Photography Staci Gem Scheiwiller, 2016-12-01 Nineteenth century Iran was an ocularcentered society predicated on visibility and what was seen and unseen and photographs became liminal sites of desire that maneuvered betwixt and between various social spaces public private seen unseen accessible and forbidden thus mapping graphing and even transgressing those spaces especially in light of increasing modernization and global contact during the nineteenth and early twentieth centuries Of primary interest is how photographs negotiated and coded gender sexuality and desire becoming strategies of empowerment of domination of expression and of being seen Hence the photograph became a vehicle to traverse multiple locations that various gendered physical bodies could not and it was also the social and political relations that had preceded the photograph that determined those ideological spaces of immobility In identifying these notions in photographs one may glean information about how modern Iran metamorphosed throughout its own long duration or resisted those societal transformations as a result of modernization *Gender and Sexuality in Stoic Philosophy* Malin Grahn-Wilder, 2018-02-21 This book investigates the Ancient Stoic thinkers views on gender and sexuality A detailed scrutiny of metaphysics ethics and political philosophy reveals that the Stoic philosophers held an exceptionally equal view of men and women's rational capacities In its own time Stoicism was frequently called the manly school of philosophy but this volume shows that the Stoics would have also transformed many traditional notions of masculinity Malin Grahn Wilder compares the earlier philosophies of Plato and Aristotle to show that the Stoic position often stands out within

Ancient philosophy as an exceptionally bold defense of women's possibilities to achieve the highest form of wisdom and happiness The work argues that the Stoic metaphysical notion of human being is based on strikingly egalitarian premises and opens new perspectives to Stoic philosophy on the whole
