**David H. Jensen**

## **Sexuality And The Christian Body Their Way Into The Triune God:**

**Sexuality and the Christian Body** Eugene F. Rogers, Jr.,1999-08-25 God and the Body addresses the challenges to traditional Christianity by gay and lesbian Christians and their critics within the church This controversial book will be welcomed for the radical new insights it provides into Christian arguments about the body God, Desire, and a Theology of Human Sexuality David H. Jensen,2013-01-01 This work of constructive theology examines human sexuality in light of Christian faith and doctrine Jensen moves beyond the hot button social debates about sexual orientation and sexual practices to look for healing The seven chapters consider Scripture and sex the connections between the triune covenantal God and human sexuality Christ s incarnation and resurrection as affirming the beauty of flesh eschatology and sexual identity the ramifications of the Lord s Supper for human sexuality vocation and Christian callings to marriage celibacy and singleness and sexual ethics

**Human Sexuality and the Nuptial Mystery** Roy R. Jeal,2010-03-08 This collection of essays was originally presented at the St Margaret s Consultation on Doctrine Liturgy and Preaching held at St Margaret s Anglican Church in Winnipeg Canada in 2008 They consider human sexuality and marriage from a distinctly theological rather than polemical standpoint aiming to avoid frequently polarized debates The interesting commonality indicated in the articles is that sex and marriage are not about self fulfillment but are outwardly directed aimed toward the other person toward growth maturity and deepened spirituality for the benefit of the church for productive good and for children The first section explores theological and ethical issues surrounding human sexuality and aims toward understanding the nature of relationships in these contexts The second section explores the spiritual nature of marriage and the history of thinking on marriage and family within Christian theology For those interested in pursuing truly theological engagement with marriage and sexuality this collection is required reading

*Water Is Thicker than Blood* Jana Marguerite Bennett,2008-03-04 This book considers how homes households and domestic life are related to the Church Early theologies glorified the monastic lifestyle as a way to transcend earthly attachments in favor of supernatural goods Contemporary thinkers have seen that functioning marriages and families themselves can lead us toward a more righteous society Jana Bennett insists that both marriage and singleness must be placed in the context of the Christian story of redemption for the questions and problems at stake to be fully understood She finds that Augustine of Hippo maligned by modern theologians is the source of very fruitful reflection on these topics Most scholars today would agree that Augustine s works have exerted great influence on Western views of marriage family and sex But many would argue that this influence has been detrimental to a healthy understanding of these topics However using Augustine s writing Bennett shows that marriage and singleness cannot be considered separately that gender issues are important to considering these states correctly and most important that the marriage between Christ and the Church is the first consideration in understanding and living these states of life The water of baptism Christians first birth and initiation into the life of Christ is the primary standard for relationships rather than familial ties

*After the Spirit* Eugene F. Rogers, 2005-07-26 The Eastern Christian tradition by contrast has usually linked the Holy Spirit with holy places holy people and holy things Weaving together a tapestry of sources from this tradition Rogers locates the Spirit in the Gospel stories of the annunciation Jesus baptism the transfiguration and the resurrection These stories offer illuminating glimpses into both the Spirit's connection with the tangible world and the Spirit's distinctive place in relation to the other persons of the Trinity

**BOOK JACKET**

**Marks of His Wounds** Beth Felker Jones, 2007-04-12 It is a central tenet of Christian theology that we will be resurrected in our bodies at the last day But we have been conditioned writes Beth Felker Jones to think of salvation as being about anything but the body We think that what God wants for us has to do with our thoughts our hearts or our interior relationships In popular piety and academic theology alike strong spiritualizing tendencies influence our perception of the body Historically some theologians have denigrated the body as an obstacle to sanctification This notion is deeply problematic for feminist ethics which centers on embodiment Jones's purpose is to devise a theology of the body that is compatible with feminist politics Human creatures must be understood as psychosomatic unities she says on analogy with the union of Christ's human and divine natures She offers close readings of Augustine and Calvin to find a better way of speaking about body and soul that is consonant with the doctrine of bodily resurrection She addresses several important questions What does human psychosomatic unity imply for the theological conceptualization of embodied difference especially gendered difference How does embodied hope transform our present bodily practices How does God's momentous yes to the body in the Incarnation both judge and destroy the corrupt ways we have thought produced constructed and even broken bodies in our culture especially bodies marked by race and gender Jones's book articulates a theology of human embodiment in light of resurrection doctrine and feminist political concerns Through reading Augustine and Calvin she points to resources for understanding the body in a way that coheres with the doctrine of the resurrection of the flesh Jones proposes a grammar in which human psychosomatic unity becomes the conceptual basis for sanctification Using gender as an illustration she interrogates the difference resurrection doctrine makes for holiness Because death has been overcome in Christ's resurrected body human embodiment can bear witness to the Triune God The bodily resurrection makes sense of our bodies of what they are and what they are for

*Oliver O'Donovan's Moral Theology* Samuel Tranter, 2020-10-01 This book offers the first sustained full length treatment of the wide ranging work of major Anglican theologian Oliver O'Donovan Analyzing such key texts as *Resurrection and Moral Order* *The Desire of the Nations* and *Ethics as Theology* Samuel Tranter shows that the relationship between eschatology and ethics is an area of significant tension in O'Donovan's evolving vision of moral theology Tranter traces this tension as it relates to O'Donovan's writing and contemporary discussion around natural law divine command and human flourishing as well as to particular topics such as poverty marriage and singleness and biotechnology He also connects it with the broader doctrinal features of O'Donovan's project such as his accounts of creation sin and redemption and his understanding of the relationships between the cross and

the resurrection on one hand and Christology and pneumatology on the other Throughout Tranter indicates the implications of these themes for our understanding of the Christian life This volume establishes and evaluates O Donovan s influence on contemporary Christian ethicists and political theologians such as Luke Bretherton Gilbert Meilaender Jean Porter and Brent Waters and engages with critical readings of O Donovan such as those by Stanley Hauerwas and Gerald McKenny In conversation with these and other voices from a range of perspectives Tranter shows how O Donovan s proposals may be appropriated and amended as a resource for theology and ethics going forward

*Science, Scripture, and Homosexuality* Alice Ogden Bellis, Terry L. Hufford, 2011-01-01 The collaborative work of a biblical scholar and a biology professor Science Scripture and Homosexuality addresses scripture passages relating to homosexuality and explains the foundation of genetics and the growing evidence suggesting an organic basis for sexual orientation The authors argue that the role of the homosexual as well as the heterosexual within the Church should be based upon common criteria for all Written in a highly accessible manner the book is ideal for congregational discussion

*Iconoclastic Sex* Henry Walter Spaulding, 2024-03-13 Christian sexual ethics operates from a place of privilege when it does not consider those impacted by its moral prescriptions A large majority of publications on Christian sexual ethics consider choices and images abstracted from lived conditions of the people called to make these decisions As such it leaves out many for whom sex is neither welcome nor a choice As such these same texts present images of sexual subjects that marginalize those that do not fit As the book presents sexuality both Christian and otherwise prioritizes a language of purity that strangles the life of those imaged impure The present book remedies this emphasis through the language of iconoclasm that blasphemes these images and opens theological reflection beyond the boundary of image based approaches Utilizing a qualitative study of survivors of trafficking and those who grew up under evangelical purity teachings Spaulding narrates sexual ethics in light of their testimonies and the theological resources of iconoclasm to articulate a more just and loving sexuality The new emphasis on sexual ethics not only resists the prescriptions that create the conditions of sex trafficking but the creation of new communities capable of solidarity and mutuality with those caught in the web of trafficking

*Foucault and Theology* Jonathan Tran, 2011-06-16 Near the end of his life Michel Foucault turned his attention to the early church Fathers He did so not for anything like a return to God but rather because he found in those sources alternatives for re imaging the self And though Foucault never seriously entertained Christianity beyond theorizing its aesthetic style one might argue that Christian practices like confession or Eucharist share family resemblances to Foucaultian sensibilities This book will explain how to do theology in light of Foucault or more precisely to read Foucault as if God mattered Therefore it will seek to articulate practices like confession prayer and so on as techniques for the self situate the church as politics within present constellations of power disclose theological knowledges as modes of critical intervention or what Foucault called archaeology and conceptualize Christian existence in time through mnemonic practices of genealogy

**Leaving and Coming Home** David M. Cloutier, 2010-06-04 SINCE 2002

THE SYMPOSIUM NEW WINE NEW WINESKINS HAS OFFERED AN OPPORTUNITY for young Catholic moral theologians to engage in shared work and conversation Here the fruits of these labors are gathered into one collection which represents the wide scope of the future of Catholic sexual ethics This volume offers the first collection of a new generation s approaches to Catholic sexual ethics The collection displays young scholars with diverse views yet whose work moves beyond the impasses that have beset the field The volume offers original and engaging essays on a variety of topics from the hook up culture and dating violence to cohabitation and homosexuality to contraception and natural family planning to the promises and pitfalls of the theology of the body The authors display a fresh engagement with these issues in conversation with the Christian tradition and with contemporary culture David Cloutier provides an introduction that locates this work within the past decades of Catholic scholarship and articulates new categories for future work The essays also offer practical insights and models that will interest pastors and lay ministers as well as scholars Aquinas and the Supreme Court Eugene F. Rogers, Jr.,2013-02-26 This new work clarifies Aquinas concept of natural law through his biblical commentaries and explores its applications to U S constitutional law The first time the use of Aquinas on the U S Supreme Court has been explored in depth and its applications tested through a rigorous reading of the biblical commentaries Shows how key judgments in the Supreme Court have rested on medieval natural law and applies critical gender theory to discuss problems with these applications Offers new research data to give a different picture of Aquinas and natural law and a fresh take on Aquinas biblical commentaries New research based on passages in the biblical commentaries never before available in English

*Dishonorable Passions* William N. Eskridge,2008 A history of the government s regulation of sexual behavior traces the historical purposes behind the prohibition against sodomy in early America and continues with a discussion of how the law was referenced in different contexts in later years covering such topics as the McCarthy era the sexual revolution of the 1960s and the 2003 Supreme Court decision to decriminalize private sex between consenting adults 20 000 first printing

**St. Paul among the Philosophers** John D. Caputo,Linda MartÃn Alcoff,2009-07-06 In his epistles St Paul sounded a universalism that has recently been taken up by secular philosophers who do not share his belief in Christ but who regard his project as centrally important for contemporary political life The Pauline project as they see it is the universality of truth the conviction that what is true is true for everyone and that the truth should be known by everyone In this volume eminent New Testament scholars historians and philosophers debate whether Paul s promise can be fulfilled Is the proper work of reading Paul to reconstruct what he said to his audiences Is it crucial to retrieve the sense of history from the text What are the philosophical undercurrents of Paul s message This scholarly dialogue ushers in a new generation of Pauline studies

**Organizing Spirit** Jamie Pitts,2025-06-12 Contemporary theologians tend to associate the Holy Spirit with the formation of local communities social movements and fluid relational networks and not with institutions such as denominations or global church bodies In this work Jamie Pitts argues that this pneumatological sociological picture misses important aspects

of the Spirit's work Pitts draws on a wide range of theological and theoretical resources to depict the Spirit as organizing the complex dynamic and relationally entangled structures that constitute creation Human organizing that seeks to participate in the Spirit can take a variety of analogous structural forms including formal organizations or institutions Organizational participation in the Spirit is not a function of an organization's scale mobility or relative informality but rather of its practical orientation toward the Spirit's goals of life solidarity healing and inclusive justice A series of case studies clarifies and extends the implications of the argument in connection to organizing for environmental gender sexual and racial justice In the final chapter Pitts addresses the role of a political theology of the organizing Spirit in imagining organizational alternatives to the global neoliberal order

*Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries* Craig A. Rubano, 2023-11-13 *Emerging as Affirmative Pastoral Caregivers Beyond Gender Binaries* Gender Creative Promise uniquely brings a gender diverse theological imagination to the field of pastoral theology supplemented by deploying a gender creative interpretative lens on scripture The reader is introduced to an array of persons diverse in their gender variance four continua of gender sex identity expression attraction a gender affirmative psychotherapeutic model as a template for the field of pastoral theology common resilience strategies that transgender persons employ in the face of cultural oppression and aspersion benefits derived from religious affiliation that can enhance resilience and scripturally based principles for delivering affirmative pastoral caregiving beyond gender binaries The author encourages readers to look within and wrestle with the complexities of their own gendered selves while journeying alongside him to emerge as pastoral change makers in their places of teaching ministry and caregiving

**Exploring the Boundaries of Bodiliness** Sigrid Müller, Slavomír Dlugos, Gerhard Marschütz, 2013-12-11 Recent developments in technology have given rise to the impression that the boundaries imposed by our bodiliness can somehow be overcome The increasing philosophical interest in bodiliness as an unavoidable human condition can be seen as a response to this far too comfortable impression The essays in this volume address the topic of bodiliness from a theological point of view They show that our perceptions of and relationships with one another cannot be divorced from our bodily condition and that this existential reality affects significantly how we understand our relationship with God The contributions also address how we can best deal with the fragility of our bodily condition as well as the challenges that technological and medical procedures for altering the appearance and constitution of our bodies pose Special attention is given to how liturgical experience not only offers us a means to respond to these challenges but also to deepen our understanding of Christian communities as ineluctably bodily

**T&T Clark Handbook of Ecclesiology** Kimlyn J. Bender, D. Stephen Long, 2020-10-15 Divided into 3 parts this handbook provides a wide ranging survey and analysis of the Christian Church The first section addresses the scriptural foundations of ecclesiology the second section outlines the historical and confessional aspects of the topic and the final part discusses a variety of contemporary and topical themes in ecclesiology Compiled and written by leading scholars in the field the T T Clark Handbook of Ecclesiology covers a

range of key topics in the context of their development and importance in each stream of historic Christianity and the confessional traditions The contributors cover traditional matters such as creedal notes but also tackle questions of ordination orders of ministry and sacraments This handbook is extensive enough to provide a true overview of the field but the essays are also concise enough to be read as reference selections *Queer Theology* Linn Marie Tonstad, 2018-07-26

What do Christianity and queerness have to do with each other Can Christianity be queered *Queer Theology* offers a readable introduction to a difficult debate Summarizing the various apologetic arguments for the inclusion of queer people in Christianity Tonstad moves beyond inclusion to argue for a queer theology that builds on the interconnection of theology with sex and money Thoroughly grounded in queer theory as well as in Christian theology *Queer Theology* grapples with the fundamental challenges of the body sex and death as these are where queerness and Christianity find and maybe lose each other

**A Graceful Embrace: Theological Reflections on Adopting Children**, 2017-11-20 This book significantly deepens the contemporary discussion of the theology and practice of adopting children Though adoption appears prominently in Scripture contemporary adoption practice has thus far proceeded without serious theological engagement This book seeks to fill this gap by offering a theological and ethical perspective on adoption that not only clarifies and complicates contemporary understandings of adoption but also throws fresh light on family community vocation and even what it means to be human Both interdisciplinary and international the volume is brings together theologians and ethicists from Europe the UK Canada and the United States A rich set of reflections from both practical and theoretical perspectives offers a unique and uniquely insightful vision of Christian adoption Contributors are Dale P Andrews Jana Marguerite Bennett Marco Derks R Ruard Ganzevoort Bill McAlpine Kirsten Sonkyo Oh Sarah Shea Paul Shrier Henning Thei en Hans G Ulrich Karin Ulrich Eschemann Heather Walton Brent Waters Nick Watson

## Whispering the Strategies of Language: An Mental Journey through **Sexuality And The Christian Body Their Way Into The Triune God**

In a digitally-driven world where screens reign supreme and immediate connection drowns out the subtleties of language, the profound strategies and psychological subtleties concealed within words frequently get unheard. However, located within the pages of **Sexuality And The Christian Body Their Way Into The Triune God** a charming fictional treasure pulsating with organic emotions, lies a fantastic journey waiting to be undertaken. ## Sexuality And The Christian Body Their Way Into The Triune God Introduction

In today's digital age, the availability of Sexuality And The Christian Body Their Way Into The Triune God books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Sexuality And The Christian Body Their Way Into The Triune God books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Sexuality And The Christian Body Their Way Into The Triune God books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Sexuality And The Christian Body Their Way Into The Triune God versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Sexuality And The Christian Body Their Way Into The Triune God books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Sexuality And The Christian Body Their Way Into The Triune God books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public

domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Sexuality And The Christian Body Their Way Into The Triune God books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare, which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Sexuality And The Christian Body Their Way Into The Triune God books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips. With platforms like Project Gutenberg, Open Library, and various digital libraries offered by educational institutions, we have access to an ever-expanding collection of books and manuals. Whether for educational, professional, or personal purposes, these digital resources serve as valuable tools for continuous learning and self-improvement. So why not take advantage of the vast world of Sexuality And The Christian Body Their Way Into The Triune God books and manuals for download and embark on your journey of knowledge?

### **FAQs About Sexuality And The Christian Body Their Way Into The Triune God Books**

How do I know which eBook platform is the best for me? Finding the best eBook platform depends on your reading preferences and device compatibility. Research different platforms, read user reviews, and explore their features before making a choice. Are free eBooks of good quality? Yes, many reputable platforms offer high-quality free eBooks, including classics and public domain works. However, make sure to verify the source to ensure the eBook credibility. Can I read eBooks without an eReader? Absolutely! Most eBook platforms offer webbased readers or mobile apps that allow you to read eBooks on your computer, tablet, or smartphone. How do I avoid digital eye strain while reading eBooks? To prevent digital eye strain, take regular breaks, adjust the font size and background color, and ensure proper lighting while reading eBooks. What the advantage of interactive eBooks? Interactive eBooks incorporate multimedia elements, quizzes, and activities, enhancing the reader engagement and providing a more immersive learning experience. Sexuality And The Christian Body Their Way Into The Triune God is one of the best book in our library for free trial. We provide copy of Sexuality And The

Christian Body Their Way Into The Triune God in digital format, so the resources that you find are reliable. There are also many Ebooks of related with Sexuality And The Christian Body Their Way Into The Triune God. Where to download Sexuality And The Christian Body Their Way Into The Triune God online for free? Are you looking for Sexuality And The Christian Body Their Way Into The Triune God PDF? This is definitely going to save you time and cash in something you should think about. If you trying to find then search around for online. Without a doubt there are numerous these available and many of them have the freedom. However without doubt you receive whatever you purchase. An alternate way to get ideas is always to check another Sexuality And The Christian Body Their Way Into The Triune God. This method for see exactly what may be included and adopt these ideas to your book. This site will almost certainly help you save time and effort, money and stress. If you are looking for free books then you really should consider finding to assist you try this. Several of Sexuality And The Christian Body Their Way Into The Triune God are for sale to free while some are payable. If you arent sure if the books you would like to download works with for usage along with your computer, it is possible to download free trials. The free guides make it easy for someone to free access online library for download books to your device. You can get free download on free trial for lots of books categories. Our library is the biggest of these that have literally hundreds of thousands of different products categories represented. You will also see that there are specific sites catered to different product types or categories, brands or niches related with Sexuality And The Christian Body Their Way Into The Triune God. So depending on what exactly you are searching, you will be able to choose e books to suit your own need. Need to access completely for Campbell Biology Seventh Edition book? Access Ebook without any digging. And by having access to our ebook online or by storing it on your computer, you have convenient answers with Sexuality And The Christian Body Their Way Into The Triune God To get started finding Sexuality And The Christian Body Their Way Into The Triune God, you are right to find our website which has a comprehensive collection of books online. Our library is the biggest of these that have literally hundreds of thousands of different products represented. You will also see that there are specific sites catered to different categories or niches related with Sexuality And The Christian Body Their Way Into The Triune God So depending on what exactly you are searching, you will be able to choose ebook to suit your own need. Thank you for reading Sexuality And The Christian Body Their Way Into The Triune God. Maybe you have knowledge that, people have search numerous times for their favorite readings like this Sexuality And The Christian Body Their Way Into The Triune God, but end up in harmful downloads. Rather than reading a good book with a cup of coffee in the afternoon, instead they juggled with some harmful bugs inside their laptop. Sexuality And The Christian Body Their Way Into The Triune God is available in our book collection an online access to it is set as public so you can download it instantly. Our digital library spans in multiple locations, allowing you to get the most less latency time to download any of our books like this one. Merely said, Sexuality And The Christian Body Their Way Into The Triune God is universally compatible with any devices to read.
