Sexuality Education Carol Cassell, Pamela M. Wilson, 2017-05-18. Originally published in 1989. This book describes a variety of ways to plan and implement sexuality education and provides in-depth information on resources available. Each contributor describes one aspect of the practice of sexuality education: its goals, theory, planning and development, implementation, evaluation, teacher training, or the role of community agencies. Articles in each section offer practical and useful guidelines for conducting sexuality education and also serve as a sound introduction to the subject. Annotated bibliographies appear at the end of each section.

Exploring the Dimensions of Human Sexuality Jerrold Greenberg, Clint Bruess, Sarah Conklin, 2010-03-10. Exploring the Dimensions of Human Sexuality Fourth Edition addresses all aspects of sexuality: biological, spiritual, psychological, and sociocultural, and presents the information both factually and impartially. Throughout the text, students will find an emphasis on health and well-being based on the assumption that we are all sexual beings and that sexuality should be viewed in its totality. Students are encouraged to explore the varied dimensions of human sexuality and see how each affects their own personal sexuality, sexual health, and sexual responsibility.

The Palgrave Encyclopedia of Sexuality Education, 2024-12-23. This Encyclopedia provides a comprehensive map of the field of sexuality education. It offers an entry point for those interested in this topic, providing a robust summary of issues and directing them to its best scholarship. Comprehensive in scope, it covers diverse global locations to highlight the significance of context when defining sexuality education. The rapid development and increase in accessibility of digital technologies, which has broadened sexuality education to include digital and media platforms, is also reflected.

Family Life Education Carol A. Darling, Dawn Cassidy, Sharon M. Ballard, 2022-06-29. Contemporary family life educators operate within a wide range of settings and with increasingly varied populations and families. In the fourth edition of Family Life Education, Carol Darling and Dawn Cassidy are pleased to have Sharon Ballard join in the process of exposing readers to the diverse landscape of the field while laying a comprehensive research-based and practical foundation for current and future family life educators. The authors, who are CFLE Certified, consider the Certified Family Life Educator credential requirements of the National Council on Family Relations throughout the text. Their broad overview of the field includes a brief history and discussion of family life education as an established profession. New to this edition is the inclusion of several models that provide insight into the discipline and practice. There is expanded information about working with diverse audiences and the skills needed to be a culturally competent family life educator. The addition of the personal experiences and reflections of 17 family life educators working in a variety of settings

provides a meaningful context to the continuing evolution and importance of family life education in society The authors incorporate theory research and practice while also providing guidelines for planning implementing and evaluating family life education programs Content on sexuality education relationship and marriage education and parenting education highlights some of the more prevalent trends and visible forms of family life education Comments from 35 international colleagues representing 27 countries and 6 continents facilitate understanding the role of family life education in various international settings The provision of interactive classroom exercises focuses on building awareness appreciation of diversity and global trends Discussion questions and activities encourage readers to examine issues and apply what they have learned
