**and Human Sexual Behavior** Peter B. Gray, 2013-04-01 A comprehensive survey of the evolutionary science of human sexual behavior Evolution and Human Sexual Behavior invites us to imagine human sex from the vantage point of our primate cousins in order to underscore the role of evolution in shaping all that happens biologically and behaviorally when romantic passions are aroused

*Sexual Education Around the World - Past, Present and Future Issues* Rogenia Sterling, 2023-09-13 Sexual education is a worldwide concern that intersects with various attitudes values and cultural norms It is an area of life that has for many years been kept private but now there is recognition that there is a need to support people especially young people in modern societies The way sexual education is taught and applied within institutions shapes the way we understand and approach human sexuality Various societies have chosen various means to provide sexual education both at school and to the wider society There is still much more development and support needed however We can begin to identify strategies for overcoming challenges in sex education promoting healthier attitudes and empowering individuals to make informed decisions about their own bodies and relationships This book is organized into three sections The first section

focuses on issues in sexual education such as sexual harassment sexuality and relationship education and advocacy by people with disabilities future challenges and sex differences in physical attractiveness The second section focuses on the means of sexual health education interventions including the use of technology The last section includes a chapter on sex education and the invisibility of intersex people in the curriculum

**Christianity and Sexuality in the Early Modern World** Merry Wiesner-Hanks, 2014-05-22 The book surveys the ways in which Christian ideas and institutions shaped sexual norms and conduct from the time of Luther and Columbus to that of Thomas Jefferson It is global in scope and geographic in organization with chapters on Protestant Catholic and Orthodox Europe Latin America Africa and Asia and North America All the key topics are covered including marriage and divorce fornication and illegitimacy clerical sexuality same sex relations witchcraft and love magic moral crimes and inter racial relationships Each chapter in this second edition has been fully updated to reflect new scholarship with expanded coverage of many of the key issues particularly in areas outside of Europe Other updates include extra analysis of the religious ideas and activities of ordinary people in Europe and new material on the colonial world The book sets its findings within the context of many historical fields the history of sexuality and the body women s history legal and religious history queer theory and colonial studies and provides readers with an introduction to key theoretical and methodological issues in each of these areas Each chapter includes an extensive section on further reading surveying and commenting on the newest English language secondary literature

*Handbook of Medieval Sexuality* Vern L. Bullough, James Brundage, 2013-01-11 Like specialists in other fields in humanities and social sciences medievalists have begun to investigate and write about sex and related topics such as courtship concubinage divorce marriage prostitution and child rearing The scholarship in this significant volume asserts that sexual conduct formed a crucial role in the lives thoughts hopes and fears both of individuals and of the institutions that they created in the middle ages The absorbing subject of sexuality in the Middle Ages is examined in 19 original articles written specifically for this Handbook by the major authorities in their scholarly specialties The study of medieval sexuality poses problems for the researcher indices in standard sources rarely refer to sexual topics and standard secondary sources often ignore the material or say little about it Yet a vast amount of research is available and the information is accessible to the student who knows where to look and what to look for This volume is a valuable guide to the material and an indicator of what subjects are likely to yield fresh scholarly rewards
