*Sexually Exploited Children*, 1998      Therapeutic Work with Sexually Abused Children Randall Easton Wickham, Janet West, 2002-05-24 This book is a practical and supportive guide for the professionals facing this traumatic subject It is easily readable Journal of Child and Adolescent Mental Health Therapeutic Work With Sexually Abused Children locates the practice experience of the authors within a rigorous theoretical framework and is a readable and useable guide to the complexities of helping children and adolescents who have suffered the trauma of sexual abuse Youth Policy It is refreshing to find child therapists ready to engage with sexually abused children by incorporating trauma theory and research addressing child protection and seeing themselves as part of a team that includes the carers The authors provide an overview of phases of treatment theoretical considerations and essential skills They emphasize the importance of relationship and explore its impact on the therapist Their approach is creative and child centered Case vignettes poems and exercises promote empathy with the child s perspective There is a useful chapter on cultural issues and the needs of children in alternative care this is an excellent primer for the child s helping network Community Care This is an excellent book for workers seeking to respond more effectively to child victims of abuse David Pearson Caring Magazine Therapeutic Work with Sexually Abused Children is a creative and practical guide for professionals working directly with those who have suffered sexual abuse and for their carers The trauma of sexual abuse experienced in childhood can be severe and enduring Therapeutic support is offered to help both the child and the family cope with psychological or emotional difficulties both currently and in later life Therapists must be able to respond effectively to the child victim in a sensitive and timely way which prioritizes the needs of each child Drawing on their experience as practitioners the authors explore the reactions which children commonly experience following abuse and examine the tasks of the therapist in responding to them This book explores the counselling of children who have been abused rather than adult survivors of child abuse The book will benefit from the combined experiences of one US author and one UK author      **Understanding and Responding to Child Sexual**

**Exploitation** Helen Beckett, Jenny Pearce, 2017-12-15 The issue of child sexual exploitation CSE has received intense scrutiny in recent years following a number of high profile legal cases serious case reviews and inquiries This has resulted in increasing expectations that those working in the field will know how to appropriately manage and respond to this form of abuse Of course this is no easy task given the widely acknowledged difficulties of identifying and responding to sexual abuse and the particular complexities associated with the gain dynamic within CSE and the predominantly older age of children affected by it This edited collection draws on the latest research evidence and academic thinking around CSE to consider issues of understanding and response Written by researchers from The International Centre Researching child sexual exploitation violence and trafficking at the University of Bedfordshire Part I considers issues of understanding and conceptualisation Part II considers the practical implications of some of this thinking sharing learning from research and

evaluation on prevention identification and response Understanding and Responding to Child Exploitation presents critical learning for academics and students and for those working in the fields of policy practice and commissioning It is relevant to a wide range of disciplines including social care youth work education criminology health and social policy

**The Challenges of Working with Child Sexual Exploitation and How a Psychoanalytic Understanding Can Help** Marion Bower, Robin Solomon, 2024-06-03 Sexual exploitation is becoming endemic in our society It involves victims being coerced to enter abusive sexual relationships with individuals or gangs It can occur with children from care homes or from more privileged backgrounds Sexual exploitation is so addictive that it is really difficult to extract the victims This is the first book that we are aware of that examines exploitation using a psychoanalytic framework which makes the behaviour and motives of victims and in some cases exploiters comprehensible The book looks at a range of situations from care homes to refugee camps and elite schools We expect this book to become indispensable for social workers psychotherapists counsellors and care workers who have to tackle child sexual exploitation Giving up an addiction is a struggle Our clinical examples show how much and what kinds of work are needed to start to release girls from their addiction to their exploiters The roots of vulnerability lie in an attack on the maternal function This is reflected in the huge expansion of day care taking children from as little as three months old Care for mothers and children can be transformed We demonstrate how powerful properly organised maternal type care can be to give young people a sound start to their lives

**Child sexual exploitation and the response to localised grooming** Great Britain: Parliament: House of Commons: Home Affairs Committee, 2013-06-10 This report reveals results of the inquiry into children being treated in an appalling way not just by their abusers but because of catastrophic failures by the very agencies that society has appointed to protect them It is still happening in every part of the country The quality of the response to the abuse depends on where you live and that is inexcusable Race is a factor but it is one of many in cases of child sexual exploitation Officials who fail to act for example in places like Rotherham or Rochdale must not be allowed to evade responsibility through early retirement or resignation for other reasons and should not be paid compensation of any kind The police social services and the Crown Prosecution Service must all bear responsibility for the way in which vulnerable children have been left unprotected by the system The Ministry of Justice ought to implement a number of reforms to court processes including section 28 of the Youth Justice and Criminal Evidence Act 1999 the introduction of specialist courts either for child sexual exploitation cases or for sexual offences as a whole and invite the Lord Chief Justice to consider recommending to the Judicial College that specific training on child sexual exploitation cases be developed and provided
