## **Sg Economics And Contemporary Issues:**

Private Education In Singapore: Contemporary Issues And Challenges Choon-yin Sam, 2017-05-23 Not much has been written about the private education sector in Singapore despite the fact that the sector houses about 300 private education institutions PEIs and enrolls about 150 000 students Private Education in Singapore Contemporary Issues and Challenges is an exciting book that aims to fill a gap in the literature In the book the author offers an extensive discussion on i the key elements of the sector types and features of the PEIs ii the regulatory framework for private education iii students aspiration and the impact of the ASPIRE report on PEIs and iv the provision of external degree programme through transnational partnership The book also tackles the hotly debated discussion in relation to academic quality and standard of PEI courses The author identifies the reasons some of them have more characteristics of a myth and suggests a number of ways to overcome the issues and challenges

**50 Years Of Social Issues In Singapore** David Chan, 2015-04-15 The social context of Singapore is changing rapidly and understanding how people think feel and behave in various situations has become a key driver of effectiveness in addressing social issues 50 Years of Social Issues in Singapore provides a comprehensive review and examination of various social issues at multiple levels of analysis including the individual group and society This invaluable book adopts a translational approach to social issues in Singapore by explicitly bridging intellectual and practical perspectives Contributed by a distinguished team of authors the chapters examine the critical ideas underlying public debates of social issues and their policy and practical implications The book is organized into three parts Part I examines issues of population and social fundamentals in Singapore such as ageing marriage urban planning healthcare and racial and religious harmony Part II analyses Singapore s social progress through issues of inclusivity such as social mobility developing communities and marginal groups that deserve more attention Part III focuses on core principles and social processes related to social justice doing good social media and approaches to understanding and addressing social issues in Singapore Most importantly the chapters in this book clearly identify many of the critical unresolved and emerging questions on various social issues that will guide the next generation of public discussion and policy deliberations on what matter in Singapore

**Contemporary Issues in Heterodox Economics** Arturo Hermann, Simon Mouatt, 2020-10-07 Heterodox economics can provide a more complete and robust explanation of economic realities than orthodox or mainstream economics Contemporary Issues in Heterodox Economics Implications for Theory and Policy Action argues that this greater explanatory power gives heterodox economics the ability to illuminate appropriate policy for the major crises of our time as well as proffer the basis for a more rounded pluralist approach to economic theory The chapters in this wide ranging volume address some of the key issues facing the global economy including the growing disparity of income wealth between persons and economic areas environmental degradation issues associated with employment and the regularity of economic financial crises The authors examine potential policy responses such as modern monetary theory models of public ownership and the need to move

beyond standard concepts of growth They also explore the deficiencies of orthodox economics and contend that a more pluralist approach to economics is required in the public sphere in academia and in the classroom in order to help face the challenges of the twenty first century This book is invaluable reading for students and scholars across the social sciences who are interested in alternatives to mainstream economic thinking Contemporary Issues in Labor, Public Finance & Administration Derya Demirdizen Çevik, Osman Geyik, 2019-12-18 This book is written as an outcome of the tenth congress of CUDES Current Debates in Social Sciences This volume is broken down into four parts which fits logically into the subjects of the chapters The parts are composed of several defining papers that are basically in the area of Public Finance Public Administration Labour Economics and International Relations The book covers a wide range of subjects from finance to labour markets research and other administrative topics related to current issues in these fields The opinions in each articles reflect its authors own thoughts Contemporary Issues in Development Economics B. N. Ghosh, 2001-04-12 This new collection of articles puts the very latest issues in economic development under the microscope exploring them from a variety of perspectives Beginning with an assessment of the current state of play in development the authors move forward to examine neglected issues such as human development gender brain drain military expenditure and post colonial theory While analysing the problems of external debts technology transfer and new theories of international trade the relationship between developing and developed economies is fully explored The book also examines the important topics of financial reform structural adjustments and the role of the IMF in the new financial architecture The highly respected contributors subject these critical issues to thorough analysis with suggestions towards resolving some of these problems making this an indispensable book that researchers and students of development economics cannot afford to miss *Immigrant Integration In Contemporary Singapore: Solutioning Amidst Challenges* Mathews Mathew, Melvin Tay, 2023-01-17 Singapore's success as a global city is in no small part attributable to its stance on foreign labour and immigrants illustrated by a largely welcoming but discerning immigration regime to fulfil vital socio economic needs However this fairly liberal policy on immigration has been met with substantial disquiet over the last decade Xenophobic tendencies have surfaced periodically and have been compounded by the Covid 19 pandemic This edited volume spotlights these contemporary issues on immigrant integration in Singapore and adopts a functional approach by explicitly bridging academic and practitioner perspectives The chapters are organised into three sections The first section on Challenges discusses various dominant trends obstacles to immigrant integration based on ethnicity culture and religion and the fear and associated emotions that characterise reactions to immigration The second section focuses on Communities their perspectives and lived experiences in Singapore society The latter differ substantially depending on migrant statuses and are contingent on social capital defined in relation to locals in the city state The last section seeks to illustrate the various Solutioning endeavours in tandem with the contentious nature of immigration These concrete efforts range from ground up initiatives community based collaborative approaches and

government programming all seeking to advance immigrant integration in Singapore

*Realism and Interdependence in Singapore's Foreign Policy* Narayanan Ganesan, 2005-10-18 Singapore's existence and success derive in part from its achievements in the domestic political arena and in part from the skilful management of a well defined foreign policy with clearly identifiable goals and issues A visible core of realist self reliance is layered with the demands of a competitive trading state that requires a liberal international trading regime Hence both competitive and cooperative philosophies support Singapore's foreign policy This text charts the philosophical underpinning of Singapore's foreign policy output and the institutions responsible for it and examines the importance of economic and defence diplomacy that are central to Singapore's foreign policy output It gives particular attention to the two most important regional bilateral relationships with Indonesia and Malaysia and how relations with its adjacent neighbours have influenced Singapore's foreign policy Combining first hand research with excellent analysis this volume provides a much needed report on the survival of a small state in the globalizing world

*Economic growth and development in Singapore* Peter Wilson, 2002 In this book Gavin Peebles and Peter Wilson offer an historical overview of the rapid growth and development of the Singapore economy detailing the institutions and policies which have made this growth possible They examine the current state of the economy and its future in terms of prospective growth and structural change

**Why Not? Thinking About Singapore's Tomorrow** Margaret Thomas, Kanwaljit Soin, 2024-06-21 What is the society you want to see take shape in Singapore in the years ahead How can we ensure it will be a society where there is gender equality where every person can live the life they want A diverse group of writers women and men teenagers and octogenarians artists academics caregivers journalists doctors lawyers and many others offer their thoughts about these questions and more their vision of the ideal Singapore Their essays will make you think and you too may begin to say Why not

*A History of Human Rights Society in Singapore* Jiyoung Song, 2017-05-08 Singapore's tough stance on human rights however does not negate the long and persistent existence of a human rights society that exists almost unknown to the world The focus of this book is on independent activists and writers documenting this tradition in Singapore society that has a legacy of defending universal values of individual human rights It uncovers their discourses main contentions campaigns survival strategies prominent activists and their untold stories during Singapore's first 50 years of independence

*Asia-Pacific Contemporary Finance and Development* William A. Barnett, Bruno S. Sergi, 2019-06-19 This volume of The International Symposia in Economic Theory and Econometrics explores and investigates contemporary challenges and issues facing the Asia Pacific economies For researchers and students of economics and finance this volume is a fascinating exploration of emerging topics in one the fastest growing economies in the world

**The ASEAN Digital Economy** Paul Cheung, Xie Taojun, 2023-08-15 Boasting the fastest growing Internet market in the world Association of Southeast Asian Nations ASEAN is accelerating into the digital economy This book assesses the potential economic impact of digital economy agreements DEAs and the readiness of some ASEAN member states to grow the digital

economy in collaboration The book presents a novel framework to assess countries readiness to enter digital economy collaborations following the architecture of Singapore s DEAs with its trading partners It takes a bird s eye view of the digital economy in ASEAN and reviews the current state of digital infrastructure and regulations The book also includes simulation exercises to project economic outcomes delivered by regional collaborations It also elaborates on the specific strengths and weaknesses of five ASEAN member states These ASEAN member states include Indonesia Malaysia the Philippines Vietnam and Cambodia The book concludes by revisiting the ASEAN economy as a whole It points out key issues country leaders need to work on as they proceed with digital economy collaborations This book is written for scholars policymakers and industrial practitioners who wish to learn the latest developments in the ASEAN digital economy

**The Singapore Economy** Hian Teck Hoon,2021-09-26 Even after achieving the status of a developed economy many economies face other challenges which may include economic stagnation and income inequality The book looks at how a mature economy can continue to weather challenges and how the growth of living standards will depend on productivity growth through Singapore s experience After Singapore s rapid economic transformation the nation is at a crossroads The book explains how productivity growth in turn depends on technological diffusion from abroad as well as indigenous innovation It also examines how the design of policy to develop indigenous innovation to promote economic dynamism may come with creative destruction and disruptive effects on jobs and wages The Singapore Economy provides insight into how we can maintain social cohesion and establish a political equilibrium that embraces the new sources of growth through policy formulation for economic inclusion

**Law, Social Sciences, and Public Policy** Anthony Chin,Alfred Choi,1998 Professionals and government officials often encounter a variety of legal and public policy questions which have economic sociological political and spatial overtones and implications This volume brings together lawyers and social scientists to discuss pertinent issues from their relevant expertise with the aim of providing new insights into the different training skills and background of law and the social sciences which would in turn contribute to a more symbiotic relationship between the two disciplines to help policy and decision makers be fair and efficient in implementing or advising regulatory and developmental programmes This volume should be a useful reference to policy makers professionals advising the government lawyers and researchers undertaking inter disciplinary studies

**Educating for the 21st Century** Suzanne Choo,Deb Sawch,Alison Villanueva,Ruth Vinz,2016-10-20 All over the world governments policymakers and educators are advocating the need to educate students for the 21st first century This book provides insights into what this means and the ways 21st century education is theorized and implemented in practice The first part Perspectives Mapping our futures in the making uncovers the contradictions tensions and processes that shape 21st century education discourses The second part Policies Constructing the future through policymaking discusses how 21st century education is translated into policies and the resulting tensions that emerge from top down state sanctioned policies and bottom up initiatives The third

part Practices Enacting the Future in Local Contexts discusses on the ground initiatives that schools in various countries around the world enact to educate their students for the 21st century This volume includes contributions from leading scholars in the field as well as educators from schools and those working with schools Current Issues in Economic

Integration M. Bruna Zolin,2016-05-13 The current economic crisis has called into question the long term viability of the decoupling between multinational firms and the banking system It has also cast serious doubts on the US dollar centred monetary system and invited reassessment of the long term viability of US China economic relations based on a US current account deficit absorbed by Chinese financial institutions It is also an opportunity to analyse the rise in property prices particularly in fast growing economies Long term food security is also an issue bringing to the fore the multinational firms from emerging economies such as China and India and calling into question the response strategies of multinational firms from the West and Japan This book engages these key issues within the broad theme of integration to give an up to date consideration of the subject opening debate on the future stimulating role that Asia could play vis vis the West particularly the European Union **East Asian Economic Issues, Vol 4** Jon D Kendall,Donghyun Park,1998-12-24 This book is a

compilation of joint papers written by the staff and students of the Nanyang Business School in Singapore It encompasses a broad range of interesting microeconomic and macroeconomic topics The four sections of the book cover Singaporean microeconomic and macroeconomic issues interdependence among Asia Pacific economies and other Asia Pacific economic issues The book embodies the highest level of technical rigor and commitment to excellence The general public should find this book a handy useful and informative tool for understanding the economics of East Asia In particular analysts and researchers in banks securities houses multinational corporations government ministries and agencies and universities will find the book indispensable for enhancing their understanding of the region s economies **Nation-Building and History Education in a Global Culture** Joseph Zajda,2015-03-24 This book examines the nexus between nation building and history education globally and the implication for cultural diversity and social justice It studies some of the major education reforms and policy issues in history education in a global culture and regards them in the light of recent shifts in history education and policy research In doing so the volume provides a comprehensive picture of the intersecting and diverse discourses of globalisation history education and policy driven reforms It makes clear that the impact of globalisation on education policy and reforms is a strategically significant issue for us all The book focuses on the importance of nation building and patriotism in history education and presents up to date research on global trends in history education reforms and policy research It provides an easily accessible practical yet scholarly source of information about the international concerns in the field of globalisation history education and policy research **Critical Issues In Asset Building In Singapore's Development S**

Vasoo,Bilveer Singh,2018-06-19 Singapore s progress as an independent nation and the uplifting of its people s livelihood have been made possible by stable social and political conditions A more important factor in driving these positive changes

lies with people centric leadership One can contrast the case of Singapore with societies led by self serving leaders whose lack of honesty and integrity brings about immense social and economic hardships to various communities When people suffer under undesirable circumstances they often migrate to seek better future for themselves and their families This book reveals how Singapore s governance grounded on the principle of asset building facilitates the country s growth and development Policies being discussed in this volume include multi culturalism accessible housing social mobility for low income families water resource management and national conscription Highly relevant for students policy makers and the general public interested in socio political and economic development issues this unique piece of work not only gives readers a documentary account of what has been undertaken to empower and assist citizens in the last 50 years or so but also prompts them to reflect on Singapore s future trajectory Related Link s      **Social Futures Of Singapore Society** David Chan,2017-07-14 After celebrating 50 years of independence Singapore is focused on the question of what the future may bring The future is neither predetermined nor random How the chapter turns out will be affected by many economic and social forces but much will also depend on how Singapore and Singaporeans choose to contribute to it Singapore is likely to do well if important unresolved issues can be identified and addressed especially those that require some mindset changes in individuals the community and the government Several questions have become more salient in recent years as Singapore society underwent significant changes What does the future hold for Singapore society Can people in Singapore really respect and embrace diversity of views and mindsets for a better society How can the nation develop a diversity that enhances innovation addresses issues maintains social cohesion and contributes to people s well being What are some ways to build social psychological capital in individuals and communities to develop a strong society that is resilient to shocks failures and unmet expectations Is it possible to move from a society where the role of government is dominant in many areas to one where individuals and communities step up to co create whole of society solutions This book based on the proceedings at the Behavioural Sciences Institute Conference 2016 explores these and other issues about the social futures of Singapore The book is organized into four parts Part I provides an overview of issues involved in thinking about the social futures of Singapore society Part II examines social futures from the perspectives of healthcare and education Part III analyses the relationships linking social futures to the notion of giving and the increasing influence of social media Part IV addresses specific questions on social futures of Singapore society in terms of social and national identities cultural values relationship between economic development and environmental sustainability religious consciousness perceptions of political leaders and relationships between people and government
