Lukashenko A., Riabenka M., Postova V., Кирчата І.М., Серих Д.С., Пестушко B., 2023-03-12 Collective monograph **The Art of Influence** Xiaowei Liu, 2024-06-15 This book features real stories and cases from the author's three decades working in public relations in a global MNC. Stories include learning from similar cases from other industries or sources as well as personal reflections. They are also blended with the latest thinking and developments of corporate communications and public relations. The book will offer insights and guidance that may prove valuable in navigating similar challenges and fostering a deeper understanding of the complexities of PR Essentials of Corporate Communication Cees B.M. Van Riel, Charles J. Fombrun, 2007-08-07 This lively and engaging new book addresses a topical and important area of study. Helping readers not only to understand but also to apply the most important theoretical notions on identity, identification, reputation, and corporate branding, it illustrates how communicating with a company's key audience depends upon all of the company's internal and external communication. The authors, leading experts in this field, provide students of corporate communication with a research-based tool box to be used for effective corporate communications and creating a positive reputation. *Essentials of Corporate Communication* features original examples and vignettes drawn from a variety of US, European, and Asian companies with a proven record of successful corporate communication, thus offering readers best practice examples. Illustrations are drawn from such global companies as Virgin, IKEA, INVE, and Lego. Presenting the most up-to-date content available, it is a must-read for all those studying and working in this field **Virtual Thailand** Glen Lewis, 2007-05-07 Written by an established expert on Thailand, this is one of the first books to fully investigate the Thai media's role during the Thaksin government's first term. Incorporating political economy and media theory, the book provides a unique insight into globalization in Southeast Asia, analyzing the role of communications and media in regional cultural politics. Examining the period from the mid 1990s, Lewis makes a sustained comparison between Thailand and its neighbouring countries in relation to the media, business, politics, and popular culture. Covering issues including business development, tourism, the Thai movie industry, and the war on terror, the book argues that globalization as it relates to media can be patterned on Thai experiences *Elgar Encyclopedia of Family Business* Carole Howorth, Allan Discua Cruz, 2024-03-14 The intertwining of family relationships with business imperatives provides a fascinating but complex arena for study. This Encyclopedia is a valuable resource because family business studies are necessarily multi-disciplinary and wide-ranging, drawing on entrepreneurship, management, governance, economics, ethics, business history, as well as family studies Asian Business, 2001 *Global Encounters* Iris Guske, 2011-05-25 Scholars throughout the world have come together again in a second book to share their most successful teaching practices and concerns in the areas of cross-cultural studies and international education. Many disciplines are represented, and diverse subjects are discussed: science literacy and worldview perspective, second language acquisition, student mobility, and

international universities teacher professional development and government programs for disadvantaged children zoos industrial paintings and dress designs as cultural artifacts Presentations on these topics are the result of papers given at the annual meeting of the Worldwide Forum on Education and Culture founded 10 years ago in Rome Italy The organization regularly attracts some 100 scholars and practitioners in the fields of education literacy language learning communication and inter cultural studies from all five continents to its annual congress in Rome These conferences as well as this up to date compilation of multi disciplinary academic papers are meant to highlight the growing need for culturally sensitive education that draws on the strengths of both traditional teaching methods and technology rich forms of instruction as well as a host of national and international programs designed to empower teachers and students alike Engaged educators whose research and or critical discourse in classrooms all over the world has given rise to the present volume thus hope to share with a wider audience how they impart knowledge foster skills and nurture qualities in the next generation of global citizens that will enable them to negotiate their personal and professional lives in our modern world Even though communities may no longer be characterized by physical distances as barriers to communicative interchanges perceived and real rifts between different cultures are nevertheless coming alarmingly close to preventing meaningful communication from bringing about true understanding at the individual and societal levels The ontogenesis of the Worldwide Forum on Education and Culture is seen here clearly in the perspectives and presentations of diverse academics who are dedicated to teaching and learning toward the greater goal as Matthew Arnold said in Literature and Science of knowing ourselves and the world
