**Race, Crime, and Criminal Justice** Anita Kalunta-Crumpton, 2025-06-12 One of the most controversial topics on the subject of race crime and criminal justice is the disproportionate representation of Blacks in the criminal justice system as offenders and prison inmates Rather than portraying Blacks as perpetual victims of racism in which societal institutions are solely responsible for reform this book seeks to put the power of change in the hands of Blacks It focuses on the preventative role that Blacks might play and

considers solution oriented ways to stop this vicious cycle      **The New China Review** ,1922      **The New China Review**
