*"Pourquoi faut-il absolument lire ce livre ?
Parce que Plimpton, où qu'il porte

Shadow Box An Amateur In The Ring:

Shadow Box George Plimpton, 2016-04-26 George Plimpton makes his riskiest foray into participatory journalism stepping into the ring against a champion boxer in *Shadow Box* repackaged and including never before seen content from the Plimpton archives Stepping into the ring against light heavyweight champion Archie Moore George Plimpton pauses to wonder what ever induced him to become a participatory journalist Bloodied but unbowed he holds his own in the bout and lives to tell in this timeless book on boxing and its devotees among them Ali Joe Frazier Ernest Hemingway and Norman Mailer *Shadow Box* is one of Plimpton s most engaging studies of professional sport told through the eyes of an inquisitive and astute amateur From the gym the locker room ringside and even in the harsh glare of the ring itself Plimpton documents what it is like to be a boxer an artist of mayhem *Ernest Hemingway* James M. Hutchisson, 2017-03-08 To many the life of Ernest Hemingway has taken on mythic proportions From his romantic entanglements to his legendary bravado the elements of Papa s persona have fascinated readers turning Hemingway into such an outsized figure that it is almost impossible to imagine him as a real person James Hutchisson s biography reclaims Hemingway from the sensationalism revealing the life of a man who was often bookish and introverted an outdoor enthusiast who revered the natural world and a generous spirit with an enviable work ethic This is an examination of the writer through a new lens one that more accurately captures Hemingway s virtues as well as his flaws Hutchisson situates Hemingway s life and art in the defining contexts of the women he loved and lost the places he held dear and the specter of mental illness that haunted his family This balanced portrait examines for the first time in full detail the legendary writer s complex medical history and his struggle against clinical depression The first major biography of Hemingway in over twenty years this monumental achievement provides readers with a fresh comprehensive look at one of the most acclaimed authors of the twentieth century *Apparition of Splendor* Elizabeth Gregory, 2021-08-13 *Apparition of Splendor* looks in depth at Marianne Moore s elaborately constructed multi dimensional poems of her 1950s 60s celebrity phase in which cross dressed as George Washington she presented her poetry as part of a comedic performance This biography shows how her poems challenge the highbrow hierarchy of art and invite the readers into the process of making meaning out of their daily lives **Shadow Box** George Plimpton, 1979 **FRIDAY NIGHT WORLD** Roger Zotti, 2014-04-22 *Friday Night World* is an homage to the author s favorite boxers of the 1950s While some of them are still well known but others aren t they have one thing in common they are all courageous athletes At the same time the book is a memoir about growing up in New Haven during the fifties era You ll also be treated to reviews of books about boxing by Joyce Carol Oates George Plimpton Richard Kaletsky Budd Schulberg and others as well as to personal essays about the sweet science **A Social History of Sheffield Boxing, Volume I** Matthew Bell, Gary Armstrong, 2021-02-20 *A Social History of Sheffield Boxing* combines urban ethnography and anthropology sociological theory and place and life histories to explore the global phenomenon of boxing Raising many issues pertinent to the social

sciences such as contestations around state regulation of violence commerce and broadcasting pedagogy and elite sport and how sport is delivered and narrated to the masses the book studies the history of boxing in Sheffield and the sport's impact on the cultural political and economic development of the city since the 18th century Interweaving urban anthropology with sports studies and historical research the text expertly examines a variety of published sources ranging from academic papers to biographies and from newspaper reports to case studies and contemporary interviews In Volume I Bell and Armstrong construct a vivid history of boxing and probe its cultural acceptance in the late 1800s examining how its rise was inextricably intertwined with the industrial and social development of Sheffield Although Sheffield was not a national player in prize fighting's early days throughout the mid 1800s many parochial scores and wagers were settled by the use of fists By the end of the century boxing with gloves had become the norm and Sheffield had a valid claim to be the chief provincial focus of this new passion largely due to the exploits of George Corfield Sheffield's first boxer of national repute Corfield's deeds were later surpassed by three British champions Gus Platts Johnny Cuthbert and Henry Hall Concluding with the dual themes of the decline of boxing in Sheffield and the city's changing social profile from the 1950s onwards the volume ends with a meditation on the arrival of new migrants to the city and the processes that aided or frustrated their integration into UK life and sport
