Shadow Play The Rats Two Novellas:

Shadow Play ; The Rats José Bianco,1983 Complicated relationship triangles plague the characters of these two novellas by Latin American writer Jose Bianco In Shadow Play three sections give focus to three different characters in turn and each battles the dangerous balance between love and loss as well as the varying forms in which the two sides can manifest The Rats reveals the complex desires and motives involved in a twisted family secret Intensely psychological there is more than one mystery at work in the story Latin American Writers on Gay and Lesbian Themes David William Foster,1994-11-07 Gay and lesbian themes in Latin American literature have been largely ignored This reference fills this gap by providing more than a hundred alphabetically arranged entries for Latin American authors who have treated gay or lesbian material in their works Each entry explores the significance of gay and lesbian themes in a particular author's writings and closes with a bibliography of primary and secondary sources The figures included have a professed gay identity or have written on gay or lesbian themes in either a positive or negative way or have authored works in which a gay sensibility can be identified The volume pays particular attention to the difficulty of ascribing North American critical perspectives to Latin American authors and studies these authors within the larger context of Latin American culture The book includes entries for men and women and for authors from Latin American countries as well as Latino writers from the United States The entries are written by roughly 60 expert contributors from Latin America the U S and Europe **The Noé Jitrik Reader** Noe Jitrik,2005-05-04 Collection of groundbreaking essays by Noe Jitrik an important critic of Latin American literature **Encyclopedia of Contemporary Latin American and Caribbean Cultures** Daniel Balderston, Mike Gonzalez, Ana M. essays collected here offer several entryways into the understanding and appreciation of the Latin American novel in Spanish speaking America and Brazil The volume conveys a real sense of the heterogeneity of Latin American literature highlighting regions whose cultural and geopolitical particularities are often overlooked Indispensable to students of Latin American or Hispanic studies and those interested in comparative literature and the development of the novel as genre the Companion features a comprehensive bibliography and chronology and concludes with an essay about the success of Latin American novels in translation *Encyclopedia of Twentieth-Century Latin American and Caribbean Literature, 1900-2003* Daniel Balderston, Mike Gonzalez, 2004-02-12 The Encyclopedia of Twentieth Century Latin American and Caribbean Literature 1900 2003 draws together entries on all aspects of literature including authors critics major works magazines genres schools and movements in these regions from the beginning of the twentieth century to the present day With more than 200 entries written by a team of international contributors this Encyclopedia successfully covers the popular to the esoteric The Encyclopedia is an invaluable reference resource for those studying Latin American and or Caribbean literature as well as being of huge interest to those following Spanish or Portuguese language courses **Latin America in Books** ,1986

Mutual Impressions Ilan Stavans, 1999 It is commonly assumed that the United States and Latin America culturally so different move artistically to very different rhythms Also common is the assumption that with rare exception the literary figures on one side of the global North South divide have had little interest in the work of their counterparts With *Mutual Impressions* Ilan Stavans dispels these notions by showing how solid the bridges between writers and across borders have been at least since the early days of this century and how crucial they are likely to become as we enter the next millennium Divided into symmetrical halves South reading North and North reading South the book presents essays by leading novelists poets and other writers that focus on the work of another literary figure from across the divide Borges for example finds in Hawthorne the perfect precursor to his own interest in allegories Katherine Anne Porter examines Jos Joaqu n Fern ndez de Lizardi as a rascal whose picaresque views of life in *The Itching Parrot* served to launch the Latin American novel Cort zar s study of the plots and style of Poe shows an affinity that left an indelible mark on the Argentine s short fiction Susan Sontag views Machado de Assis as the ultimate mirror a proto postmodernist With other essays by Thomas Pynchon William H Gass John Updike Gabriel Garc a M rquez Alejo Carpentier John Barth Robert Coover Pedro Henr quez Ure a Grace Paley Juan Carlos Onetti and Mark Strand among others *Mutual Impressions* offers a remarkable view of the connections that comprise a literary tradition of the Americas It is a book that will surprise and enliven its readers as it informs and awakens in them a sense of wonder Contributors John Barth Jos Bianco Robert Bly Jorge Luis Borges Alejo Carpentier Hiber Conteris Robert Coover Julio Cort zar Ezequiel Mart nez Estrada Waldo Frank Carlos Fuentes William H Gass Nicol s Guill n William Kennedy Mario Vargas Llosa Gabriel Garc a M rquez Jos Mart Pablo Neruda Victoria Ocampo Juan Carlos Onetti Grace Paley Octavio Paz Katherine Anne Porter Thomas Pynchon Kenneth Rexroth Antonio Ben tez Rojo Barbara Probst Solomon Susan Sontag
