Shadow of the Big Horn Eugene E. Halleran,2020 The Indians were quiet but Scout Bert Monroe s closest friend Charlie Pronghorn had become strangely critical of the whites who had educated him He was joking of course he joked all the time and even if he wasn t criticism couldn t kill a man Moreover the Army believed what everyone knew that the Indians were untrained independent separate groups who had never worked together in a fight But they had never had anyone to organize them Only Monroe wondered and warned He knew Charlie Pronghorn had the education and the training and the guts to fight a mean intelligent war All he needed was a reason And the whites who despised Indians couldn t wait to give him one while the Army went on believing it could lick any dirty bunch of Injuns So the tension grew black and menacing as the gathering tribes in the shadow of the Bighorns Provided by publisher      Shadow of the Big Horn, etc Eugene Edward

*The Battle of the Little Bighorn* W.A. Wallace,2023-09-30 Lt Col George Armstrong Custer died at the hands of Native Americans by the banks of the Little Bighorn in Montana 25th June 1876 This is an established undisputed fact What is disputed is the real reason that he died So forget all you have been indoctrinated to believe and begin to learn the truth George Custer was anathema to his superiors but the populace loved him If he were to stand for president in the coming elections there was a strong possibility that he would win Neither William T Sherman nor Little Phil Sheridan could allow that to happen Thus they conspired to put Custer in a position in the field where the opposing Sioux and Cheyenne were stronger and could deliver the Coup de Gras The first of two volumes to deal with the circumstances that arose leading the

Native Americans on a collision course with the US Army that fateful day and the death of a national hero Subsequently the conspiracy is uncovered and shows how these men used their powers and positions and so deftly covered their tracks Perhaps but not quite 30 years of diligent research has uncovered the truth in this groundbreaking history Unmissable and shocking dare you not read this surprising revelation **The Godfrey Diary of the Battle of the Little Bighorn**

Lieutenant Edward Settle Godfrey, 2014-10-20 REVISED WITH EXPANDED ANNOTATIONS IN 2021 Edward Settle Godfrey kept a diary of his time in General Custer's regiment during the fateful summer of 1876 Here you can read the entire diary from May to September along with Godfrey's 1892 Century Magazine article about the fight Lieutenant Edward Settle Godfrey was commander of K Company of the 7th Cavalry in the battalion of Captain Frederick Benteen Godfrey was a central figure in the Reno-Benteen defense over the 25th and 26th of June 1876 The diary reveals anecdotes and observations of General Custer's mood and behavior before the fight on June 25th as well as the desperate story of survival experienced by the battalions under Reno and Benteen It also contains fascinating details about how the cavalry moved camped and relaxed during the days leading up to the fight Exciting gossipy funny and fascinating every scholar and student of the Last Stand will find this engrossing In 1892 then Captain Godfrey wrote what became a very famous and widely read article for Century Magazine about the Battle of the Little Bighorn Both of these documents are cited by most serious Custer books Be sure to LOOK INSIDE by clicking the cover above or download a sample **The Homestead**, 1925 *Outing*, 1892 **General Technical Report RMRS**, 1998 **The Weekly Live Stock Report**, 1904 *Outing and the Wheelman*, 1892 **The Shadow of My Vision** Michael R. Schultheiss, 1900 An endless enemy Danger stalks their dreams Has their god failed Rosteval and his forces are at the limit of their endurance fighting a hopeless war against the ever reincarnating hordes of an endless enemy When a foreign god seizes control of a potent weapon Rosteval faces a choice between domination and destruction even as a terrifying new danger stalks him and his beloved Ghaitta in their dreams As enemies and rivals close in from every quarter Rosteval Ghaitta and their friends face the greatest uncertainty of all has their god failed them Dark secrets dangerous foes and demanding gods stalk Rosteval's path in *The Shadow of My Vision* sequel to *The Third Way of My God* Get it now **Chinese Shadow Theatre** Fan Pen Li Chen, 2007-06-21 In her study of Chinese shadow theatre Fan Pen Li Chen documents and corrects misconceptions about this once popular art form Drawing on extensive research and fieldwork she argues that these plays served a mainly religious function during the Qing dynasty and that the appeal of women warrior characters reflected the lower classes' high tolerance for the unorthodox and subversive Chinese Shadow Theatre includes several rare transcriptions of oral performances including a didactic play on the eighteen levels of Hell and Investiture of the Gods a sacred saga and translations of three rare hand-copied shadow plays featuring religious themes and women warrior characters Chen examines the relationship between historical and fictional women warriors and those in military romances and shadow plays to demonstrate the significance of both printed works and oral transmission in the

diffusion of popular culture She also shows that traditional folk theatre is a subject for serious academic study by linking it to recent scholarship on drama popular religion and popular culture **Burial** Graham Masterton, 2012-10-22 First published in 1991 this is the story of New York City Friday night Untouched by anything visible Mrs Greenberg s furniture starts to slide across the room and however hard she tries she can t move it back Harry Erskine self taught fortune teller agrees to investigate but soon realises that Mrs Greenberg s moving furniture is just the beginning of a nightmare for it is being drawn by the same inexorable force which drags us all to the grave City by city America is on the brink of falling into the abyss women and children streets and buildings one and all brought thundering and screaming into the dominion of the dead

Shadow of Worlds J. D. Lovil, 2013-04-16 Existence has a billion faces each one an universe coexisting with our own In one such universe a man named Rafe has learned to walk between the worlds Rafe can walk through the shadows of the worlds Anything that he can imagine he can find in the worlds that might be During his wandering he has met other Walkers Some of these have been called gods by our ancestors Odin Zeus or Enlil Brahma or Kali all of these awoke to the truth of infinite worlds and learned to travel among the worlds with purpose The world lines encompass all possibilities and all possible worlds There are an infinite number of worlds in which humans and some who are nearly human live Beyond these worlds are the ones that twist the mind into madness worlds where the rules are not the familiar ones that we expect Far from the places of humanity there are places where in all the universe there are no places to stand where even the stars have never formed and some in which the hydrogen that fills our universe can never be Far beyond these worlds are places so incomprehensible that the eye refuses to see there and the ear cannot hear there places that are beyond madness where the mind dissolves with the merest experience In this place which is neither dark nor light where no rationality or order is possible there are things that live beyond time and space things that hunger for all things The Scourge is from this darkest place and it slowly intrudes into the shadows of order bringing madness to both Man and world It falls to the Walkers in Shadows to unite and to seal the way against the Scourge before the stain of the Scourge s touch can twist all worlds everywhere into madness

A Surgeon with Custer at the Little Big Horn James Madison DeWolf, 2017-05-25 In spring 1876 a physician named James Madison DeWolf accepted the assignment of contract surgeon for the Seventh Cavalry becoming one of three surgeons who accompanied Custer s battalion at the Battle of the Little Big Horn Killed in the early stages of the battle he might easily have become a mere footnote in the many chronicles of this epic campaign but he left behind an eyewitness account in his diary and correspondence A Surgeon with Custer at the Little Big Horn is the first annotated edition of these rare accounts since 1958 and the most complete treatment to date While researchers have known of DeWolf s diary for many years few details have surfaced about the man himself In A Surgeon with Custer at the Little Big Horn Todd E Harburn bridges this gap providing a detailed biography of DeWolf as well as extensive editorial insight into his writings As one of the most highly educated men who traveled with Custer the surgeon was well equipped to compose articulate

descriptions of the 1876 campaign against the Indians a fateful journey that began for him at Fort Lincoln Dakota Territory and ended on the battlefield in eastern Montana Territory In letters to his beloved wife Fannie and in diary entries reproduced in this volume exactly as he wrote them DeWolf describes the terrain weather conditions and medical needs that he and his companions encountered along the way After DeWolf s death his colleague Dr Henry Porter who survived the conflict retrieved his diary and sent it to DeWolf s widow Later the DeWolf family donated it to the Little Bighorn Battlefield National Monument Now available in this accessible and fully annotated format the diary along with the DeWolf s personal correspondence serves as a unique primary resource for information about the Little Big Horn campaign and medical practices on the western frontier

[A Life Cut Short at the Little Big Horn](#) Todd E. Harburn, 2023-02-23 Of the three physicians at the Battle of the Little Big Horn Doctor George Edwin Lord 1846-76 was the lone commissioned medical officer an assistant surgeon with the United States Army s 7th Cavalry one more soldier caught up in the U S government s efforts to fulfill what many people believed was the young country s Manifest Destiny A Life Cut Short at the Little Big Horn tells Lord s story for the first time Notable for its unique angle on Custer s last stand and for its depiction of frontier era medicine the book is above all a compelling portrait of the making of an army medical professional in mid nineteenth century America Drawing on newly discovered documents Todd E Harburn describes Lord s education and training at Bowdoin College in Maine and the Chicago Medical College detailing what the study of medicine entailed at the time for a young man of promise held in universal esteem Lord s time as a contract physician with the army took him in 1874 to the U S Northern Boundary Survey From there Harburn recounts how after a failed romance and the rigors of the U S Army Medical Board examination the young doctor proceeded to his first and only appointment as a post surgeon at Fort Buford in Dakota Territory What followed of course was Lord s service and his death in the Little Big Horn campaign which this book shows us for the first time from the unique perspective of the surgeon A portrait of a singular figure in the milieu of the American military s nineteenth century medical elite A Life Cut Short at the Little Big Horn offers a close look at a familiar chapter in U S history and a reminder of the humanity lost in a battle that resonates to this day
