Jenkins, 2006 After God intervenes with a miracle of global proportions the tide is turned on international atheism and the National Peace Organization NPO The underground church has grown to the extent that Christians are becoming the majority Agent Paul Stepola and his wife Jae are exposed and forced to become international fugitives The NPO will stop at nothing to capture Paul and eliminate the underground church until God intervenes and the final judgment is at hand *Death and the Afterlife* Paul R. Williamson, 2018-03-06 Aspects of death and the afterlife are hotly debated among evangelical Christians In this NSBT volume Paul Williamson works through Old and New Testament passages taking care to understand the ancient Near Eastern and Greco Roman backgrounds Showing that there is exegetical support for the traditional evangelical understanding of death and the afterlife he questions the growing popularity of alternative understandings *Records of Events connected with the history of the Jews, from the Creation to the present time, and their bearing on modern European Society; or the vicissitudes of God's People traced, ... with some observations on the promised restoration of Israel* C. S. MITCHELL, 1849 Scenes from Deep Time M. J. S. Rudwick, 1992 In *Scenes from Deep Time* Martin J S Rudwick traces the earliest attempts to reconstruct the past no one has ever seen With over 100 stunning lithographs and engravings from the eighteenth and nineteenth centuries many reproduced here for the first time since their original publication and accompanied by portions of the original explanatory texts Rudwick argues that scientists and artists made earth history visually compelling as evidence from nature supplanted the biblical view of the distant past **The Dignity of Public Worship. **Nevin's Theology** John Williamson Nevin, 1913      The dignity of public worship, a sermon Daniel Wilson, 1833      *More New Testament Studies* Charles Harold Dodd, 1968      Reports of Cases Decided in the Court of Appeals of the State of New York New York (State). Court of Appeals, 1905      *Passion Narratives and Gospel Theologies* Frank Matera, 2001-06-28

Although the passion narratives of the synoptic gospels can be read as free standing narrative each one of them is the goal and climax of the Gospel story that precedes it In *Passion Narratives and Gospel Theologies* Frank Matera describes the intimate relationship between the theology of each of the synoptic gospels and its passion narrative Matera's study of the Markan passion narrative in light of the Gospel's theology shows that no one can confess that Jesus is the Son of God until he or she acknowledges Jesus as the crucified Messiah and no one can be Jesus disciple unless he or she accepts the scandal of the cross While the Gospel of Matthew continues to develop the great themes of Mark's gospel Matera argues that its passion narrative manifests a distinctive ecclesiological and ethical outlook in light of its unique gospel theology Finally Matera demonstrates how the Lukan passion narrative by presenting Jesus as a model of innocent suffering also contains a distinctive outlook in light of its gospel theology God's righteous suffer afflictions by trial and persecution Comprehensive in scope and clearly written *Passion Narratives and Gospel Theologies* provides a much needed introduction to the synoptic passion narratives and the theology of each evangelist It will be welcome by students and pastors      40 Questions About Typology and Allegory Mitchell L. Chase, 2020-09-29 A survey of two literary devices that are indispensable for understanding salvation history A biblical type is a person place or thing in salvation history that corresponds to a later person place or thing in the scriptural text An allegory is a passage that says one thing in order to say something else Both are common literary devices in the Bible that are vital for understanding truths about Jesus Christ found nowhere else In *40 Questions About Typology and Allegory* Mitchell Chase provides a thorough introduction to both devices showing where they appear throughout Scripture and the historical roles they have played in biblical interpretation In a convenient question and answer format Chase answers key questions such as Why should interpreters care about typology and allegory How do we identify types What are the theological assumptions of typology Do all types lead to Christ What is allegorical interpretation How was allegory practiced in the early church How should we practice allegorical interpretation Situating typology and allegory within salvation history Chase shows how these devices reveal the interconnectedness of Scripture and commonly overlooked aspects of Christ's person and work Scholars Bible teachers and preachers will find this an essential resource for interpreting Scripture more comprehensively      A Protestant Purgatory Laurie Throness, 2016-12-05 How did the penitentiary get its name Why did the English impose long prison sentences Did class and economic conflict really lie at the heart of their correctional system In a groundbreaking study that challenges the assumptions of modern criminal justice scholarship Laurie Throness answers many questions like these by exposing the deep theological roots of the judicial institutions of eighteenth century Britain The book offers a scholarly account of the passage of the Penitentiary Act of 1779

combining meticulous attention to detail with a sweeping theological overview of the century prior to the Act But it is not just an intellectual history It tells a fascinating story of a broader religious movement and the people and beliefs that motivated them to create a new institution The work is original because it relies so completely on original sources It is mystical because it mingles heavenly with earthly justice It is authoritative because of its explanatory power Its anecdotes and insights poetry and song provide intriguing glimpses into another era strangely familiar to our own Of special interest to social and legal historians criminologists and theologians this work will also appeal to a wider audience of those who are interested in Christianity's impact on Western culture and institutions
