Dézafi Frankétienne, 2018-10-30 D zafi is no ordinary zombie novel In the hands of the great Haitian author known simply as Frank tienne zombification takes on a symbolic dimension that stands as a potent commentary on a country haunted by a history of slavery Now this dynamic new translation brings this touchstone in Haitian literature the first book ever published in Haitian Creole to English language readers for the first time Written in a provocative experimental style with a myriad of voices and combining myth poetry allegory magical realism and social realism D zafi tells the tale of a plantation that is run and worked by zombies for the financial benefit of the living owner The owner s daughter falls in love with a zombie and facilitates his transformation back into fully human form leading to a rebellion that challenges the oppressive imbalance that had robbed the workers of their spirit With the walking dead and bloody cockfights the d zafi of the title as cultural metaphors for Haitian existence Frank tienne s novel is ultimately a powerful allegory of political and social liberation

Fatal Prompt Chinmoy Mukherjee, 2025-09-21 He picked up a gold plated fountain pen from the table its nib gleaming under the recessed halogen lights that cast perfect shadowless circles on the mahogany The document before him was stark white its text a dense block of unforgiving legalese the words blurring into a grey wall of text that represented risk liability and most importantly savings It was the 24 million fixed price contract with PCS Global Solutions The pen scratched against the thick expensive paper the sound shockingly loud in the silent room a dry final sound sealing the deal that would doom Flight 482

Poeing the venerable aircraft manufacturer had already blessed this path outsourcing their own maintenance to PCS and praising their cost effective innovation in glossy trade magazines Birgin was merely following the flight plan of progress handing over the intricate vital upkeep of both hardware and software for their entire fleet including the Poeing 786 Drumliner designated VT BRG

The Things We Learn When We're Dead Charlie Laidlaw, 2017-01-26 The Things We Learn When We're Dead is about how small decisions can have profound and unintended consequences but how we can sometimes get a second chance On the way home from a dinner party Lorna Love steps into the path of an oncoming car When she wakes up she is in what appears to be a hospital but a hospital in which her nurse looks like a young Sean Connery she is served wine for supper and everyone avoids her questions It soon transpires that she is in Heaven or on HVN because HVN is a lost dysfunctional spaceship and God the aging hippy captain She seems to be there by accident or does God have a higher purpose after all Despite that The Things We Learn When We're Dead is neither sci-fi nor fantasy It is a book about memory and how if we could remember things slightly differently would we also be changed In HVN Lorna can at first remember nothing But as her memories return some good some bad she realises that she has decisions to make and that maybe she can find a way back home

statues and towering marble monuments Art and reason flourish But history does not stand still The years to come bring wars plagues fires and famines The best emperors in history are succeeded by some of the worst Barbarians descend in endless waves eventually appearing before the gates of Rome itself The military seizes power and sells the throne to the highest bidder Chaos engulfs the empire Through it all the Pinarius family endures thanks in no small part to the protective powers of the fascinum a talisman older than Rome itself a mystical heirloom handed down through countless generations But an even greater upheaval is yet to come On the fringes of society troublesome cultists disseminate dangerous and seditious ideas They insist that everyone in the world should worship only one god their god They call themselves Christians Some emperors deal with the Christians with toleration others with bloody persecution Then one emperor does the unthinkable He becomes a Christian himself His name is Constantine and the revolution he sets in motion will change the world forever Spanning 160 years and seven generations teeming with some of ancient Rome s most vivid figures Saylor s epic brings to vivid life some of the most tumultuous and consequential chapters of human history events which reverberate still
