Uršič,2019-01-15 This book is a study of the phenomena of shadows meant in a broader sense as symbolic forms The shadow is a less real surface replica of some more real form From the Platonic point of view empirical objects are shadows of ideas while from the modern natural point of view shadows are seen and conceived primarily as weaker replicas of bodies which give evidence of their material reality In the first three essays here several topics from the Ancient Egypt and Greece to modern arts and sciences are considered while in the fourth essay the contemporary virtual reality cyber technology and the internet as our parallel shadow world are discussed from the philosophical point of view The main and innovative point of this book is the connection between the meaning of shadows in philosophy and art on the one hand and their role in modern science and technology on the other The book will appeal to a wide span of readers from academic circles students and artists to the general reader interested in the humanities especially in philosophy and art Shadows Sam Murchison

Jr,2012-05-02 Sebastian Slayder is a typical teenager who lives with his parents and two older brothers in the small town of Ridgway North Carolina surrounded by forest and mountains He lives a normal life of a sixteen year old attending high school socializing and hanging with close friends the typical life of a teenager But all that changes in a dream a dream that foreshadows death his death creating a nightmare that will never go away A secret reveals itself through a prophecy that has been passed down for centuries the hunting of the secrete power inside Sebastian Wanted by dark hunters Sebastian must tame his abilities which are controlled by his emotions in order for him to conquer his deepest fear With a loss there s a gain Facing obstacles with love friendship and happiness priorities must be put first in dealing with life and death as the aspect of life changes from light to dark *Shadows of the Eternal* Pasquale De Marco,2025-05-11 In this groundbreaking book

Pasquale De Marco takes us on a profound journey into the nature of shadows those aspects of ourselves that we often fear to acknowledge Through a unique blend of personal insights psychological research and spiritual wisdom Pasquale De Marco reveals the transformative power of embracing our shadows rather than suppressing them Shadows are an inherent part of our existence as inseparable from us as our physical bodies They are the dark side of our psyche the repressed and denied aspects of ourselves that we often fear to acknowledge Yet shadows also contain a wealth of potential for growth and transformation When we deny our shadows we create a split within ourselves We become alienated from our true nature and

live inauthentic lives We may also project our shadows onto others blaming them for our own shortcomings Embracing our shadows is not about condoning or indulging in negative behavior Rather it is about coming to terms with our own imperfections and limitations It is about accepting ourselves for who we truly are both the light and the dark This process of shadow integration is not always easy It can be painful to confront our own darkness However it is a necessary journey if we wish to live authentic and fulfilling lives When we embrace our shadows we become more whole and complete We become more accepting of ourselves and others We become more compassionate and understanding And we become more resilient in the face of life's challenges

Shadows of the Eternal is an essential guide for anyone who wants to understand the nature of shadows and their impact on our lives Through this book you will learn how to Identify your own shadows Integrate your shadows into your life in a positive and meaningful way Use your shadows as a source of strength and wisdom Help others to embrace their own shadows If you are ready to embark on a journey of self discovery and transformation then *Shadows of the Eternal* is the book for you If you like this book write a review on google books [Unlock Your Dream's Wisdom: A Journey of Self-Discovery and Personal Growth](#) Pasquale De Marco,2025-08-11 Embark on a transformative journey into the world of dreams and unlock the secrets of your subconscious mind Discover the profound insights and hidden wisdom that dreams hold and learn to harness their transformative power for personal growth and self discovery In this comprehensive guide to the realm of dreams you ll delve into the various types of dreams from ordinary to lucid and astral and uncover the profound meanings they hold Explore the fascinating world of dream symbolism and interpretation and gain the ability to decipher the hidden messages embedded within your dreams Through a series of practical techniques and exercises you ll learn how to control your dreams and transform them into a realm of conscious exploration and self discovery Overcome nightmares and fears that haunt your sleep and awaken to the boundless possibilities of lucid dreaming where you can consciously navigate the dream world and shape your experiences Discover how dreams can serve as a powerful tool for personal growth and transformation Learn to heal emotional wounds release limiting beliefs and access hidden reservoirs of creativity and inspiration Embrace the wisdom of your dreams and embark on a transformative journey of self discovery and personal empowerment With this book as your guide you ll gain a deeper understanding of the dream realm and its profound impact on your waking life Unlock the transformative power of dreams and awaken to the boundless potential within you This book is a must read for anyone seeking to explore the mysteries of the dream world harness its transformative power and unlock the secrets of their subconscious mind If you like this book write a review **The Man Of Her Dreams And Other Stories** Rachel Lawson,2025-08-22 In dreams he was perfect In waking life he was gone From the visionary mind behind the Gothic Magicians series comes a haunting collection of stories that shimmer with longing mystery and supernatural grace *The Man of Her Dreams and Other Stories* invites readers into a world where love is never simple memory is a ghost that lingers and justice wears a spectral mask Each tale is a lyrical descent into the emotional undercurrents of identity obsession and fate

Whether it is a woman haunted by the echo of a lover who may never have existed or a forgotten poet whose verses summon something far darker than applause these stories blur the line between reality and reverie With poetic precision and atmospheric depth this collection explores the fragile beauty of human connection and the shadows that stretch just beyond it For those who dream in verse and wake in mystery this book is your mirror **Shadow Lines** Lorna Martens,1996-01-01

Intellectual culture in early twentieth century Austria reached levels of originality and excellence that have rarely been equalled before or since *Shadow Lines* examines works by major novelists dramatists poets and intellectuals of that extraordinary era among them Sigmund Freud Arthur Schnitzler Robert Musil Hugo von Hofmannsthal Rainer Maria Rilke Ludwig Wittgenstein and Franz Kafka Lorna Martens considers how each of these authors contributed to a decisive transformation in Austrian culture involving a shift away from the dialectical syntheses of much nineteenth century German thought and culture to potent unresolvable dualisms of known and unknown orderly and chaotic features of human experience consciousness and the unconscious reason and the irrational language and the inexpressible In most of these writers according to Martens all that is knowable reasonable and orderly is grounded in that which is dark irrational chaotic What Martens calls the dark area emerges variously as the unconscious Freud the sexual drive Freud Schnitzler Musil the death instinct Freud Schnitzler the dangerous chaos below the surface of things Rilke the inaccessible totality von Hofmannsthal or the unsayable Mauthner von Hofmannsthal Musil Wittgenstein The essential yet enigmatic relation between the known and the unknown leads to much that is unsettling and strangely fascinating in these writers works A book that shrewdly relates the works of these authors to the intellectual and political turmoil of the times *Shadow Lines* is a new critical appraisal of Austrian literature and intellectual culture at the dawn of the century Lorna Martens is an associate professor in the Department of Germanic Languages and Literatures at the University of Virginia She is the author of *The Diary Novel* *From the Hills of Dream* Fiona Macleod,1907 *Grasping Shadows* William Sharpe,2017 *Grasping Shadows* offers the most thorough examination of the cultural uses of shadows Exploring a myriad of major literary and artistic evocations of shadows *Grasping Shadows* puts forth a unifying theory for how shadows function and how they transformed our relationship to darkness and light **Symbols in Structure and Function- Volume 2** Charles A.
