Shadows Of Shasta:

Shadows of Shasta Joaquin Miller, 2016-06-14 Why this book Because last year in the heart of the Sierras I saw women and children chained together and marched down from their cool healthy homes to degradation and death on the Reservation At the side of this long chained line urged on and kept in order by bayonets rode a young officer splendid in gold and brass and newly burnished from that now famous charity school on the Hudson These women and children were guilty of no crime they were not even accused of wrong But their fathers and brothers lay dead in battle harness on the mountain heights and in the lava beds and these few silent survivors like Israel of old were being led into captivity but unlike the chosen children never to return to the beloved heart of their mountains Do you doubt these statements about the treatment of the Indians Then read this from the man the fiend in the form of man who for years and until recently had charge of all the Indians in the United States
