Rohit Ranjan, 2025-02-26 The echoes of our past reverberate through time like whispers carried by the wind never ceasing never forgotten They linger in the shadows of our memories where love once bloomed and promises were made under the guise of forever Some echoes fade with time swallowed by the noise of life while others persist unbroken haunting and reminding us of what was and what could have been This is a story of two souls bound by love yet separated by life's unpredictable turns It unfolds in the delicate balance between dreams and reality where a deep unspoken connection withstands the tests of time and distance Even as their paths diverge the echoes of their shared history persist drawing them back to the shadows of who they once were The Unbroken Echo Shadows of Us is a poignant exploration of love loss and the enduring power of memories that refuse to fade It's a tale of heartbreak and hope a reminder that while life may pull us apart some bonds remain unbroken echoing eternally in the shadows of our hearts *Shadow Echo Me* Joyce Elaine
