**Living in the Shadow of the Cross** Paul Kivel, 2013-10-01 How our dominant Christian worldview shapes everything from personal behavior to public policy and what to do about it Over the centuries Christianity has accomplished much which is deserving of praise Its institutions have fed the hungry sheltered the homeless and advocated for the poor Christian faith has sustained people through crisis and inspired many to work for social justice Yet although the word Christian connotes the epitome of goodness the actual story is much more complex Over the last two millennia ruling elites have used Christian institutions and values to control those less privileged throughout the world The doctrine of Christianity has been interpreted to justify the killing of millions and its leaders have used their faith to sanction participation in colonialism slavery and genocide In the Western world Christian influence has inspired legislators to continue to limit women s reproductive rights and has kept lesbians and gays on the margins of society As our triple crises of war financial meltdown and environmental destruction intensify it is imperative that we dig beneath the surface of Christianity s benign reputation to examine its contribution to our social problems Living in the Shadow of the Cross reveals the ongoing everyday impact of Christian power and privilege on our beliefs behaviors and public policy and emphasizes the potential for people to come together to resist domination and build and sustain communities of justice and peace Paul Kivel is the award winning author of Uprooting Racism and the director of the Christian Hegemony Project He is a social justice activist and educator who has focused on the issues of violence prevention oppression and social justice for over forty five years

**The Game of Shadows** Jett Vorn, Folks let me tell you something about shadows They re not just the dark patches that trail you when the sun s high or the streetlights hum No shadows are secrets the kind that creep into your bones and whisper things you don t want to hear things you can t unhear They re the weight of a truth you d rather bury the kind that claws its way out of the dirt no matter how deep you dig And in The Game of Shadows Elena Rossi s chasing those secrets running headlong into a darkness that s been waiting for her since the day her world burned down Imagine a woman tough as nails but cracked in places she won t admit standing in the ashes of her family s home in Kyiv her father s screams still ringing in her ears Elena s a journalist you see the kind who d rather bleed than back down and she s got a fire in her that s half rage half something else something older like a promise carved in stone Her daddy was a keeper of truths dangerous ones and he left her a puzzle a box a mystery a map to a conspiracy that makes the world s wars and plagues look like puppet shows The True Power they call themselves fanatics who think humanity s a disease and they re the surgeons holding the scalpel Now Elena s not alone She s got Marcus Gray a burned out FBI man with scars on his hands and ghosts in his eyes the kind of guy who d laugh in the face of death but cry in the dark when no one s looking There s Sofia Conti a woman carrying the guilt of betraying her own sister to the True Power s labs where minds are wired like machines And then there s the Ultima Ombr a killer with a golden mask moving like smoke cutting throats and leaving notes that chill your blood They re all pieces on a board and the game s rigged every step toward the truth costs Elena a piece of her soul This isn t a story about heroes in capes or villains twirling mustaches It s about the cost of knowing too much the kind of knowing that makes you flinch at loud noises and check the locks twice It s about a woman who s hunting a box that could crack the world open and maybe just maybe she ll have to decide if the truth is worth the price So turn the page friend but don t say I didn t warn you once you step into The Game of Shadows the darkness doesn t let go It s waiting just like it was for Elena and it s got your name written all over it
