

# SUMMER SHADOWS™

A stylized illustration for a movie poster. In the foreground, a man with short blonde hair and sunglasses lies on his stomach on a blue and white striped beach towel. He is wearing dark swim trunks and has his chin resting on his hand. In the background, a large, bright red sun is setting over a dark, rocky coastline. Several small figures of people are silhouetted against the sun, standing on a distant shore. The sky is a deep blue with a few birds flying.

**Shadows of Summer** Catherine Brent, 1969-01-01 *Rural readers* Vincent Thomas Murché, 1901 **In Pursuit of Poem Shadows** Kay Pritchett, 2011-04-07 Born in the small Extremaduran town of Moraleja in 1946 Spanish poet Pureza Canelo at the age of twenty five published her first collections of poetry *Celda verde* and *Lugar com n* winner of the 1970 Adonais Prize By 1979 she had settled upon an understanding of her own aesthetic evolution which she elaborated in *Habitable Primera po tica* Then in 1986 after a period of disenchantment with the written word during which she published only two chapbooks *Espacio de emoci n* 1981 and *Vega de la paloma* 1984 she redefined her position in *Tendido verso Segunda po tica* Designed to complement Nature s Colloquy with the Word Pureza Canelo s First Poetics Bucknell 2004 the current text deciphers the intricate poetic language of the poet s mature works which at the time of writing included the two above mentioned chapbooks as well as *Tendido verso Pasi n in dita* 1990 and *No escribir* 1999 The author traces recurrent aesthetic and philosophical positions that serve to differentiate the poet s first and second poetics *Tendido verso* is the volume in which temporality supersedes essence and in so doing breaks with insights expressed by Juan Ram n Jim nez during his Modernist phase In *Pasi n in dita* the intimate pronominal discourse between poet and creative other allows them to coalesce into an indeterminate being At this point the desired goal of the creative process is achieved the holy wedding hieros gamos of poet and creative other occurs *No escribir* abandons the struggle of Canelo s previous books and carries out the method prescribed by her second poetics She recognizes that only the creative process can satisfy her desire and that love the dominant symbol for creation indeed allows the pain of poetic failure to cease Passion nonetheless must stop short of fulfillment since the written poem laden with the poet s gaze and subjectivity cannot exist apart from its shadow
