Shadows Of Yesterday One Familys History:

Shadows of Yesterday Charles Hood, 2005-06-01 *Shadows of Yesterday One Family's Story* written and edited by Charles G Hood and Christopher S Hood is a richly detailed and intriguing portrait of one family's journey through the twentieth century. Combining biographies of the Hood parents William S Hood and Anne M Hood with personal recollections of childhood and early adulthood written by the six Hood children, the authors provide a fascinating series of vignettes that tell the tale of this typical American family. From Fairmont West Virginia to Carmel Indiana and eventually to Pickens South Carolina, the family timeline cuts across many geographic locales and features an abundance of both triumphs and tragedies. Perhaps the most difficult loss was the premature death of the father William S Hood, and this unfortunate occurrence is described in the most intimate of terms by the surviving children. Other more joyous family events such as the holiday traditions, the family pets, vacations, and other blissfully innocent memories of youth are intertwined into poignant narratives that even those readers who do not know the authors' family may enjoy perusing. The book concludes with a description of the later years of the surviving mother Anne M Hood as she carved out a new life for herself and her children and ultimately as she faced her own demise with grace. The book is a product of nearly three years of intensive research with surviving family members and friends, review of old letters, cards, and photographs, viewing of reels of family home movies, and travel to the many old neighborhoods that were once called home. Written in loving memory of William and Anne Hood, *Shadows of Yesterday One Family's Story* is a compelling narrative of those youthful remembrances that all of us carry into adulthood to those whose sense of nostalgia carries them back in time to a simpler and often happier era. The book is further dedicated to Charles G Hood and Christopher S Hood, who are also co-authors of a companion book published earlier this year by Xlibris, entitled *Returning to Our Roots: The Long Journey Home*, which stands as a more dispassionate genealogical work. It details the earlier family history and dovetails nicely with the more recent and personal stories contained within this book. Read together, the two books offer a wealth of information about a group of extraordinary people leading ordinary lives in the United States.

The Shadow of Yesterday's Man Tony Ives, 2015-03-28 Sci fi crime noir When a dead man sets you on a collision course with the police and a gunfight in a cemetery as a reasonably respectable PI, you might feel the need to reconsider your line of work. But when a dead woman comes back to life to hire you and someone blows your house up, it might be time to get out of town.

Your Roots Cast a Shadow Caroline Topperman, 2024-12-17 A narrative of cultural translation, identity, and belonging. The thrill of a new place fades quickly for Caroline Topperman when she moves from Vancouver to Poland in 2013. As she delves into her family's history, tracing their migration through pre-WWII Poland, Afghanistan, Soviet Russia, and beyond, she discovers the layers of their complex experiences mirror some of what she felt as she adapted to life in a new country. How does one balance honoring both one's origins and new surroundings? *Your Roots Cast a Shadow* explores where personal history intersects with global events to shape a family's identity. From the bustling markets of Baghdad to the quiet

streets of Stockholm Topperman navigates the murky waters of history as she toggles between present and past investigating the relationship between migration politics identity and home Her family stories bring history into the present as her paternal grandmother becomes the first woman allowed to buy groceries at her local Afghan market while her husband is tasked with building the road from Kabul to Jalalabad Topperman s Jewish grandfather a rising star in the Communist Party flees Poland at the start of WWII one step ahead of the Nazis returning later only to be rejected by the Party for his Jewish faith Topperman herself struggles with new cultural expectations and reconciling with estranged relatives A study in social acceptance Topperman contends with what one can learn about an adopted culture while trying to retain the familiar the challenges of learning new languages and traditions even as she examines the responsibilities of migrants to their new culture as well as that society s responsibility to them *Talibanland - Paradise Under the Shadow of Sabers in Afghanistan*
