The Easiest Way to Meet and Pick Up Girls-Ever!! Dusty White, 2006-07-27 As of January 2014 I am taking this book off of the market forever I stated when I wrote this that it was not for mass public distribution This book was always to be limited to under 10 000 copies Sales have been astounding far more than I ever imagined and it is time to let the existing copies wear out and return this information back to the few people who actually do it well I have unpublished all digital versions of this book and they will not return either This book will not be sold again Thank you to everyone who read and used it when you did That was an interesting period in my life But that was then and this is not then This book takes all of the guesswork out of meeting women It is not about relationships or raising a family and it is not another hokey book on how to have some mysterious secret power over women This book teaches you how to get a date tonight without having to spend any money Anyone can do this You will approach women any time anywhere instantly getting them interested in knowing you without feeling nervous or having to resort to pick up lines You will know what to say first what to say after that how to grab her attention and focus it exclusively on you and get her number or a date on the spot The first section of this book analyzes every possible way you could

approach women The second section of this book reveals a secret devious way to pick up almost every woman you meet without her even guessing that you are working your magic on her Subsequent sections provide help and troubleshooting guides We won't make you a guru of getting girls We will get you dates The biggest problem most men have in getting dates is knowing how to approach attractive girls they see every day of the week at the office gas station standing in line anywhere Too many men rely on nightclubs bars and personal ads to get dates ignoring the women they see e v e r y d a y *Thug Poetry* Alan Hines, 2014-12-30 Thug poetry is a combination of inner emotions about people places and things Each poem puts you in a mind frame of a short story from the political arena of governing to the murdering tendencies of others to the love and even hate of sisters and brother and even touch basis on the Heavenly Father but only in positive way Facebook Alan Hines Email alan_hines yahoo com *A Bird's Eye View a Different Take on Love, Relationships, the Celebrity Life-Style and Sports* Stephanie Dolce, 2011-03-12 This novel is taken from my experiences from other people's experiences and from any thought provoking idea that crosses my path Throw in how Television radio and even sports plays a role in how we live our lives and you got yourself a very interesting take on love relationships and the American obsession with the Celebrity world So ask yourself Do fairy tales really exist or are we kidding ourselves by believing that we all will someday find that happily ever after ending in our lives And after you ask that question read *A Bird's Eye View* and find out **Fire in the Water, Earth in the Air** Christopher J. Oglesby, 2013-06-11 From Buddy Holly and the Crickets to the Flatlanders Terry Allen and Natalie Maines Lubbock Texas has produced songwriters musicians and artists as prolifically as cotton conservatives and windstorms While nobody questions where the conservatives come from in a city that a recent nonpartisan study ranked as America's second most conservative many people wonder why Lubbock is such fertile ground for creative spirits who want to expand the boundaries of thought in music and art Is it just that there's nothing else to do as some have suggested or is there something in the character of Lubbock that encourages creativity as much as conservatism In this book Christopher Oglesby interviews twenty five musicians and artists with ties to Lubbock to discover what it is about this community and West Texas in general that feeds the creative spirit Their answers are revealing Some speak of the need to rebel against conventional attitudes that threaten to limit their horizons Others such as Joe Ely praise the freedom of mind they find on the wide open plains There is this empty desolation that I could fill if I picked up a pen and wrote or picked up a guitar and played he says Still others express skepticism about how much Lubbock as a place contributes to the success of its musicians Jimmie Dale Gilmore says I think there is a large measure of this Lubbock phenomenon that is just luck and that is the part that you cannot explain As a whole the interviews create a portrait not only of Lubbock's musicians and artists but also of the musical community that has sustained them including venues such as the legendary Cotton Club and the original Stubb's Barbecue This kaleidoscopic portrait of the West Texas music scene gets to the heart of what it takes to create art in an isolated often inhospitable environment As Oglesby says Necessity is the mother of creation Lubbock needed beauty

poetry humor and it needed to get up and shake its communal ass a bit or go mad from loneliness and boredom so Lubbock created the amazing likes of Jimmie Dale Gilmore Butch Hancock Terry Allen and Joe Ely **Billboard** ,1979-12-22 In its 114th year Billboard remains the world s premier weekly music publication and a diverse digital events brand content and data licensing platform Billboard publishes the most trusted charts and offers unrivaled reporting about the latest music video gaming media digital and mobile entertainment issues and trends *A Good Night Out for the Girls* E.
