Shakespeare, Brainerd Kellogg

Shakespeare Coriolanus:

Coriolanus David George,2022-02-10 First published in 2004 David George's majestic compendium of criticism relating to Shakespeare's Coriolanus was recognised as a major contribution to teaching and scholarship on the play This new edition has been updated with a new supplementary introduction by the author tracing criticism on the play since that first publication including materialist psychoanalytic and feminist readings as well as further readings of the play's politics As with all titles in the series this edition increases our knowledge of how Shakespeare's plays were received and understood by critics editors and general readers The volume offers in separate sections both critical opinions about the play across the centuries and an evaluation of their positions within and their impact on the reception of the play The chronological arrangement of the text excerpts engages the readers in a direct and unbiased dialogue whereas the substantial introduction offers a critical evaluation from a current stance including modern theories and methods Thus the volume makes a major contribution to our understanding of the play and of the traditions of Shakespearean criticism surrounding it as they have developed from century to century *Spirit, Soul, and City* Jan H. Blits,2006-01-01 Spirit Soul and City offers a new reading of Coriolanus Shakespeare's most political play and the last of his great tragedies Portraying the founding of the Roman republic and the life and soul of its legendary warrior Coriolanus the play brings to light not only the hidden working of Rome's mixed regime but the inherent tragic tensions in the soul's spirited tendency to strive to go beyond itself in order to be true to itself Distinguished scholar Jan H Blits provides a fresh interpretation of this rich complex and often perplexing play combining meticulous detail and insightful breadth Proceeding line by line through the play this book reaches its conclusions by closely examining Shakespeare's text his plot characters language structure allusions puzzles and other devices

William Shakespeare's Coriolanus William Shakespeare,1864 **Shakespeare's Coriolanus** William Shakespeare,1878 Coriolanus William Shakespeare,1927 *William Shakespeare's Coriolanus* William Shakespeare,Plutarch,Sir Thomas North,2015-09-01 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of the preservation process and thank you for being an important part of keeping this knowledge alive and relevant Coriolanus William Shakespeare,2014-12-16 Raised to the heights of power in recognition

of his bravery against the Volscian army Caius Marcius Coriolanus finds himself betrayed by Brutus and Sicinius Exiled from Rome and seeking vengeance Coriolanus allies himself with the Aufidius a general in the Volscian army But as Coriolanus discovers with tragic consequences treachery begets treachery Known as The Bard of Avon William Shakespeare is arguably the greatest English language writer known Enormously popular during his life Shakespeare s works continue to resonate more than three centuries after his death as has his influence on theatre and literature Shakespeare s innovative use of character language and experimentation with romance as tragedy served as a foundation for later playwrights and dramatists and some of his most famous lines of dialogue have become part of everyday speech HarperPerennialClassics brings great works of literature to life in digital format upholding the highest standards in ebook production and celebrating reading in all its forms Look for more titles in the HarperPerennial Classics collection to build your digital library

Shakespeare's Tragedy of Coriolanus William Shakespeare,1909 *Coriolanus* William Shakespeare,2000-03-09 This generously annotated edition offers a thorough reconsideration of Shakespeare s remarkable and probably his last tragedy

SHAKESPEARES CORIOLANUS William 1564-1616 Shakespeare,Brainerd Kellogg,2016-08-27 *William Shakespeare - Coriolanus* William Shakespeare,2016-10-09 Set in the earliest days of the Roman Republic Coriolanus begins with the common people or plebeians in armed revolt against the patricians The people win the right to be represented by tribunes Meanwhile there are foreign enemies near the gates of Rome The play explores one reason that Rome prevailed over such vulnerabilities its reverence for family bonds Coriolanus so esteems his mother Volumnia that he risks his life to win her approval Even the value of family however is subordinate to loyalty to the Roman state When the two obligations align the combination is irresistible Coriolanus is so devoted to his family and to Rome that he finds the decision to grant the plebians representation intolerable To him it elevates plebeians to a status equal with his family and class to Rome s great disadvantage He risks his political career to have the tribunate abolished and is banished from Rome Coriolanus then displays an apparently insatiable vengefulness against the state he idolized opening a tragic divide within himself pitting him against his mother and family and threatening Rome s very existence *Shakespeare's Coriolanus* William Shakespeare,2015-08-31 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we concur that this work is important enough to be preserved reproduced and made generally available to the public We appreciate your support of

Coriolanus: A Critical Reader Liam E. Semler, 2021-01-28 Coriolanus is the last and most intriguing of Shakespeare's Roman tragedies Critics directors and actors have long been bewitched by this gripping character study of a warrior that Rome can neither tolerate nor do without Caius Martius Coriolanus is a terrifying war machine in battle a devoted son to a wise and ambitious mother at home and an inflammatory scorner of the rights and rites of the common people This Critical Reader opens up the extraordinary range of interpretation the play has elicited over the centuries and offers exciting new directions for scholarship The volume commences with a Timeline of key events relating to Coriolanus in print and performance and an Introduction by the volume editor Chapters survey the scholarly reaction to the play over four centuries the history of Coriolanus on stage and the current research and thinking about the play The second half of the volume comprises four New Directions essays exploring the rhetoric and performance of the self the play's relevance to our contemporary world an Hegelian approach to the tragedy and the insights of computer assisted stylometry A final chapter critically surveys resources for teaching the play **William Shakespeare, Coriolanus** Stephen Coote, 1992

Coriolanus William Shakespeare, 2017-04-24 How is this book unique Font adjustments biography included Unabridged 100% Original content Illustrated About Coriolanus by William Shakespeare Coriolanus is a tragedy by William Shakespeare believed to have been written between 1605 and 1608 The play is based on the life of the legendary Roman leader Caius Marcius Coriolanus The tragedy is numbered as one of the last two tragedies written by Shakespeare along with Antony and Cleopatra Coriolanus is the name given to a Roman general after his more than adequate military success against various uprisings challenging the government of Rome Following this success Coriolanus becomes active in politics and seeks political leadership His temperament is unsuited for popular leadership and he is quickly deposed whereupon he aligns himself to set matters straight according to his own will The alliances he forges to accomplish his own will result in his ultimate downfall and death *The Plays of William Shakespeare: Coriolanus. Julius Caesar* William Shakespeare, 1806

The Yale Shakespeare: The tragedy of Coriolanus William Shakespeare, 1924 *The Tragedy of Coriolanus* William Shakespeare, 1912 *SHAKESPEARES TRAGEDY OF CORIOL* William 1564-1616 Shakespeare, W. J. (William James) 1827-1910 Rolfe, 2016-08-28 This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it This work was reproduced from the original artifact and remains as true to the original work as possible Therefore you will see the original copyright references library stamps as most of these works have been housed in our most important libraries around the world and other notations in the work This work is in the public domain in the United States of America and possibly other nations Within the United States you may freely copy and distribute this work as no entity individual or corporate has a copyright on the body of the work As a reproduction of a historical artifact this work may contain missing or blurred pages poor pictures errant marks etc Scholars believe and we
