Staub, 2007-06-13 The essays in this book examine the ideology of motherhood in British and American literature from the 16th to the 21st centuries This book looks at the institution of motherhood that is at various cultural interpretations and manipulations of maternity Presenting mothers whose roles are often empowering yet confining these essays scrutinize three distinct aspects of motherhood its social and cultural

construction the significance of maternal absence and finally its representation as an agent of social change Literary works examined include William Shakespeare's *Venus and Adonis* Daniel Defoe's *Roxana* John Steinbeck's *The Grapes of Wrath* Faulkner's *The Sound and the Fury* Charles Dickens' *Dombey and Son* Harriet Jacobs' *Incidents in the Life of a Slave Girl* Dorothy Leigh's *The Mother's Blessing* and W S Penn's *Killing Time with Strangers* among others

**Women and Shakespeare's Cuckoldry Plays** Cristina León Alfar, 2017-02-10 How does a woman become a whore What are the discursive dynamics making a woman a whore And more importantly what are the discursive mechanics of unmaking In *Women and Shakespeare's Cuckoldry Plays* Shifting Narratives of Marital Betrayal Cristina León Alfar pursues these questions to tease out familiar cultural stories about female sexuality that recur in the form of a slander narrative throughout William Shakespeare's work She argues that the plays stage a structure of accusation and defense that unravels the authority of husbands to make and unmake wives While men's accusations are built on a foundation of political religious legal and domestic discourses about men's superiority to and rule over women whose weaker natures render them perpetually suspect women's bonds with other women animate defenses of virtue and obedience fidelity and love work loose the fabric of patrilineal power that undergirds masculine privileges in marriage and signify a discursive shift that constitutes the site of agency within a system of oppression that ought to prohibit such agency That women's agency in the early modern period must be tied to the formations of power that officially demand their subjection need not undermine their acts In what Alfar calls Shakespeare's cuckoldry plays women's rhetoric of defense is both subject to the discourse of sexual honor and finds a ground on which to shift it as women take control of and replace sexual slander with their own narratives of marital betrayal

*Literary Research and the British Renaissance and Early Modern Period* Jennifer Bowers, Peggy Keeran, 2010-04-13 Recognizing that every literary era presents scholars with particular challenges this volume covers the best practices and describes important reference resources both print and electronic that can be used in conducting literary research of the British Renaissance and Early Modern period Although the primary emphasis is on literature produced in England the guide also covers literature from Scotland Wales and Ireland This book addresses specific research characteristics integral to studying the period including a more inclusive canon and the predominance of Shakespeare a dual environment of print and manuscript production the challenges of reading early modern handwriting a lack of reviewing media the role of translations and researching non-standardized genres among others Central to this volume and to literary research of the era are the equally valid approaches to studying this literature through the more traditional Renaissance lens or through the varying theoretical approaches falling under the rubric early modern Bowers and Keeran explore primary and secondary research resources of this era including general literary research guides union library catalogs print and online bibliographies scholarly journals manuscripts and archives microfilm and digitization projects 17th century periodicals contemporary reception translations and lexicons genres and electronic texts journals and Web resources A final chapter entitled

Researching a Thorny Problem demonstrates how many of the research tools and strategies presented in the volume can be employed to explore a question that perhaps has no definitive answer Each chapter addresses how research methods and tools are best used to extract relevant information and compare and evaluate sources The strengths and weaknesses of core and specialized electronic and print research tools and standard search techniques are also examined making this book an invaluable guide to any scholar of the Renaissance and early modern era     *Staging Power in Tudor and Stuart English History Plays* Kristin M.S. Bezio, 2016-03-09 *Staging Power in Tudor and Stuart English History Plays* examines the changing ideological conceptions of sovereignty and their on stage representations in the public theaters during the Elizabethan and early Stuart periods 1580 1642 The study examines the way in which the early modern stage presented a critical dialogue concerning the nature of sovereignty through the lens of specifically English history focusing in particular on the presentation and representation of monarchy It presents the subgenre of the English history play as a specific reaction to the surrounding political context capable of engaging with and influencing popular and elite conceptions of monarchy and government This project is the first of its kind to specifically situate the early modern debate on sovereignty within a popular culture dramatic context its purpose is not only to provide an historical timeline of English political theory pertaining to monarchy but to situate the drama as a significant influence on the production and dissemination thereof during the Tudor and Stuart periods Some of the plays considered here notably those by Shakespeare and Marlowe have been extensively and thoroughly studied But others such as *Edmund Ironside* *Sir Thomas Wyatt* and *King John* and *Matilda* have not previously been the focus of much critical attention

## Shakespeare Studies An Annual Gathering Of Research Criticism Reviews Introduction

In the digital age, access to information has become easier than ever before. The ability to download Shakespeare Studies An Annual Gathering Of Research Criticism Reviews has revolutionized the way we consume written content. Whether you are a student looking for course material, an avid reader searching for your next favorite book, or a professional seeking research papers, the option to download Shakespeare Studies An Annual Gathering Of Research Criticism Reviews has opened up a world of possibilities. Downloading Shakespeare Studies An Annual Gathering Of Research Criticism Reviews provides numerous advantages over physical copies of books and documents. Firstly, it is incredibly convenient. Gone are the days of carrying around heavy textbooks or bulky folders filled with papers. With the click of a button, you can gain immediate access to valuable resources on any device. This convenience allows for efficient studying, researching, and reading on the go. Moreover, the cost-effective nature of downloading Shakespeare Studies An Annual Gathering Of Research Criticism Reviews has democratized knowledge. Traditional books and academic journals can be expensive, making it difficult for individuals with limited financial resources to access information. By offering free PDF downloads, publishers and authors are enabling a wider audience to benefit from their work. This inclusivity promotes equal opportunities for learning and personal growth. There are numerous websites and platforms where individuals can download Shakespeare Studies An Annual Gathering Of Research Criticism Reviews. These websites range from academic databases offering research papers and journals to online libraries with an expansive collection of books from various genres. Many authors and publishers also upload their work to specific websites, granting readers access to their content without any charge. These platforms not only provide access to existing literature but also serve as an excellent platform for undiscovered authors to share their work with the world. However, it is essential to be cautious while downloading Shakespeare Studies An Annual Gathering Of Research Criticism Reviews. Some websites may offer pirated or illegally obtained copies of copyrighted material. Engaging in such activities not only violates copyright laws but also undermines the efforts of authors, publishers, and researchers. To ensure

ethical downloading, it is advisable to utilize reputable websites that prioritize the legal distribution of content. When downloading Shakespeare Studies An Annual Gathering Of Research Criticism Reviews, users should also consider the potential security risks associated with online platforms. Malicious actors may exploit vulnerabilities in unprotected websites to distribute malware or steal personal information. To protect themselves, individuals should ensure their devices have reliable antivirus software installed and validate the legitimacy of the websites they are downloading from. In conclusion, the ability to download Shakespeare Studies An Annual Gathering Of Research Criticism Reviews has transformed the way we access information. With the convenience, cost-effectiveness, and accessibility it offers, free PDF downloads have become a popular choice for students, researchers, and book lovers worldwide. However, it is crucial to engage in ethical downloading practices and prioritize personal security when utilizing online platforms. By doing so, individuals can make the most of the vast array of free PDF resources available and embark on a journey of continuous learning and intellectual growth.
