Furbank,W.R. Owens,2015-10-06 Furbank and Owens attempt to disentangle the story of Daniel Defoe s political career as journalist polemicist political theorist and secret agent They argue that this remarkable career calls for a good deal of rethinking not least because biography and bibliography are here inextricably intertwined **Staging Gender in Behn**

and Centlivre Nancy Copeland,2019-09-26 Staging Gender in Behn and Centlivre studies the representation of gender in four of the most important plays by the leading professional women playwrights of the late Stuart period Behn s *The Rover* 1677 and *The Luckey Chance* 1686 and Centlivre s *The Busie Body* 1709 and *The Wonder A Woman Keeps a Secret* 1714 are first placed in their original theatrical and cultural contexts and then studied through subsequent productions and adaptations extending from the eighteenth century to the twentieth The detailed analysis of these plays is framed by a discussion of the cultural position of the playwrights and the kind of comedy they wrote The survival of these plays in the repertoire offers an unusual opportunity to examine the theatrical double life of works by early women playwrights The lengthy production histories of these comedies placed them in dialogue with radically different ideas of appropriate and permissible behavior for both women and men The resulting productions alterations and adaptations included both feminist reinterpretations and recuperations of the plays challenges to dominant meanings of gender This book will be of interest to scholars and students of dramatic literature theatre and women s studies **Approaches to Teaching Behn's Oroonoko**

Cynthia Richards,Mary Ann O'Donnell,2013-01-01 Once merely a footnote in Restoration and eighteenth century studies and rarely taught *Oroonoko* or *The Royal Slave* 1688 by Aphra Behn is now essential reading for scholars and a classroom favorite It appears in general surveys and in courses on early modern British writers postcolonial literature American literature women s literature drama the slave narrative and autobiography Part 1 of this volume Materials provides not only resources for the teacher of *Oroonoko* but also a brief chronology of Behn s life and work In part 2 Approaches essays offer a diversity of perspectives appropriate to a text that challenges student assumptions and contains not one story but many *Oroonoko* as a romance as a travel account as a heroic tragedy as a window to seventeenth century representations of race as a reflection of Tory Whig conflict in the time of Charles II **Marlowe and Shakespeare** Robert Sawyer,2017-08-22

Instead of asserting any alleged rivalry between Marlowe and Shakespeare Sawyer examines the literary reception of the two when the writers are placed in tandem during critical discourse or artistic production Focusing on specific examples from the

last 400 years the study begins with Robert Greene's comments in 1592 and ends with the post 9/11 and 7/7 era. The study not only looks at literary critics and their assessments but also at playwrights such as Aphra Behn, novelists such as Anthony Burgess and late twentieth century movie and theatre directors. The work concludes by showing how the most recent outbreak of Marlowe as Shakespeare's ghostwriter accelerates due to a climate of conspiracy including belief echoes which presently permeate our cultural and critical discourse.
