Shakespeare In His Time And Ours:

Shakespeare's English and Roman History Plays Paul N. Siegel, 1986 Examines Shakespearean drama's Christian overtones explaining why they have been ignored for so long and how those overtones can influence one's interpretation of Shakespeare's work Shakespeare in His Time and Ours Paul N. Shakespeare in His Time and Ours Paul Noah Siegel, 1968 **Shakespeare's Agonistic Comedy** G. Beiner, 1993 As the poetics is based on the texts not derived by deduction or theoretical extension from some principle of poetics so it is applied as a tool of analysis to the texts and used in conjunction with evaluation The underlying assumption is that the task of poetics is instrumental and that its usefulness has to be demonstrated and verified in practice Hence the division of the book into two parts As Part I formulates a poetics on the basis of the texts so Part II applies the poetics to the major texts always within the dynamics of the multiple plot and multi-layered perspective on a play Part II focuses in detail on *The Merry Wives of Windsor* *The Merchant of Venice* and *Twelfth Night* analyzing the agons and placing them in relation to the comedy of love and the perspective of folly Jacket Shakespeare, Contemporary Critical Approaches Harry Raphael Garvin, Michael Payne, 1980

The study and criticism of Shakespeare has always been of major interest in the literary world but never more than in the last ten years The essays in this volume explore Shakespeare's art that is complementary to the experience of his plays The feelings of the essays create a sensitive atmosphere for creative study **Materialist Shakespeare** Ivo Kamps, 1995

Receptive to influences of such diverse theorists as Derrida Jameson Foucault Irigaray Kristeva Lacan and Althusser materialist Shakespeare criticism has long since left behind the days of vulgar Marxism and has emerged as a rich interpretive practice The essays chosen for this book cover all of Shakespeare's dramatic genres and include works on *King Lear* *Othello* *As You Like It* *Measure for Measure* *The Tempest* *The Merchant of Venice* *Henry V* *Macbeth* *The Taming of the Shrew* and *Julius Caesar* Contributors Paul Delany Louis Adrian Montrose Walter Cohen Alan Sinfield Stephen Greenblatt Michael D Bristol Katherine Eismann Maus James R Andreas Robert Weimann Graham Holderness Lynda E Boose John Drakakis Claire McEachern Frederic Jameson and Ivo Kamps **Shakespeare** J. Hart, 2009-11-23 In this stunning

reinterpretation of Shakespeare's works Jonathan Hart explores key topics such as love lust time culture and history to unlock the Bard's brilliant fictional worlds From an in-depth look at the private and public myths of love in the narrative poems through an examination of time in the sonnets to a discussion of gender in the major history plays this book offers close readings and new perspectives Delving into the text and context of a wide range of poems and plays Hart brings his wealth of experience to bear on Shakespeare's representation of history **Shakespeare and the Uses of Ideology** Sidney

authorship of Shakespeare is two centuries old and the doubters were numerous Mark Twain Samuel Taylor Coleridge Walt Whitman Henry James Ralph Waldo Emerson Charles Dickens Sigmund Freud Charlie Chaplin even Orson Welles questioned the veracity of Shakespeare as author For starters the man had no known education He was raised by illiterate parents in a rural farm village where the local school only had three grades But even that much schooling is in doubt because there is no evidence he was ever registered there or anywhere as a student He signed his wedding certificate with an x His will included no books not even a bible and his gravestone epitaph is superstitious and illiterate So who was the true author Once again the evidence is extensive and conclusive and points in a single direction to a man forced to live in exile sending plays from Italy to the Globe where Shakespeare whose three roles in the company actor producer and author assured that he would be first to receive anything then he simply stamped his name on them Four centuries of grave injustice cannot easily be overcome But this is a start

Shakespearean Tragedy Kiernan Ryan, 2021-07-29 This ground breaking book reveals the prophetic revolutionary vision that drives Shakespeare's tragedies tracing its unbroken development from its beginnings in the Henry VI plays and Shakespeare's first tragedy Titus Andronicus right through to his last Coriolanus The four full length studies at the heart of the book focus in depth on Shakespeare's four greatest tragedies Hamlet Othello King Lear and Macbeth Shakespearean Tragedy engages with each of these titanic masterpieces as a singular complete work of dramatic art with its own distinctive concerns and critical challenges but with the same unmistakably Shakespearean tragic vision at its core Through compelling new readings of the plays grounded in close analysis of their language and form Kiernan Ryan shows how Shakespeare dramatizes the tragic realities of his world from the standpoint of the transfigured future that our world still awaits *Educational Times*, 1921
