

Shakespeare The Jacobean Plays

Kavita Mudan Finn, Valerie Schutte

Shakespeare The Jacobean Plays:

Shakespeare Philip C. McGuire, 1994 Each generation needs to be introduced to the culture and great works of the past and to reinterpret them in its own ways This series re examines the important English dramatists of earlier centuries in the light of new information new interests and new attitudes The books will be relevant to those interested in literature theatre and cultural history and to the theatre goers and general readers who want an up to date view of these dramatists and their plays with the emphasis on performance and relevant cultural history How do the plays Shakespeare wrote during the final decade of his career differ from those written during Elizabeth I s reign Philip C McGuire shows that Shakespeare the professional playwright was as responsive to box office considerations as to artistic concerns was as dedicated to the financial success of the company of actors with whom he worked exclusively from 1594 onwards as to conveying his vision of the human condition Concentrating on Measure for Measure Othello King Lear Macbeth Coriolanus The Winter s Tale and The Tempest McGuire shows the impact on Shakespeare s dramaturgy of changes after 1603 in the circumstances broadly cultural and specifically theatrical within which he worked Those circumstances have continued to change affecting how his Jacobean plays have been and are today performed understood and valued **Jacobean Shakespeare** Peter Milward, 2007 The eminent Shakespeare scholar Peter Milward S J here presents an analysis of Shakespeare s late plays that is both accessible to beginners and beneficial to seasoned scholars **Jacobean Drama** Pascale Aebischer, 2010-07-30 The plays of Shakespeare s contemporaries are increasingly popular thanks to a spate of recent stage and screen productions and to courses that set Shakespeare s plays in context This Reader s Guide introduces students to the criticism and debates that are specific to the drama of playwrights such as Jonson Middleton Dekker and Webster Pascale Aebischer explores recent critical developments in key areas including How the plays were staged and printed Innovative editions of plays How the plays represent and contest the dominant ideologies of the Jacobean period Dramatic genres The representation of the human body and of social gender and race relations Modern productions on stage and screen Featuring suggestions for further research and reading and a filmography of commercially available film versions of non Shakespearean drama this is an invaluable resource for anyone with an interest in the diverse plays of the Jacobean age Shakespeare: The Late Plays Kate Aughterson, 2013-11-18 What makes Shakespeare s late plays so special Through detailed analyses of key passages Kate Aughterson shows how these plays portray a world of political intrigue familial chaos and crisis which teeters continually into tragedy a world we can recognise today Part I of this engaging study Provides stimulating close readings of extracts from The Tempest The Winter s Tale Cymbeline and Pericles Examines major topics such as openings endings familial roles stage properties spectacle and song Offers suggestions for further work and summarizes the methods of analysis Part II supplies essential background material including Detailed accounts of Shakespeare s literary and historical contexts Samples from important critical works and performances With a helpful Further Reading section this illuminating volume is ideal for

anyone who wishes to appreciate and explore Shakespeare's late plays for themselves **A Book for Shakespeare Plays and Pageants** Orië Latham Hatcher, 1916 *Shakespeare, Court Dramatist* Richard Dutton, 2016 Shakespeare made his money from writing for public theatres like the Globe but the companies he served only survived because the royal courts had their own uses for drama to fill the long winter nights of their Revels seasons Shakespeare's plays were performed there more often than those by anyone else and he revised them making them fuller richer and more sophisticated for his royal patrons Shakespeare Court Dramatist outlines the symbiotic relationship between Shakespeare and the court and shows how it affected his writing forging plays like *Romeo and Juliet* and *Hamlet* in the versions we know best today *Shakespeare's Late Plays* Jennifer Richards, 2019-08-07 This new collection reflects a resurgence of interest in Shakespeare's plays performed between 1608 and 1613 *Pericles Cymbeline The Winter's Tale The Tempest All is True Henry VIII The Two Noble Kinsmen and Cardenio* It offers a broad range of new historicist approaches touching upon key topics in current Shakespearean studies such as kinship relations manliness magic medico politics nationalism rhetoric schism sexuality and staging conventions The plays are explored both individually and within generic thematic and chronological groups Each author combines new research with their experience of teaching the plays offering innovative approaches to some well known works as well as encouraging readers to explore less familiar dramas such as *Pericles Cymbeline All is True* and *The Two Noble Kinsmen* The volume is unusual in its coverage of the lost late play *Cardenio* and considers its significance for our conception of the lateness of these plays This book will fill a large gap in the market for a broad ranging critical introduction to this important and increasingly popular area in Shakespeare's work and is suitable as a textbook for undergraduate graduate and more general readers **Shakespeare's Monarchies** Constance Jordan, 2019-05-15 Constance Jordan looks at how Shakespeare through his romances contributed to the cultural debates over the nature of monarchy in Jacobean England Stressing the differences between absolutist and constitutionalist principles of rule Jordan reveals Shakespeare's investment in the idea that a head of state should be responsive to law and not be governed by his unbridled will Conflicts within royal courts which occur in the romances show wives daughters and servants resisting tyrannical husbands fathers masters and monarchs by relying on the authority of conscience These loyal subjects demonstrated to Shakespeare's diverse audiences that the vitality of the body politic its dynastic future and its material productivity depend on a cooperative union of ruler and subject Drawing on representations of servitude and slavery in the humanist and political literature of the period Jordan shows that Shakespeare's abusive rulers suffer as much as they impose on their subjects Shakespeare's *Monarchies* recognizes the romances as politically inflected texts and confirms Shakespeare's involvement in the public discourse of the period *The Palgrave Handbook of Shakespeare's Queens* Kavita Mudan Finn, Valerie Schutte, 2018-07-20 Of Shakespeare's thirty seven plays fifteen include queens This collection gives these characters their due as powerful early modern women and agents of change bringing together new perspectives from scholars of literature history theater and the fine arts Essays

span Shakespeare's career and cover a range of famous and lesser known queens from the furious Margaret of Anjou in the Henry VI plays to the quietly powerful Hermione in The Winter's Tale from vengeful Tamora in Titus Andronicus to Lady Macbeth Early chapters situate readers in the critical concerns underpinning any discussion of Shakespeare and queenship the ambiguous figure of Elizabeth I and the knotty issue of gender presentation The focus then moves to analysis of issues such as motherhood intertextuality and contemporary political contexts close readings of individual plays and investigations of rhetoric and theatricality Featuring twenty five chapters with a rich variety of themes and methodologies this handbook is an invaluable reference for students and scholars and a unique addition to the fields of Shakespeare and queenship studies Winner of the 2020 Royal Studies Journal book prize *Performances at Court in the Age of Shakespeare* Sophie Chiari, John Mucciolo, 2019-10-24 A fascinating insight into court entertainment encompassing dance music and performance in the age of Shakespeare **The New Oxford Shakespeare** Gary Taylor, Gabriel Egan, 2017 This companion volume to The New Oxford Shakespeare The Complete Works concentrates on the issues of canon and chronology This major work in attribution studies presents in full the evidence behind the choices made in The Complete Works about which works Shakespeare wrote in whole or part Who Wrote Shakespeare? James Shapiro, 2011-08-23 This ebook is an excerpt from Contested Will by James Shapiro and originally appeared as the last section titled Shakespeare In this chapter Shapiro succinctly and eloquently makes the case for why no one else but Shakespeare could have written Shakespeare's plays **Antony and Cleopatra** William Shakespeare, 1998-09-24 Antony and Cleopatra has the strangest stage history of any of Shakespeare's major tragedies Richard Madelaine explains how the play's challenging complexity has at different times inhibited or promoted its success on the stage and accounts for the remarkable resurgence of performances in the last twenty years Madelaine provides the only detailed extensive and up to date history of the play on stage and screen in and beyond Britain His introduction and commentary examine the ways in which cultural factors have shaped the performance of the play and how actors have tackled the main parts in particular the exotic eroticism of Cleopatra In the process he reveals not only the rich plurality of possible readings of the play but also changing attitudes to Shakespeare **The Shakespeare Play as Poem** S. Viswanathan, 1980-11-20 A balanced critique of the reading of Shakespeare's plays as dramatic poems The New Oxford Shakespeare: Authorship Companion Gary Taylor, Gabriel Egan, 2017-02-10 This companion volume to The New Oxford Shakespeare The Complete Works concentrates on the issues of canon and chronology currently the most active and controversial debates in the field of Shakespeare editing It presents in full the evidence behind the choices made in The Complete Works about which works Shakespeare wrote in whole or part A major new contribution to attribution studies the Authorship Companion illuminates the work and methodology underpinning the groundbreaking New Oxford Shakespeare and casts new light on the professional working practices and creative endeavours of Shakespeare and his contemporaries We now know that Shakespeare collaborated with his literary and dramatic contemporaries and that others adapted his

works before they reached printed publication The Authorship Companion's essays explore and explain these processes laying out everything we currently know about the works authorship Using a variety of different attribution methods The New Oxford Shakespeare has confirmed the presence of other writers hands in plays that until recently were thought to be Shakespeare's solo work Taking this process further with meticulous fresh scholarship essays in the Authorship Companion show why we must now add new plays to the accepted Shakespeare canon and reattribute certain parts of familiar Shakespeare plays to other writers The technical arguments for these decisions about Shakespeare's creativity are carefully laid out in language that anyone interested in the topic can understand The latest methods for authorship attribution are explained in simple but accurate terms and all the linguistic data on which the conclusions are based is provided The New Oxford Shakespeare consists of four interconnected publications the Modern Critical Edition with modern spelling the Critical Reference Edition with original spelling a companion volume on Authorship and an online version integrating all of this material on OUP's high powered scholarly editions platform Together they provide the perfect resource for the future of Shakespeare studies

Shakespeare Studies, vol. 43 Diana E. Henderson, 2015-09-30 **Shakespearean Temporalities** Lukas Lammers, 2018-03-21 Shakespearean Temporalities addresses a critical neglect in Early Modern Performance and Shakespeare Studies revising widely prevailing and long standing assumptions about the performance and reception of history on the early modern stage Demonstrating that theatre at the turn of the seventeenth century thrived on an intense fascination with perceived tensions between medieval past and early modern present this volume uncovers a dimension of historical drama that has been largely neglected due to a strong focus on nationhood and a predilection for topical readings It moreover reassesses genre conventions by venturing beyond the threshold of the supposed death of the history play in 1603 Closely analysing a broad range of Shakespeare's historical drama it explores the dramatic techniques that allow the theatre to perform historical distance An experience of historical contingency through an immersion in a world ontologically related yet temporally removed is thus revealed as a major appeal of historical drama and a striking aspect of Shakespeare's history plays With a focus on performance the experience of playgoers and the dynamics that resulted from the collective production of dramatic historiography by competing companies the book offers the first analysis of what can be referred to as Shakespeare's dramaturgy of historical temporality

Shakespeare, In Fact Irvin Leigh Matus, 2013-09-05 Virtuoso presentation of available evidence of the Bard's life Written with wit and panache this erudite tome dismantles the arguments claiming that someone other than Shakespeare wrote his plays Publishers Weekly

The Routledge Handbook of Shakespeare and Animals Karen Raber, Holly Dugan, 2020-08-10 Shakespeare's plays have a long and varied performance history The relevance of his plays in literary studies cannot be understated but only recently have scholars been looking into the presence and significance of animals within the canon Readers will quickly find without having to do extensive research that the plays are teeming with animals In this Handbook Karen Raber and Holly Dugan delve deep into Shakespeare's World

to illuminate and understand the use of animals in his span of work This volume supplies a valuable resource offering a broad and thorough grounding in the many ways animal references and the appearance of actual animals in the plays can be interpreted It provides a thorough overview demonstrates rigorous original research and charts new frontiers in the field through a broad variety of contributions from an international group of well known and respected scholars **The Shakespearean Stage, 1574-1642** Andrew Gurr,1992-01-23 The Shakespearean Stage is the only authoritative book that describes all the main features of the original staging of Shakespearean drama in one volume the acting companies and their acting styles the playhouses the staging and the audiences For twenty years it has been hailed as not only the most reliable but the liveliest and most entertaining overview of Shakespearean theatre available to students For this third edition Professor Gurr has substantially revised the book bringing it right up to date and incorporating many new discoveries including those of the archaeologists at the sites of the Rose and Globe theatres The invaluable appendix which lists all the plays performed at a particular playhouse the playing company and date of performance has also been revised and rearranged

When somebody should go to the book stores, search instigation by shop, shelf by shelf, it is essentially problematic. This is why we give the books compilations in this website. It will definitely ease you to look guide **Shakespeare The Jacobean Plays** as you such as.
