

A photograph of a forest path with two diverging roads. The path is made of dark, wet gravel or asphalt, and the surrounding ground is covered in fallen yellow and brown leaves. The background is a dense forest of tall, thin trees with green foliage. The text is overlaid on the right side of the image.

Two roads diverged in a wood and I,  
I took the one less traveled by.  
And it has made all the difference.

- Robert Frost
