Jackson, 2012-10-30. Harry Jackson and Tony Perkins believe that America stands at a crossroads. As a nation, we must choose God's blessings or His destruction of our society. The Religious Right, as it has been termed, often looks to the world as its enemy, and many Christians have seen themselves as combatants in war against anti-God forces. In *Personal Faith, Public Policy*, Jackson and Perkins take a radical new position, stating that the Christian church must lead morally and impact the culture with personal spiritual power and unified Christian public policy, demonstrating how a unified church can tackle each one of the seven major problems of our culture. Achieving victories in each of the seven areas presented will result in vanquishing the big problem facing our country: moral decay.
